## Allstate Property and Casualty Insurance Company The Company Named in the Policy Declarations

A Stock Company - Home Office: Northbrook, Illinois

### General Provisions

The following provisions apply to all parts of the policy except where otherwise noted.

### Insuring Agreement

This policy is a legal contract between **you** and **us**. A coverage applies only when a premium for it is shown on the Policy Declarations. If more than one **cycle** is insured, premiums will be shown for each **cycle**. If **you** pay the premiums when due and comply with the policy terms, **we**, relying on the information **you** have given **us**, make the following agreements with **you**.

The terms of this policy impose joint obligations on persons defined in applicable sections of this policy as insured person(s). This means that the responsibilities, acts and omissions of a person defined as an insured person will be binding upon other person(s) defined as insured person(s).

### When And Where The Policy Applies

**Your** policy applies only during the policy period. During this time, it applies to covered losses to an **insured cycle**, accidents and occurrences within the United States of America, its territories or possessions, or Canada, or between their ports. The policy period is shown on the Policy Declarations.

### Conformity To State Statutes

When any policy provision is in conflict with the statutes of the state in which the **insured cycle** is principally garaged, the provisions are amended to conform to such statutes.

### Insurance Coverage In Mexico

Prior to entering and driving in Mexico, **you** must check with the appropriate Mexican authorities regarding insurance requirements.

Motor vehicle accidents in Mexico are subject to the laws of Mexico, NOT the United States of America. In Mexico, an accident can be considered a CRIMINAL OFFENSE as well as a civil matter.

In some cases, part or all of this policy may NOT be recognized by Mexican authorities and **we** may not be allowed to provide any insurance coverage at all in Mexico. For **your** protection, **you** should consider purchasing coverage for **your cycle** from a licensed Mexican insurance company before driving into Mexico.

However, when possible, protection will be afforded for those coverages for which a premium is shown on the Policy Declarations for an **insured cycle** while that **insured cycle** is within 75 miles of the United States border and only for a period not to exceed ten days after each separate entry into Mexico.

If loss or damage occurs which may require repair of an **insured cycle** or replacement of any part(s) while an **insured cycle** is in Mexico, the basis for adjustment of the claim will be as follows: Any amount payable resulting from any covered loss or damage occurring in Mexico shall be payable in the United States. **We** will not be liable for more than the cost of having the repairs made

or parts replaced at the nearest point in the United States where repairs or replacements can be performed. The costs for towing, transportation, and salvage operations of an **insured cycle** while within Mexico are not covered under this policy.

### Premium Changes

The premium for each **cycle** is based on information **we** have received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period or take other appropriate action.

Changes which result in a premium adjustment are contained in **our** rules. These include, but are not limited to:

1. **cycles** insured by the policy, including changes in use;
2. drivers residing in **your** household, their ages or marital status;
3. coverages or coverage limits;
4. rating territory; and
5. discount or surcharge applicability.

Any calculation or adjustment of **your** premium will be made using the rules, rates, and forms in effect, and on file if required, for **our** use in **your** state.

### Coverage Changes

When **we** broaden a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement. Any change in **your** coverage will be made using the rules, rates, and forms in effect, and on file if required, for **our** use in **your** state.

### Duty To Report Policy Changes

**Your** policy was issued in reliance on the information **you** provided, including information concerning **cycles** and persons insured by the policy. To properly insure **your cycle**, **you** must promptly notify **us** when **you** change **your** address or whenever any **resident** operators insured by **your** policy are added or deleted.

**You** must notify **us** within 30 days when **you** acquire an **additional cycle** or **replacement cycle**. If **you** don't, certain coverages of this policy may not apply.

When **you** acquire an **additional cycle**, it will be covered by **us** for 30 days immediately after **you** acquire ownership. **We** will provide this coverage only if no other insurance policy provides coverage for this **cycle** and **you** pay the additional premium.

Coverage will be continued beyond this 30 day period only if:

1. **you** ask us to continue coverage within 30 days after **you** acquire the **cycle**;
2. **we** agree to continue coverage for this **additional cycle**; and
3. **you** pay the additional premium.

## Notice

**Your** notice to an authorized representative shall be deemed to be notice to **us**.

## What To Do If There Is A Loss

1. If an insured person has an accident involving an **insured cycle**, **we** or one of **our** authorized representatives must be informed as soon as possible of all details. As soon as possible, any person making a claim must give **us** written proof of loss, including all details **we** may need to determine the amounts payable.
2. **We** may require any person making a claim to file with **us** a sworn proof of loss. **We** may also require that person to submit to examinations under oath, separately and apart from others, and to sign the transcript.
3. If an insured person is sued as the result of a **cycle** accident, **we** must be informed immediately.
4. **You** must allow **us** to inspect any damaged property.
5. **You** must protect the **cycle** from further loss. **We** will pay reasonable expenses to guard against further loss. If **you** don't protect the cycle, further loss is not covered.
6. **You** must report all theft losses as soon as possible to the police.
7. Any insured person may be required to undergo medical examinations by physicians **we** choose, as often as **we** reasonably require. **We** must be given authorization to obtain medical reports and other records pertinent to the claim.

## Assistance And Cooperation

An insured person must cooperate with **us** in the investigation, settlement and defense of any claim or lawsuit. If **we** ask, that person must also help **us** obtain payment from anyone who may be jointly responsible.

If an insured person voluntarily takes any action or makes any payments other than for covered expenses for bonds or first aid to others, **we** are not obligated to provide reimbursement for such payments. Under Uninsured Motorists Insurance, **we** may require an insured person to take proper action to preserve all rights to recover damages from anyone responsible for the **bodily injury** or **property damage**.

## Subrogation Rights

When **we** pay, an insured person's rights of recovery from anyone else become **ours** up to the amount **we** have paid. The insured person must protect these rights and help **us** enforce them.

The following additional paragraph applies to **Part 3—Uninsured Motorists Insurance**:

If the loss arises from the use of an underinsured **motor vehicle**, **our** right of subrogation applies only if **we** pay the insured person an amount equal to any tentative settlement between the insured person and the responsible party or insurer within 30 days of written notice to **us** of the tentative settlement.

## Combining Limits Of Two Or More Cycles Prohibited

The coverage limits applicable to any one **cycle** shown on the Policy Declarations will not be combined with or added to the coverage limits applicable to any other **cycle** shown on the Policy Declarations or covered by the policy. This is true even though a separate premium is charged for each of those **cycles**, regardless of the number of:

1. **cycles** or persons shown on the Policy Declarations;
2. vehicles involved in the accident;
3. persons seeking damages as a result of the accident; or
4. insured persons from whom damages are sought.

If two or more **cycles** are shown on the Policy Declarations and one of these **cycles** is involved in an accident to which coverage applies, the coverage limits shown on the Policy Declarations for the **cycle** involved will apply. If a covered accident involves a **cycle** other than one shown on the Policy Declarations, or if an insured person is struck as a pedestrian in a covered accident, the highest coverage limits shown on the Policy Declarations for any one **cycle** will apply.

## Transfer

This policy can't be transferred to another person or entity without **our** written consent. However, if **you** die, this policy will provide coverage until the end of the policy period for **your** legal representative while acting as such and for persons covered on the date of **your** death.

## Payment

If **your** initial premium payment for **your** first policy period is by check, draft, or any remittance other than cash, such payment is conditional upon the check, draft, or other remittance being honored upon presentation. If such check, draft, or remittance is not honored upon presentation, this policy shall be deemed void from its inception. This means that **we** will not be liable under this policy for any claims or damages which would otherwise be covered had the check, draft, or remittance been honored upon presentation.

If at any time, **your** payment of any premium amount due is made by check, electronic transaction, or other remittance which is not honored because of insufficient funds or a closed account, **you** will be charged a fee.

## Conditional Reinstatement

If **we** mail a cancellation notice because **you** didn't pay the required premium when due and **you** then tender payment by check, draft, or other remittance which is not honored upon presentation, **your** policy will terminate on the date and time shown on the cancellation notice and any notice **we** issue which waives the cancellation or reinstates coverage is void. This means that **we** will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice.

## Fraud Or Misrepresentation

This policy shall be deemed void from its inception if it was obtained or endorsed during the first policy period through material misrepresentation, fraud or concealment of material facts. The material misrepresentation, fraud or concealment of material facts must have been made with intent to deceive

or must materially affect the acceptance of the risk or the hazard assumed by the company.

During the first policy period, **we** will not provide coverage for any loss if any material misrepresentation, concealment of any material fact or omission was made on **your** insurance application. This means that even after the occurrence of an accident or loss **we** will not be liable for any claims or damages which would otherwise be covered.

**We** may deny coverage for any accident or loss if **you** or an insured person has knowingly concealed or misrepresented any material fact or circumstance, or engaged in fraudulent conduct, in connection with the presentation or settlement of a claim.

### Cancellation

**You** may cancel this policy by notifying **us** of the future date **you** wish to stop coverage.

During the policy period, **we** may cancel this policy by mailing notice to **you** at **your** last known address. If **we** cancel because **you** didn't pay the premium, the date of cancellation will be at least 10 days after the date of mailing. Otherwise, **we** will mail **you** notice at least 30 days before the date of cancellation.

Proof of mailing the notice will be proof of notice. A refund, if due, will be calculated using the rules, rates, and forms in effect, and on file if required, for **our** use in **your** state. Cancellation will be effective even if the refund is not made immediately. Any unearned premium amounts under \$2.00 will be refunded only upon **your** request.

After **your** policy has been in effect 60 days, **we** won't cancel **your** coverage during the policy period unless:

1. the premium isn't paid when due;
2. the policy was obtained through a material misrepresentation;
3. any insured person violated any of the terms and conditions of the policy;
4. the risk originally accepted has measurably increased;
5. **we** certify to the Director of the Illinois Department of Insurance of the loss of reinsurance by the insurer which provided coverage to **us** for all or a substantial part of the underlying risk insured;
6. the Director makes determination that the continuation of the policy could place **us** in violation of the insurance laws of Illinois; or
7. **we** have mailed notice within the first 60 days that **we** don't intend to continue the policy.

### Non-Renewal

If **we** don't intend to renew your policy, **we** will mail **you** notice at least 30 days before the end of the policy period.

However, after this policy has been effective or renewed for five or more years, **we** will give **you** at least 60 days notice if **we** don't intend to renew this policy.

### Action Against Us

No suit or action may be brought against **us** unless there has been full compliance with all policy terms and conditions.

If liability has been determined by judgment after trial, or by written agreement among the insured person, the other person and **us**, then whomever obtains this judgment or agreement against an insured person may sue **us** up to the limits of this policy. However, no one has the right to join **us** in a suit to determine legal responsibility.

### Bankruptcy Or Insolvency

The bankruptcy or insolvency of an insured person or that person's estate will not relieve **us** of any obligation under the policy.

### What Law Will Apply

This policy is issued in accordance with the laws of Illinois and covers property or risks principally located in Illinois. Subject to the following paragraph, any and all claims or disputes in any way related to this policy shall be governed by the laws of Illinois.

If a covered loss to the **cycle**, a covered **cycle** accident, or any other occurrence for which coverage applies under this policy happens outside Illinois, claims or disputes regarding that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence may be governed by the laws of the jurisdiction in which that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

### Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy shall be brought, heard, and decided only in a state or federal court located in Illinois. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy or involved in any other way with this policy, shall be brought, heard, and decided only in a state or federal court located in Illinois, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss to the **cycle**, a covered **cycle** accident, or any other occurrence for which coverage applies under this policy happens outside Illinois, lawsuits regarding that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence may also be brought in the judicial district where that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence happened.

Nothing in the provision, Where Lawsuits May Be Brought, shall impair any party's right to remove a state court lawsuit to a federal court.

### Definitions Used Throughout The Policy

The following definitions apply throughout the policy unless otherwise indicated. Defined words are printed in bold face type. Additional defined terms that apply to specific policy sections will appear in those policy sections.

1. **“Additional Cycle”** means a **cycle** of which **you** become the owner during the policy period and:

## Part 1—Motorcycle Liability Insurance Bodily Injury Liability Coverage Property Damage Liability Coverage

---

### General Statement Of Coverage

If a premium is shown on the Policy Declarations for Bodily Injury Liability Coverage and Property Damage Liability Coverage, **we** will pay damages an **insured person** is legally obligated to pay because of:

1. **bodily injury** sustained by others; and
2. damage to, or destruction of, property.

Under these coverages, **your** policy protects an **insured person** from liability for damages arising out of the ownership, maintenance or use, loading or unloading of an **insured cycle**.

**We** will not pay any punitive or exemplary damages, fines or penalties under Bodily Injury Liability Coverage or Property Damage Liability Coverage.

**We** will defend an **insured person** sued as the result of a covered accident, even if the suit is groundless or false. **We** will choose the counsel. **We** may settle any claim or lawsuit if **we** believe it is proper. **We** will not defend an **insured person** sued for damages which are not covered by this policy. However, if an **insured person** is sued for both covered damages and damages that are not covered under this policy, **we** will provide a defense.

### Our Right To Appeal

If an **insured person** or any other insurer elects not to appeal a judgment, **we** may do so. **We** will pay reasonable costs and interest incidental to the appeal. **We** will not be liable for more than the limit shown on **your** Policy Declarations plus the reasonable costs and interest incidental to the appeal.

### Additional Payments We Will Make

When **we** defend an **insured person** under Part 1, **we** will pay:

1. up to \$200 a day for loss of wages or salary if **we** ask that person to attend hearings or trials to defend against a **bodily injury** suit. **We**

won't pay for loss of other income. **We** will pay other reasonable expenses incurred at **our** request.

2. court costs for defense.
3. interest accruing on a judgment entered against an **insured person**, but only on that part of a judgment entered against an **insured person** which does not exceed **our** limits of liability, until such time as **we** have paid, formally offered, or conditionally or unconditionally deposited in court, the amount for which **we** are liable under this policy. This means that under no circumstances will **we** pay interest on that part of a judgment entered against an **insured person** which exceeds **our** stated limits of liability.
4. premiums on appeal bonds and on bonds to release attachments, but not in excess of **our** limit of liability. **We** have no obligation, however, to apply for or furnish these bonds.

**We** will repay an **insured person** for:

1. the cost of any bail bonds required due to an accident or traffic law violation involving the use of an **insured cycle**. **We** won't pay more than \$300 per bond. **We** have no obligation to apply for or furnish these bonds.
2. reasonable expenses incurred by an **insured person** for first aid to others at the time of an accident involving an **insured cycle**.

### Additional Definition For Part 1

"**Insured Person(s)**" means:

1. while using an **insured cycle**, other than a **non-owned cycle**:
  - a) **you**;
  - b) any **resident** relative; and
  - c) any other person using it with **your** permission.
2. while using a **non-owned cycle**:
  - a) **you**; and
  - b) any **resident** relative.

### Exclusions—What Is Not Covered

**We** will not pay for any damages an **insured person** is legally obligated to pay because of:

1. **bodily injury** or property damage arising out of the use of an **insured cycle** while used to carry persons or property for a charge, or the use of any **cycle** an **insured person** is driving while available for hire by the public. This exclusion does not apply to ride-share arrangements. This exclusion also does not apply to the use of an **insured cycle** for charitable events.
2. **bodily injury** or property damage arising out of business operations such as repairing, servicing, testing, washing, parking, storing, or selling of motor vehicles. However, coverage does apply to **you**, **resident** relatives, partners, or employees of the partnership of **you** or a **resident** relative when using **your insured cycle**.
3. **bodily injury** or property damage arising out of the use of a **non-owned cycle** or cycle trailer **you** do not own in any business or occupation of an **insured person**. However, this exclusion does not apply while **you**, **your** chauffeur, or domestic servant are using a **cycle** or trailer.
4. **bodily injury** to an employee of any **insured person** arising in the course of employment. This exclusion does not apply to **your** domestic employee who is not required to be covered by a workers' compensation law, disability law, or similar law.
5. **bodily injury** to a co-worker injured in the course of employment. This exclusion does not apply to **you**.
6. **bodily injury** to any person related to an **insured person** by blood, marriage or adoption and residing in that person's household. This exclusion does not apply:
  - a) to the extent that any other person responsible acquires a right of contribution against **you** or a **resident** relative.
  - b) to **bodily injury** to **you** or a **resident** relative if an **insured cycle** was operated at the time of the accident by a person other than **you** or a **resident** relative.
7. damage to or destruction of property an **insured person** owns, transports, is in charge of, or rents. A **cycle** operated by an **insured person** is considered to be property in charge of an **insured person**. However, this exclusion does not apply to:
  - a) a rented residence or a rented garage damaged by an **insured cycle**; or
  - b) property damage to another **insured cycle**.
8. **bodily injury** or property damage which may reasonably be expected to result from the intentional or criminal acts of an **insured person** or which are in fact intended by an **insured person**.
9. **bodily injury** or property damage also covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
10. liability from or as a consequence of the following whether controlled or uncontrolled or however caused:
  - a) nuclear reaction;
  - b) radiation; or
  - c) radioactive contamination.
11. **bodily injury** or property damage arising out of the participation in any prearranged or organized:
  - a) racing contest;
  - b) speed contest;
  - c) demolition contest;
  - d) stunt contest;
  - e) off road contest;
  - f) **cycle** performance, maneuvering, or endurance contest; or
 in practice or preparation for any contest of this type.
12. any liability an **insured person** assumes arising out of any contract or agreement.
13. **bodily injury** or property damage resulting from the ownership, maintenance or use, loading or unloading of the **insured cycle** by any

person as an employee of the United States government, while acting within the scope of such employment. This exclusion applies only if the provisions of the Federal Tort Claims Act, as amended, require the Attorney General of the United States to defend that person in any civil action or proceeding which may be brought for the **bodily injury** or property damage.

14. **bodily injury** or property damage arising out of the use of an **insured cycle** while leased or rented to others. However this exclusion does not apply to the operation of an **insured cycle** by **you** or a **resident** relative.

### Financial Responsibility

When this policy is certified as proof under any financial responsibility law, the policy will comply with the provisions of that law.

### Limits Of Liability

The limits shown on the Policy Declarations are the maximum **we** will pay for any single accident involving an **insured cycle**. The limit stated for each person for **bodily injury** is **our** total limit of liability for damages because of **bodily injury** sustained by one person in any single accident involving an **insured cycle**, including damages sustained by anyone else as a result of that **bodily injury**. Subject to the limit for each person, the limit stated for each accident is **our** total limit of liability for damages for **bodily injury** sustained by two or more persons in any single accident involving an **insured cycle**. For property damage, the limit stated for each accident is **our** total limit of liability for property damage sustained in any single accident involving an **insured cycle**.

This applies regardless of the number of:

1. policies involved;
2. vehicles involved;
3. **insured persons**;
4. claims made;
5. vehicles or premiums shown on the Policy Declarations; or
6. premiums paid.

Damages payable will be reduced by the amounts paid or collected under the medical payments section of this policy.

THIS MEANS THAT NO STACKING OR AGGREGATION OF ANY MOTORCYCLE LIABILITY INSURANCE—BODILY INJURY AND PROPERTY DAMAGE WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

If none of the **cycles** shown on the Policy Declarations is involved in the accident, the highest limit of liability shown on the Policy Declarations for any one **cycle** will apply.

A **cycle** and attached trailer are considered one **cycle**.

### Non-Duplication Of Benefits

There will be no duplication of payments made under the Bodily Injury Liability, Motorcycle Medical Payments, and Uninsured Motorists Coverages of this policy.

### If There Is Other Insurance

If more than one policy applies on a primary basis to an accident involving **your insured cycle**, **we** will bear **our** proportionate share with other collectible liability insurance.

If an **insured person** is using a **substitute cycle** or **non-owned cycle**, **our** liability insurance will be excess over other collectible insurance.

However, if an **insured person** has Motorcycle Liability Insurance limits equal to or greater than \$100,000 for **bodily injury** sustained by one person in a single accident, \$300,000 for **bodily injury** sustained by two or more persons in a single accident, and \$50,000 for damage to property sustained in a single accident, and in the event that an **insured person**, with the permission of a new **cycle** dealer or an employee of a new **cycle** dealer, drives a **cycle** owned or held for sale or lease by the new **cycle** dealer for loaner purposes while the **insured person's cycle** is being repaired or evaluated, **our** policy applies on a primary basis.

If an **insured person** has Motorcycle Liability Insurance limits less than \$100,000 for **bodily injury** sustained by one person in a single accident, \$300,000 for **bodily injury** sustained by two or more persons in a single accident, and \$50,000 for damage to property sustained in a single accident, and in the event that an **insured person**, with the permission of a new **cycle** dealer or an employee of a new **cycle** dealer, drives a **cycle** owned or held for sale or lease by the new **cycle** dealer for loaner purposes while the **insured person's cycle** is being repaired or evaluated, liability under **our** policy will be excess over other collectible insurance.

If **bodily injury** or property damage to any person except **you**, a **resident** relative, or partners or employees of the partnership of **you** or a **resident** relative, arises out of vehicle business operations such as repairing, servicing, testing, washing, parking, storing, or selling of **your insured cycle**, then this policy is in excess over all other insurance, self-insurance or certificate of insurance.

### Additional Interested Parties

If one or more additional interested parties are listed on the Policy Declarations, the Motorcycle Liability Insurance Coverages of this policy will apply to the parties as insureds.

**We** will provide 10 days written notice to an additional interested party if **we** cancel or make any change to this policy which adversely affects that party's interest. **Our** notice will be considered properly given if mailed to the additional interested party's address shown on the Policy Declarations.

The naming of an additional interested party does not increase that party's rights to recovery under this policy, nor does it impose an obligation for the payment of premiums under this policy.

## Part 2—Motorcycle Medical Payments

### General Statement Of Coverage

If a premium is shown on the Policy Declarations for Motorcycle Medical Payments, **we** will pay to or on behalf of an **insured person** all reasonable expenses actually incurred for necessary medical treatment, medical services

or medical products actually provided to the **insured person** by a state licensed health care provider. Ambulance, hospital, medical, surgical, X-ray, dental, orthopedic and prosthetic devices, pharmaceuticals, eyeglasses, hearing aids, and professional nursing services provided by an individual licensed under the Medical Practice Act of Illinois or comparable law are covered. Ambulance and funeral service expenses, and treatment provided in accordance with a recognized religious method of healing are also covered. Payments will be made only when **bodily injury** is caused by a **motor vehicle** accident.

The treatment, services, or products must be rendered within three years of the date of the accident.

This coverage does not apply to any person to the extent that the treatment is covered under any workers' compensation law.

### Additional Definitions For Part 2

1. **"Insured Person(s)"** means:
  - a) **you** and any **resident** relative who sustains **bodily injury** while in, on, getting into or out of, or getting on or off of, or when struck as a pedestrian by, a **motor vehicle** or trailer. The use of a **non-owned cycle** must be with the owner's permission.
  - b) any other person who sustains **bodily injury** while in, on, or getting on or off of:
    - i. an **insured cycle**, other than a **non-owned cycle**, while being used by **you**, a **resident** relative, or any other person with **your** permission.
    - ii. a **non-owned cycle** or trailer if the injury results from the operation or occupancy by **you**, **your** private chauffeur or domestic servant on your behalf; or a **resident** relative.
    - iii. **your insured cycle** while a **passenger** on **your cycle**.
2. **"Motor Vehicle"** means a land motor vehicle designed for use on public roads.

### Exclusions—What Is Not Covered

This coverage does not apply to **bodily injury**:

1. which may reasonably be expected to result from the intentional or criminal acts of **you** or any **resident**, or any other person using the **insured cycle** with **your** permission, or which is in fact intended by that person.
2. to **you** or a **resident** relative while in, on, getting into or out of, or getting on or off of, a **cycle** owned by **you** or a **resident** relative which is not insured for this coverage under this policy.
3. to **you** or a **resident** relative while in, on, getting on or off, or into or out of, or when struck as a pedestrian by:
  - a) a vehicle operated on rails or crawler-treads; or
  - b) a vehicle or other equipment designed for use off public roads, while not on public roads.
4. to any person while in, on, getting on or off, or into or out of:
  - a) a **cycle** owned by **you** or a **resident** relative while available for hire to the public. This exclusion does not apply to ride-share

arrangements. This exclusion also does not apply to the use of an **insured cycle** for charitable events.

- b) a **cycle** or trailer while used as a residence or premises.
5. to any person, other than **you** or a **resident** relative, while using a **motor vehicle you** or **your resident** relative do not own or which is not available or furnished for the regular use of **you** or **your resident** relative:
  - a) which is available for hire by the public; or
  - b) in business operations such as repairing, servicing, testing, washing, parking, storing or selling of **motor vehicles**.

Coverage is provided for **you**, **your** private chauffeur or domestic servant while using an **insured cycle** or trailer in any other business or occupation.

6. caused by war or warlike acts, including, but not limited to, insurrection, rebellion, or revolution.
7. arising out of the participation in any prearranged or organized:
  - a) racing contest;
  - b) speed contest;
  - c) demolition contest;
  - d) stunt contest;
  - e) off road contest;
  - f) **cycle** performance, maneuvering, or endurance contest; or
 in practice or preparation for any contest of this type.
8. to any person or dependent of a person to the extent that such person or dependent is eligible to receive benefits provided by the U.S. government under a contract of employment, including past or present military duty.

**We** will reimburse the U.S. government, as required in Chapter 55 of Title 10 of the U.S. Code, for expenses covered under this part of the policy when it incurs such expense on behalf of an **insured person** through a facility of the uniformed services.

9. also covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
10. as a consequence of the following whether controlled or uncontrolled or however caused:
  - a) nuclear reaction;
  - b) radiation; or
  - c) radioactive contamination.

### Limits Of Liability

The limit shown on the Policy Declarations for Motorcycle Medical Payments is the maximum **we** will pay for all expenses incurred by or for each person as a result of any one **motor vehicle** accident.

The Motorcycle Medical Payments coverage limit of liability shown on the Policy Declarations may not be added to the limit(s) for similar coverage applying to other **motor vehicles** to determine the limit of insurance coverage available. This applies regardless of the number of:

1. policies involved;
2. vehicles involved;
3. **insured persons**;
4. claims made;
5. vehicles or premiums shown on the Policy Declarations; or
6. premiums paid.

THIS MEANS THAT NO STACKING OR AGGREGATION OF MOTORCYCLE MEDICAL PAYMENTS WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

If none of the **cycles** shown on the Policy Declarations is involved in the accident, the highest limit of liability shown on the Policy Declarations for any one **cycle** will apply. If an **insured person** dies as the result of a covered **motor vehicle** or trailer accident **we** will pay the least of the following as a funeral service expenses benefit:

1. \$2,000;
2. the Motorcycle Medical Payments coverage limit of liability stated on the Policy Declarations; or
3. the remaining portion of the Motorcycle Medical Payments coverage limit of liability not expended for other covered medical expenses.

This funeral service expenses benefit does not increase, and will not be paid in addition to, the limits of liability stated on the Policy Declarations for Motorcycle Medical Payments coverage. This benefit is payable to the deceased **insured person's** spouse if a **resident** of the same household at the time of the accident. However, if the deceased is a minor, the benefit is payable to any parent who is a **resident** of the same household at the time of the accident. In all other cases, the benefit is payable to the deceased **insured person's** estate.

Motorcycle Medical Payments coverage benefits, other than funeral service expenses benefits, will be reduced by:

1. amounts payable under any workers' compensation law or any similar law.
2. amounts received from others, whether insured under this or any other insurance policy, including their insurers, who may be legally responsible for the injuries. This reduction applies only to amounts that are a duplication of payment for the same loss.
3. amounts of other similar, collectible medical insurance benefits available to an **insured person**.
4. amounts payable under the underinsured motorists insurance of this policy, or any other similar underinsured motorists coverage.

### Non-Duplication Of Benefits

There will be no duplication of payments made under the Bodily Injury Liability Coverage, Uninsured Motorists Insurance, and Motorcycle Medical Payments coverages of this policy. All payments made to or on behalf of any person under this coverage will be considered as advance payments to that person. Any damages payable under the Bodily Injury Liability Coverage or Uninsured Motorists Insurance of this policy will be reduced by that amount.

### Unreasonable Or Unnecessary Medical Expenses

If an **insured person** incurs medical expenses which **we** deem to be unreasonable or unnecessary, **we** may refuse to pay for those medical expenses and contest them.

If an **insured person** is sued by a medical services provider because **we** refuse to pay contested medical expenses which **we** deem to be unreasonable or unnecessary, **we** will pay defense costs and any resulting judgment against the **insured person**. **We** will choose the counsel. An **insured person** must cooperate with **us** in the defense of any claim or lawsuit. If **we** ask an **insured person** to attend hearings or trials, **we** will pay up to \$50 per day for the loss of wages or salary. **We** will also pay other reasonable expenses incurred at **our** request.

No **insured person** may sue **us** for medical expenses **we** deem unreasonable or unnecessary unless:

1. the **insured person** has paid the entire disputed amount to the medical services provider; or
2. the medical services provider has expressly threatened or initiated collection activity toward an **insured person**.

No suit or action may be brought against **us** unless there has been full compliance with all policy terms and conditions.

### If There Is Other Insurance

When this coverage applies to a **substitute cycle** or **non-owned cycle**, **we** will pay only after all other collectible insurance has been exhausted. When this coverage applies to a **replacement cycle** or **additional cycle**, this policy will not apply if **you** have other collectible motor vehicle medical insurance.

### Right Of Reimbursement

If **we** make payment on behalf of an **insured person**, that **insured person** shall reimburse **us** from the proceeds of any sums received from any other sources, including under Part 1 of this policy, for such medical expenses for the same elements or loss paid or payable under this coverage. Any amount recovered by an **insured person** shall be held in trust for **us** by that **insured person** to the extent of **our** payments made under this part of the policy. In order to protect **our** right to reimbursement, **we** may notify persons or organizations that may be responsible for payment of medical expenses to or on behalf of the **insured person**.

## Part 3—Uninsured Motorists Insurance

### General Statement Of Coverage

If a premium is shown on the Policy Declarations for Uninsured Motorists Insurance, **we** will pay those damages which an **insured person** is legally entitled to recover from the owner or operator of an uninsured **motor vehicle** because of:

1. **bodily injury** sustained by an **insured person**; and
2. **property damage**. **Property damage** is covered only if a separate limit is shown on the Policy Declarations for Uninsured Motorists Insurance—Property Damage.

The **bodily injury** or **property damage** must be caused by accident and arise out of the ownership, maintenance or use of an uninsured **motor vehicle**. We will not pay any punitive or exemplary damages. This coverage does not apply to the first \$250 of the total amount of all **property damage** as the result of any one accident.

### An Uninsured Motor Vehicle Is:

1. a **motor vehicle** which has no bodily injury or property damage liability bond or insurance policy in effect at the time of the accident.
2. a **motor vehicle** covered by a bond or insurance policy which doesn't provide at least the minimum financial security requirements of the state in which **your insured cycle** is principally garaged.
3. a **motor vehicle** for which the insurer denies coverage or the insurer becomes insolvent.
4. a hit-and-run **motor vehicle** which causes:
  - a) **bodily injury** to an **insured person** by physical contact with the **insured person** or with a vehicle occupied by that person. The identity of the operator and the owner of the vehicle must be unknown. The accident must be reported within 24 hours to the police. We must be notified within 30 days. If an **insured person** was occupying a vehicle at the time of the accident, we have a right to inspect it.
  - b) **property damage** by physical contact with the **insured cycle**. If the owner and operator of the hit-and-run vehicle are unknown, **you** must give **us** the registration number and description of the **motor vehicle** or other information to establish that the vehicle was not insured for property damage liability at the time of the accident.
5. an underinsured **motor vehicle** which has liability protection in effect and applicable at the time of the accident in an amount equal to or greater than the amounts required for **bodily injury** or **property damage** liability in the Illinois Safety Responsibility Law, but less than the applicable limit of liability for Uninsured Motorists Insurance shown on **your** Policy Declarations.

### An Uninsured Motor Vehicle Is Not:

1. a **motor vehicle** that is lawfully self-insured. However, a lawfully self-insured **motor vehicle** may be an underinsured **motor vehicle** when the liability protection in effect and applicable at the time of the accident is less than the applicable limit of liability for Uninsured Motorists Insurance shown on **your** Policy Declarations.
2. a **motor vehicle** owned by any federal, state, or local government or agency.
3. a **motor vehicle** which is insured for Motorcycle Liability Insurance under Part 1 of this policy.

### Additional Definitions For Part 3

1. **"Insured Person(s)"** means:
  - a) **you** or any **resident** relative.

- b) any person while in, on, or getting into or out of, or getting on or off, an **insured cycle**, with **your** permission.
  - c) any other person who is legally entitled to recover because of **bodily injury** to **you**, a **resident** relative, or an occupant of **your insured cycle** with **your** permission.
2. **"Motor Vehicle"** means a land motor vehicle or trailer other than:
    - a) a vehicle or other equipment designed for use off public roads, while not on public roads;
    - b) a vehicle operated on rails or crawler-treads; or
    - c) a vehicle when used as a residence or premises.
  3. **"Property Damage"** means damage to or destruction of the **insured cycle** described in the Policy Declarations by physical contact with an uninsured **motor vehicle**. Property damage does not include loss of use of the **insured cycle**, damage to personal property on or attached to the **insured cycle**, or damage caused by an underinsured **motor vehicle**.

### Exclusions—What Is Not Covered

We will not pay any damages an **insured person** is legally entitled to recover because of:

1. **bodily injury** or **property damage** to any person, if that person or that person's legal representative makes a settlement without **our** written consent. This will include any payment made by any person on behalf of the uninsured motorist.
2. **bodily injury** or **property damage** to any person while in, on, getting on or off or into or out of, or when struck by a **motor vehicle** that **you** own which is insured for this coverage under another policy.
3. **bodily injury** if the payment would directly or indirectly benefit any workers' compensation or disability benefits insurer, including a self-insurer.
4. **property damage** if the payment would directly or indirectly benefit an insurer of property.
5. **bodily injury** or **property damage** arising out of the use of an **insured cycle** while used to carry persons or property for a charge, or the use of any **motor vehicle** an **insured person** is driving while available for hire by the public. This exclusion does not apply to share-ride arrangements. This exclusion does not apply to **bodily injury** or **property damage** caused by the use of an **insured cycle** for charitable events.
6. **bodily injury** or **property damage** arising out of the participation in any prearranged or organized:
  - a) racing contest;
  - b) speed contest;
  - c) demolition contest;
  - d) stunt contest;
  - e) off road contest;
  - f) **cycle** performance, maneuvering, or endurance contest; or
 in practice or preparation for any contest of this type.
7. **bodily injury** to the extent that payment would benefit any governmental body or agency.

8. **property damage** to the extent that any **insured person** has been compensated by other property or physical damage insurance.

### Limits Of Liability

The coverage limits shown on the Policy Declarations for:

1. "each person" is the maximum that **we** will pay for damages arising out of **bodily injury** to one person in any one **motor vehicle** accident, including damages sustained by anyone else as a result of that **bodily injury**.
2. "each accident" is the maximum **we** will pay for damages arising out of **bodily injury** to two or more persons in any one **motor vehicle** accident. This limit is subject to the limit for "each person."
3. "each accident" is the maximum **we** will pay for **property damage** resulting from any one **motor vehicle** accident. Subject to this limit, **our** limit of liability for **property damage** will be the lesser of:
  - a) the actual cash value of the **insured cycle**; or
  - b) the amount necessary to replace or repair the **insured cycle**.

The Uninsured Motorists Insurance limits apply to each **insured cycle** as shown on the Policy Declarations. This means the insuring of more than one person or **cycle** under this or other policies will not increase **our** uninsured motorists limit of liability beyond the amount shown for any one **cycle**, even though a separate premium is charged for each **cycle**.

Damages payable will be reduced by:

1. all amounts paid by or on behalf of the owner or operator of the uninsured **motor vehicle** or anyone else responsible. This includes all sums paid under the bodily injury or property damage liability coverage of this or any other insurance policy.
2. all amounts payable under any workers' compensation law, disability benefits law, or similar law, Motorcycle Medical Payments coverage, or any similar medical payments coverage.
3. all amounts paid under Part 4 of this policy providing coverage for **property damage**.

If the accident involves the use of an underinsured **motor vehicle**, the limits for this coverage will be reduced by:

1. all amounts paid by or on behalf of the owner or operator of the underinsured **motor vehicle** or anyone else responsible. This includes all sums paid under the bodily injury or property damage liability coverage of this or any other insurance policy.
2. all amounts payable under any workers' compensation law, or similar law, or under any medical payments coverage.
3. all amounts paid under Part 4 of this policy providing coverage for **property damage**.

If the accident involves the use of an underinsured **motor vehicle**, the limits for this coverage will be reduced by all amounts paid by or on behalf of the owner or operator of the underinsured **motor vehicle**, including partial payments made by an insolvent insurer.

**We** are not obligated to make any payment for **bodily injury** under this coverage which arises out of the use of an underinsured **motor vehicle** until after the limits of liability for all liability protection in effect and applicable at the time of the accident have been exhausted by payment of judgments or settlements.

This provision shall not apply if the **insured person**, or the legal representative of the **insured person**, and **we** agree that the **insured person** has suffered **bodily injury** as the result of the negligent operation, maintenance, or use of an underinsured **motor vehicle** and, without arbitration, also agree on the amount of damages that the **insured person** is entitled to collect.

**Our** limit of liability under such an agreement shall be final as to the amount due and shall be binding upon both **us** and the **insured person**, regardless of the amount of any judgment or any settlement reached between the **insured person** and any person or persons responsible for the accident.

In addition, no such agreement shall be concluded unless:

1. the **insured person** has complied with all other applicable policy terms and conditions; and
2. before the conclusion of such an agreement:
  - a) the **insured person** has filed suit against the owner or operator of the underinsured **motor vehicle**; and
  - b) the **insured person** has not abandoned the suit; and
  - c) the **insured person** has not settled the suit without preserving **our** right of subrogation.

### Non-Duplication Of Benefits

No injured person will recover duplicate benefits for the same elements of loss under this or any other uninsured motorists insurance, including approved plans of self-insurance.

### If There Is Other Insurance

If the **insured person** was in, on, getting on or off, or into or out of a **cycle** **you** do not own which is insured for this coverage under another policy, this coverage will be excess. This means that when the **insured person** is legally entitled to recover damages in excess of the other policy limit, **we** will only pay the amount by which the limit of liability of this policy exceeds the limit of liability of that policy.

If more than one policy applies to the accident on a primary basis, the total benefits payable to any one person will not exceed the maximum benefits payable under the policy with the highest limit for uninsured motorists coverage. **We** will bear **our** proportionate share with other uninsured motorists benefits. This applies no matter how many **motor vehicles** or policies may be involved, whether written by **us** or another company.

With respect to **property damage**, this coverage will be excess over any other valid and collectible insurance.

### Trust Agreement

When **we** pay any person under this coverage:

1. **we** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from any responsible party or insurer.
2. all rights of recovery against any responsible party or insurer must be maintained and preserved for **our** benefit.
3. **insured persons**, if **we** ask, must take proper action in their own names to recover damages from any responsible party or insurer. **We** will select the attorney. **We** will pay all related costs and fees.  
**We** will not ask the **insured person** to sue the insured of an insolvent insurer.

### Payment Of Loss By Us

Any amount due is payable to the **insured person**, to the parent or guardian of an injured minor, or to the spouse of any **insured person** who dies. However, **we** may pay any person lawfully entitled to recover the damages.

### Actions Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought under Uninsured Motorists Insurance, unless there is full compliance with all policy terms and, except as provided below, such action is commenced within two years after the date of the accident.

If an **insured person** commences a timely action against the owner or operator of an uninsured **motor vehicle** to recover damages for loss arising out of the accident and gives **us** written notice of such action within 30 days after such action is commenced, an action against **us** related to the existence or amount of coverage, or the amount of loss for which coverage is sought, may be brought more than two years after the date of the accident, but in no event later than the earliest of the following to occur:

1. one year after entry of a final judgment or other court order terminating such lawsuit against the owner or operator of an uninsured **motor vehicle**; or
2. one year after **we** deny coverage.

If there is a demand by an **insured person** or **us** for arbitration and the arbitration award exceeds the amount required for bodily injury or property damage liability in the Illinois Safety Responsibility Law, no action may be commenced more than 60 days after the date of the arbitration award.

If any **insured person** sues a person believed responsible for the accident without **our** written consent, **we** aren't bound by any resulting judgment.

### If We Cannot Agree

If the **insured person** or **we** don't agree on that person's right to receive any damages or the amount, then upon the written request of either, the disagreement will be settled by arbitration. Arbitration will take place under the rules of the American Arbitration Association for all disputes on the **insured person's** right to receive any damages or the amount unless the **insured person** or **we** object.

If either party objects, the following method of arbitration will be used. The **insured person** will select one arbitrator and **we** will select another. The two arbitrators will select a third. The written decision of any two arbitrators will

determine the issues. If the arbitrators are not selected within 45 days, either party may demand that the entire matter be submitted to the American Arbitration Association for resolution. If they cannot agree on a third arbitrator within 20 days, the judge of a court of record in the county of jurisdiction where arbitration is pending will appoint the third arbitrator.

Regardless of the method of arbitration, any award up to \$50,000 for one person in one accident and \$100,000 for more than one person in one accident, or the policy limits, whichever is less, will be binding and may be entered as a judgment in a proper court. **We** will pay the reasonable and customary costs of arbitration.

Regardless of the method of arbitration, when any arbitration award exceeds \$50,000 for one person in one accident and \$100,000 for more than one person in one accident, or the policy limits, whichever is less, either party has a right to trial on all issues in a court of competent jurisdiction. This right must be exercised within 60 days of the award. Costs, including attorney fees, are to be paid by the party incurring them. The right to trial when an arbitration award exceeds the amount described above does not apply to underinsured motorists coverage.

No one may pursue arbitration under Uninsured Motorists Insurance unless there is full compliance with all policy terms. No one may pursue arbitration under Uninsured Motorists Insurance unless the demand for arbitration is made within two years after the date of the accident or, if later, within one year after the insurer of the owner or operator of an uninsured **motor vehicle** denies coverage or is declared insolvent by the responsible regulator.

However, if an **insured person** commences a timely action against the owner or operator of an uninsured **motor vehicle** to recover damages for loss arising out of the accident and gives **us** written notice of such action within 30 days after such action is commenced, the **insured person** or **we** may demand arbitration more than two years after the date of the accident, but in no event later than one year after entry of a final judgment or other court order terminating such lawsuit against the owner or operator of an uninsured **motor vehicle**.

No arbitrator shall have the authority to award punitive damages or attorney's fees. Neither of the parties shall be entitled to arbitrate any claims in a representative capacity or as a member of a class. No arbitrator shall have the authority, without the mutual consent of the parties, to consolidate claims in arbitration.

## Part 4—Protection Against Loss To The Motorcycle

Other information applicable to all these coverages appears after all the coverage descriptions.

### Motorcycle Collision Insurance

If a premium is shown on the Policy Declarations for Motorcycle Collision Insurance, **we** will pay for direct and accidental loss to an **insured cycle** (including insured loss to an attached trailer) from a collision with another object or by upset of that **cycle** or trailer.

For no additional charge, **we** will pay for direct and accidental loss to any motorcycle helmets worn by **you** or any **passenger** on **your cycle** at the time of a collision. The damage to the helmet must occur as a direct result of the collision, and the helmet must be made available for **our** inspection.

The total limit of **our** liability for each helmet loss will be the lesser of the following amounts:

1. The actual cash value of the helmet at the time of the loss;
2. The cost to repair the helmet;
3. The difference between the value of the helmet prior to the collision and immediately following the collision; or
4. \$500 per helmet.

### Motorcycle Comprehensive Insurance

If a premium is shown on the Policy Declarations for Motorcycle Comprehensive Insurance, **we** will pay for direct and accidental loss to an **insured cycle** not caused by collision. Loss caused by missiles, falling objects, fire, theft or larceny, explosion, earthquake, windstorm, hail, water, flood, malicious mischief or vandalism, and riot or civil commotion is covered. Glass breakage, whether or not caused by collision, and collision with a bird or animal is covered. Plastic or other materials used by the manufacturer as substitutes for glass will also be considered glass.

If by agreement between **you** and **us**, glass is repaired rather than replaced, the deductible amount will not be subtracted from a glass breakage loss.

### Towing And Labor Costs Coverage

If a premium is shown on the Policy Declarations for Towing And Labor Costs, **we** will pay costs for labor performed at the initial place of disablement and for towing made necessary by the disablement. The total limit of **our** liability for towing and labor caused by a single loss is shown on the Policy Declarations.

### Lease Or Loan Gap Coverage

If a premium is shown on the Policy Declarations for Lease Or Loan Gap Coverage and the amount **you** owe at the time of loss under the terms of the lease or loan agreement on **your cycle** exceeds the actual cash value of the **cycle** at the time of the loss, then **we** will pay the difference between these amounts in the event of a total loss due to physical damage or theft of that **cycle**. **We** may pay **you** and the lessor or lienholder named on the Policy Declarations.

Lease Or Loan Gap Coverage applies only if **you** have both Motorcycle Collision Insurance and Motorcycle Comprehensive Insurance in effect under this policy at the time of the loss and the loss is covered under either coverage. This coverage applies only to the original lease or loan written on **your cycle** and applies only if **your cycle** was not previously titled. This coverage applies only if **your cycle** is described on the Policy Declarations and is three model years old or less as of the date of the loss.

### Rental Reimbursement Coverage

If a premium is shown on the Policy Declarations for Rental Reimbursement Coverage, and if **you** have a covered collision or comprehensive loss that involves a **cycle** for which this Rental Reimbursement was purchased, **we** will reimburse **you** for **your** cost of renting an automobile from a rental agency or

garage. **We** will not pay more than the dollar amount per day shown on the Policy Declarations. **We** won't pay mileage charges.

If **your insured cycle** is disabled by a covered collision or comprehensive loss, coverage starts the day of the loss. If **your insured cycle** is driveable, coverage starts the day the **cycle** is taken to a garage for repairs. If the entire **insured cycle** is stolen, coverage begins the day **you** report the theft to **us**.

Coverage ends when whichever of the following occurs first:

1. if the **cycle** is disabled by a collision or comprehensive loss, completion of repairs or replacement of the **cycle**;
2. if the **cycle** is stolen, when **we** offer settlement, or **your cycle** is returned to use; or
3. thirty full days of coverage.

### Optional Or Added Equipment Coverage

If a premium is shown on the Policy Declarations for Optional Or Added Equipment Coverage, **we** will pay for damage caused by a covered collision or comprehensive loss to any Optional Or Added Equipment.

Optional Or Added Equipment means any equipment, devices, accessories, enhancements, and changes, other than those that are installed by the original manufacturer as part of the original sale. Optional Or Added Equipment includes, but is not limited to, dealer added items as part of the original sale, **sound systems**, crash bars, custom seats, sissy bars, windshields, fairings, saddle bags, tank bags, trunk and luggage racks, custom light bars, custom exhaust systems, and **cycle** safety riding apparel, other than helmets.

You must fully disclose to **us** all Optional Or Added Equipment added.

### Additional Payments We Will Make

1. **We** will pay up to \$200 for loss of clothing, other than motorcycle safety apparel, and personal luggage, including its contents, belonging to **you** or a **resident** relative while it is in or upon **your insured cycle**.

This coverage applies only when:

- a) the loss is caused by collision and **you** have purchased collision insurance.
  - b) the entire **cycle** is stolen, and **you** have purchased comprehensive insurance.
  - c) physical damage is done to the **cycle** and to the clothing and luggage caused by earthquake, explosion, falling objects, fire, lightning, or flood and **you** have purchased comprehensive insurance.
2. **We** will repay **you** up to \$10 for the cost of transportation from the place of theft of an **insured cycle** or disablement of the **cycle** to **your** destination, if:
    - a) the entire **cycle** is stolen and **you** have comprehensive insurance under this policy.
    - b) the **cycle** is disabled by a collision or comprehensive loss, and **you** have the coverage under this policy applicable to the loss.
  3. If **you** have purchased collision or comprehensive insurance under this policy, **we** will pay general average and salvage charges imposed when **your insured cycle** is being transported.

### Exclusions—What Is Not Covered

The coverages in Part 4 don't apply to:

1. loss which may reasonably be expected to result from the intentional or criminal acts of an **insured person** or which is in fact intended by an **insured person**. This exclusion will not apply to the interest of an innocent co-insured who did not contribute to the loss if the loss arose out of a pattern of criminal domestic violence and the perpetrator of the loss is criminally prosecuted for the act causing the loss.
2. any **cycle** used for the transportation of people or property for a fee. This exclusion does not apply to ride-share arrangements. This exclusion also does not apply to the use of an **insured cycle** for charitable events.
3. any damage or loss resulting from war or warlike acts, including, but not limited to any insurrection, rebellion, or revolution.
4. loss due to radioactive contamination.
5. any damage resulting from:
  - a) wear and tear;
  - b) freezing; or
  - c) mechanical or electrical breakdown;
 unless the damage is the burning of wires used to connect electrical components, or the result of other loss covered by this policy.
6. loss to tires, unless stolen or damaged by fire, malicious mischief, or vandalism. Coverage is provided if the damage to tires occurs at the same time and from the same cause as other loss covered by this policy.
7. loss, other than collision, to any **insured cycle sound system**, including any apparatus in or on the **cycle** designed for use with that system.
 

This exclusion will not apply if **you** have purchased additional coverage for **your sound system** under Optional or Added Equipment Coverage.

8. loss, other than collision, to any tapes, compact discs, or similar items used with any **insured cycle sound system**.
9. loss to any optional or added equipment not included as standard equipment by the manufacturer of **your cycle** as part of the original sale. This exclusion does not apply if you have purchased Optional or Added Equipment Coverage for this equipment under this policy.
10. loss or damage arising out of the participation in any prearranged or organized:
  - a) racing contest;
  - b) speed contest;
  - c) demolition contest;
  - d) stunt contest;
  - e) off road contest;
  - f) **cycle** performance, maneuvering, or endurance contest; or
 in practice or preparation for any contest of this type.
11. loss which results from the bankruptcy, insolvency, or fraudulent activity of any person who has possession of **your insured cycle** for the purpose of a consignment sale.
12. loss due to seizure, confiscation or taking away by any means, with or without **your** cooperation, of any **cycle** by any police or governmental agency, body, or authority, for any reason whatsoever. This exclusion applies whether or not **you** are or were a bona fide purchaser in good faith of the **cycle**.
13. loss due to conversion or embezzlement by any person who has the **cycle** due to any rental, lease, lien or sales agreement.
14. any device that is designed for the detection of radar or laser.

### Right To Appraisal

Both **you** and **we** have a right to demand an appraisal of the loss. Each will appoint and pay a qualified appraiser. Other appraisal expenses will be shared equally. Each appraiser will state the actual cash value and the amount of loss. If they disagree, the two appraisers, or a judge of a court of record, will select an umpire. A written agreement by any two of these three persons will determine the amount of the loss.

### Payment Of Loss By Us

**We** may pay for the loss in money, or may repair or replace the damaged or stolen property. **We** may, at any time before the loss is paid or the property is replaced, return at **our** own expense any stolen property, either to **you** or at **our** option to the address shown on the Policy Declarations, with payment for any resulting damage. **We** may take all or part of the property at the agreed or appraised value. **We** may settle any claim or loss either with **you** or the owner of the property.

### Limits Of Liability

This clause applies to all Part 4 coverages except Motorcycle Helmet Coverage and Lease Or Loan Gap Coverage.

**Our** limit of liability is the least of:

1. the actual cash value of the property or damaged part of the property at the time of loss, which may include deduction for depreciation;

2. the cost to repair or replace the property or part to its physical condition at the time of loss using parts produced by or for the vehicle's manufacturer, or parts from other sources, including but not limited to, non-original equipment manufacturers, subject to applicable state laws and regulations;
3. \$500, if the loss is to a covered trailer not described on the Policy Declarations; or
4. the limit shown on the Policy Declarations for Optional Or Added Equipment.

Any applicable deductible amount is then subtracted.

If **we**, at **our** option, elect to pay for the cost to repair or replace the property or part, **our** liability does not include any decrease in the property's value, however measured, resulting from the loss and/or repair or replacement.

If **we**, at **our** option, elect to pay for the cost to repair or replace the property or part, **we** may make betterment deductions attributable to the poorer condition of, or prior damage to, the insured vehicle. **We** may also deduct for betterment if the deductions are for prior wear and tear, missing parts and rust damage that is reflective of the general overall condition of the vehicle considering its age. However, deductions for prior wear and tear, missing parts and rust damage that is reflective of the general overall condition of the vehicle considering its age may not exceed \$500.

A **cycle** and attached trailer are considered separate **cycles** for this Part 4 and **you** must pay the deductible, if any, on each.

When more than one coverage under this Part 4 of the policy is applicable to the loss, **you** may recover under the broadest coverage but not both.

### Limits Of Liability Under Lease Or Loan Gap Coverage

**Our** limit of liability with respect to Lease Or Loan Gap Coverage, when purchased and applicable to the loss, is the difference between the amount **you** owe at the time of loss under the terms of the lease or loan agreement to which the **cycle** is subject and the actual cash value of the **cycle** at the time of loss. Any amount payable under Lease Or Loan Gap Coverage will be reduced by:

1. overdue loan or lease payments and the financial penalties associated with those overdue payments;
2. the transfer or rollover of a previous outstanding lease or loan balance from another vehicle to the original lease or loan for the **cycle** described on the Policy Declarations;
3. the dollar amount of unrepaired damage which occurred prior to the total loss of **your cycle**; and
4. all refunds paid or payable to **you** as a result of the early termination of the lease or loan agreement or, to the extent financed, as a result of the early termination of any financed warranty or extended service agreement on **your cycle**.

### If There Is Other Insurance

If there is other insurance covering the loss at the time of the accident, **we** will pay only **our** share of any damages. **Our** share is determined by adding the

limits of this insurance to the limits of all other insurance that applies on the same basis and finding the percentage of the total that **our** limits represent.

When this insurance covers a **substitute cycle**, **we** will pay only after all other collectible insurance has been exhausted.

When this insurance covers a **replacement cycle** or **additional cycle**, this policy won't apply if **you** have other collectible insurance.

Lease Or Loan Gap Coverage is excess over any other collectible insurance.

### No Benefit To Bailee

This insurance will not benefit any person or organization who may be caring for or handling **your** property for a fee.

### Loss Payable Clause

If a Lienholder and/or Lessor is shown on the Policy Declarations, **we** may pay loss or damage under this policy to **you** and the Lienholder and/or Lessor as its interest may appear, except:

1. Where fraud, misrepresentation, material omission, or intentional damage has been committed by or at the direction of **you**.
2. When the vehicle(s) is intentionally damaged, destroyed or concealed by or at the direction of **you** or any owner. This exclusion will not apply to the interest of an innocent co-insured who did not contribute to the loss if the loss arose out of a pattern of criminal domestic violence and the perpetrator of the loss is criminally prosecuted for the act causing the loss.
3. When **you** or any owner makes fraudulent statement(s) or engages in fraudulent conduct in connection with any accident or loss for which coverage is sought.

The Lienholder and/or Lessor must notify **us** of any change in ownership or hazard that is known.

If **you** or any owner fails to render proof of loss within the time granted in the policy, the Lienholder and/or Lessor must do so within sixty days in the form and manner described in the policy. The Lienholder and/or Lessor are subject to the provisions of the policy relating to appraisal, time of payment and bringing suit.

**We** may cancel this policy according to its terms. **We** will notify the Lienholder and/or Lessor at least ten days prior to the date of cancellation that the cancellation is effective as to the interest of the Lienholder and/or Lessor.

Whenever **we** pay the Lienholder and/or Lessor any sum for loss or damage under this policy, **we** will be subrogated to the extent of payment to the rights of the party to whom payment was made. However, these subrogation provisions must in no way impair the rights of the Lienholder and/or Lessor to recover the full amount of its claim from the insured.

The Lienholder and/or Lessor has no greater rights under the provisions of the policy than the insured.
