Covered Loss under **Your Property–Coverage TT** will be settled by one of the following methods:

### a) Actual Cash Value

This means there may be a deduction for depreciation. In making an actual cash value settlement, payment will not exceed the smallest of the following amounts:

- 1) the actual cash value at the time of the loss;
- 2) the amount necessary to repair or replace the damaged or stolen property. **We** will not pay more than the cost to make repairs in accordance with;
  - a) the maker's specifications; or
  - b) generally accepted shipyard repair practices;
- 3) the limit of liability shown on the Declarations Page applicable to the damaged property; or
- 4) \$30,000 for **newly acquired watercraft**.

### b) Repair Cost for Partial Losses

When the Declarations Page indicates that repair cost applies under **Your Property–Coverage TT**, **we** will pay the actual cost to repair or replace the covered property with material of like kind and quality, with no deduction for depreciation. This provision applies only to partial losses. Repairs or replacements of canvas materials and sails will be settled on an actual cash value basis at the time of the loss.

When repair or replacement is made, payment will not exceed the smallest of the following amounts:

- 1) the repair cost of the damaged property. **We** will not pay more than the cost to make repairs in accordance with;
  - a) the maker's specifications; or
  - b) generally accepted shipyard repair practices;

This amount may be determined by an agreement between **you** and **us**, a court judgment, or an appraisal award.

## 10. Appraisal

If **you** and **we** fail to agree on the amount of loss, either party may make written demand for an appraisal. Upon such demand each party must select a competent and impartial appraiser and notify the other of the appraiser's identity within 20 days after the demand is received. The

appraisers will select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, **you** or **we** can ask a judge of a court of record in the state where **you** live to select an umpire.

The appraisers shall then determine the amount of loss, stating separately the actual cash value and the amount of loss to each item. If the appraisers submit a written report of an agreement to **us**, the amount agreed upon shall be the amount of loss. If they cannot agree, they will submit their differences to the umpire. A written award by any two will determine the amount of loss.

Each party will pay the appraiser it chooses, and equally bear expenses for the umpire and all other appraisal expenses.
