

# TAKE A HOME INVENTORY

Taking stock of your possessions is an important part of any move. Doing it with a home inventory can help bring order to the flurry of purging and packing activities that can otherwise overwhelm the process. Print this list out to help you catalogue items as you pack up each room. And keep it in a safe place (with receipts, if you have them) once you arrive at your destination; a home inventory can prove invaluable in the event that you ever have to make an insurance claim. If you prefer to create a digital inventory, try a smartphone app like **Digital Locker**, which lets you create a digital inventory and either save it on your smartphone or back it up to the cloud.
