Insuring Agreement

In reliance on the information **you** have given **us, we** agree to provide the coverages indicated on the Policy Declarations. In return, **you** must pay the premium when due and comply with all policy terms and conditions. This includes maintaining all Required Underlying Insurance.

The terms of this policy impose joint obligations on persons defined as **insured persons**. This means that the responsibilities, acts and failures to act of a person defined as an **insured person** will be binding upon another person defined as an **insured person**.

This policy provides only excess insurance. It does not contribute with any Required Underlying Insurance or other insurance which applies to an **occurrence**. It also is excess to any **retained limit** an **insured person** assumes.

When And Where The Policy Applies

This policy applies to an **occurrence** anywhere in the world that takes place during the policy period. The Policy Declarations show the policy period. This policy is not complete without the Policy Declarations.

Conformity To State Statutes

If any provision of this policy conflicts with the statutes of the state in which the policy is issued, the provision is amended to conform to such statutes.

Changes

Premium Changes

The coverage provided and premium for this policy are based on information **we** have received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct and complete. **You** agree that, if this information changes or is incorrect or incomplete, **we** may adjust **your** coverage or premium accordingly during the policy period or take other appropriate action.

Any calculation or adjustment of **your** premium will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Coverage Changes

When **we** broaden coverage during the policy period without additional charge, **you** have the broadened coverage if **you** have the coverage to which the changes apply. The broadened coverage applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement.

Duty To Report Policy Changes

Your policy was issued in reliance on the information **you** provided. Changes may occur to the information **you** gave us on **your** application for this policy or to **your** Required Underlying Insurance policies during the policy period. If so, **you** must inform **us** within 30 days of the following:

1. Changes in:
 - a) **your** address or the change of address of any **insured person**;
 - b) limits of liability of **your** Required Underlying Insurance.
2. **You** sell, acquire or otherwise transfer ownership of any automobiles, motorcycles, recreational motor vehicles, watercraft or residence premises.

Coverage will continue only if:

- a) **you** ask **us** to continue coverage within 30 days or before the end of the current policy period, whichever is first;
- b) **we** agree to continue coverage based on the change; and
- c) **you** pay the additional premium.

Any change in **your** coverage will be made using the rules, rates and forms in effect, and on file, if required, for **our** use in **your** state.

Assignment Of Interest

No interest in this policy may be transferred without **our** written consent. If an **insured person** dies, coverage will continue for the rest of the policy term for the **insured person's** legal representative. The representative is covered only while acting in that capacity.

Bankruptcy Or Insolvency

The bankruptcy or insolvency of an **insured person** or that person's estate will not affect **our** obligations under this policy.

Cancellation

Your Right to Cancel:

You may cancel this policy at any time. To do so, **you** must notify **us**, stating the future date **you** wish to stop coverage.

Our Right to Cancel:

We may cancel this policy by mailing notice to **you** at the address shown on the Policy Declarations. Mailing the notice is proof of notice. Otherwise, **we** will give **you** 30 days notice.

A refund, if due, will be in proportion to the time **your** policy has been in effect. Cancellation will be effective even if the refund is not made immediately.

Our Right Not to Renew or Continue:

We have the right not to renew this policy. If **we** do not intend to renew, **we** will mail notice to **you** at least 45 days before the end of the policy period.

Conditional Reinstatement

If **we** mail a cancellation notice because **you** did not pay the required premium when due and **you** then tender payment by check, draft, or other remittance which is not honored upon presentation, **your** policy will terminate on the date and time shown on the cancellation notice and any notice **we** issue which waives the cancellation or reinstates coverage is void. This means that **we** will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice.

Concealment Or Fraud

This policy is void if it was obtained by misrepresentation, fraud or concealment of material facts. If it is determined that this policy is void, all premiums paid will be returned to **you** since there has been no coverage under this policy.

Charge For Insufficient Funds Or Closed Account

If, at any time, **your** payment of any premium amount due is made by check, electronic transaction, or other remittance which is not honored because of insufficient funds or a closed account, **you** will be charged a fee.

Action Against Us

No one may bring an action against **us** unless there has been full compliance with all policy terms.

What Law Will Apply

This policy is issued in accordance with the laws of North Dakota and covers risks principally located in North Dakota. Subject to the following paragraph, the laws of North Dakota shall govern any and all claims or disputes in any way related to this policy.

If a covered loss, or any other **occurrence** for which coverage applies under this policy, happens outside North Dakota, claims or disputes regarding that covered loss or any other covered **occurrence** may be governed by the laws of the jurisdiction in which that covered loss or other covered **occurrence** happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy, shall be brought, heard and decided only in a state or federal court located in North Dakota. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy, or otherwise related to this policy, shall be brought, heard and decided only in a state or federal court located in North Dakota, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss, or any other **occurrence** for which coverage applies under this policy, happens outside North Dakota, lawsuits regarding that covered loss or any other covered **occurrence** may also be brought in the judicial district where that covered loss or any other covered **occurrence** happened.

Nothing in this provision, **Where Lawsuits May Be Brought**, shall impair any party's right to remove a state court lawsuit to a federal court.

Section 3—Common Provisions

Limit Of Liability

Our total liability under **Excess Liability Insurance—Bodily Injury And Property Damage** for damages arising out of one **occurrence** will not exceed the "each occurrence" limit shown on the Policy Declarations, regardless of the number of:

1. **insured persons**;
2. claims;
3. claimants;
4. injured persons; or
5. policies involved.

There will be no duplication of payments made under **Excess Liability Insurance—Bodily Injury And Property Damage—Section 1** and **Excess Liability Insurance—Bodily Injury And Property Damage—Section 2** of this policy.

When We Pay

We will not begin to make payment for any damages resulting from an **occurrence** covered by this policy until **our** liability has been determined by:

1. agreement between the claimant and **us**; or
2. a final judgment against an **insured person**.

Claim for payment must be made within 12 months after determination of **our** liability. If additional claims are filed due to the same **occurrence**, payment will be made within 30 days after the **insured person** gives **us** proper proof.

Defense We Will Provide

We will defend an **insured person** sued as the result of an **occurrence** covered by this policy. **We** will not defend any **insured person** against any claim for punitive or exemplary damages.

When defense is provided by the insurer providing the Required Underlying Insurance or any other liability insurance, **we** maintain the right to join in the defense of any claim or suit which may require **us** to pay.

If the **insured person** fails to maintain the Required Underlying Insurance, **we** will not defend any **insured person** for any amount of damages falling within the Required Underlying Insurance limits.

We may be prevented from defending an **insured person**, in any country, due to laws or for other reasons. In that event, **we** will pay any expense incurred, with **our** written consent, for the **insured person's** defense.

We may investigate and settle any claim or suit as **we** consider appropriate.

Additional Payments We Will Make

In defending an **insured person**, **we** will pay the following regardless of **our** limits of liability:

1. Premiums on appeal bonds and on bonds to release attachments. **We** have no obligation to apply for or furnish these bonds.
2. Court costs for defense.
3. Interest accruing on damages awarded. **We** will pay this interest only until **we** have paid, tendered or deposited in court the amount of damages for which **we** are liable under this policy. **We** will only pay interest on the amount of damages for which **we** are liable under this policy, not exceeding **our** limits of liability.

We will repay an **insured person** for all reasonable expenses incurred at **our** request, arising from an **occurrence we** cover. This includes payment for actual loss of wages. **We** are not obligated to repay any expenses incurred by an **insured person** if the **insured person** takes any action or makes any payments other than for covered expenses. **Our** payment for lost wages will not exceed:

1. \$150 per day; nor
2. A total of \$5,000 per **insured person**.

Retained Limit

2. \$250 in all other states and the District of Columbia.

This amount applies only if:

1. **bodily injury** or **property damage** arises out of an **occurrence** that is not covered under **Excess Liability Insurance—Bodily Injury And Property Damage—Section 1**; and
2. no other insurance is required or no other insurance applies to the **occurrence**.

An **insured person** must promptly repay **us** for any amount **we** have advanced on that person's behalf which is within the applicable **retained limit**. **We** will give the **insured person** notice of any repayment due.

Excess Liability Insurance—Personal Injury-Coverage XP

Under **Excess Liability Insurance—Personal Injury**, **we** will pay damages which an **insured person** becomes legally obligated to pay because of **personal injury**. **Personal injury** must arise from a covered **occurrence**.

Losses We Cover Under Excess Liability Insurance—Personal Injury

We will cover an **occurrence** arising only out of:

1. Personal activities of an **insured person**.
2. A volunteer civic service which an **insured person** performs without pay, for a not-for-profit corporation and which is not a function of that person's **business**.

Limit Of Liability

Our total liability under **Excess Liability Insurance—Personal Injury** for damages arising out of one **occurrence** will not exceed the "each occurrence" limit shown on the Policy Declarations, regardless of the number of:

1. **insured persons**;
2. claims;
3. claimants;
4. injured persons; or

5. policies involved.

Amounts We Pay

We will pay only that amount of damages which exceeds the sum of:

1. the limits of liability of the underlying insurance which apply to the **occurrence**; plus
2. the limits of any and all other liability insurance available to an **insured person** which apply to the **occurrence**.

If no other insurance is required and no other insurance applies to the **occurrence**, **we** will pay only those amounts which exceed the **retained limit**, up to the applicable limit of liability shown on the Policy Declarations for **Excess Liability Insurance—Personal Injury**.

In no event shall **we** pay any amount above **our** limit of liability.

When We Pay

We will not begin to make payment for any damages resulting from an **occurrence** covered by this policy until **our** liability has been determined by:

1. agreement between the claimant and **us**; or
2. a final judgment against an **insured person**.

Claim for payment must be made within 12 months after determination of **our** liability. If additional claims are filed due to the same **occurrence**, payment will be made within 30 days after the **insured person** gives **us** proper proof.

Defense We Will Provide

We will defend an **insured person** sued as the result of an **occurrence** covered by this policy. **We** will not defend any **insured person** against any claim for punitive or exemplary damages.

When defense is provided by the insurer providing any other liability insurance, **we** do maintain the right to join in the defense of any claim or suit which may require **us** to pay.

We may be prevented from defending an **insured person**, in any country, due to laws or for other reasons. In that event, **we** will pay any expense incurred, with **our** written consent, for the **insured person's** defense.

We may investigate and settle any claim or suit as **we** consider appropriate.

Additional Payments We Will Make

In defending an **insured person**, **we** will pay the following regardless of **our** limits of liability:

1. Premiums on appeal bonds and on bonds to release attachments. **We** have no obligation to apply for or furnish these bonds.
2. Court costs for defense.
3. Interest accruing on damages awarded. **We** will pay this interest only until **we** have paid, tendered or deposited in court the amount of damages for which **we** are liable under this policy. **We** will only pay interest on the amount of damages for which **we** are liable under this policy, not exceeding **our** limits of liability.

We will repay an **insured person** for all reasonable expenses incurred at **our** request, arising from an **occurrence we** cover. This includes payment for actual loss of wages. **We** are not obligated to repay any expenses incurred by an **insured person** if the **insured person** takes any action or makes any

payments other than for covered expenses. **Our** payment for lost wages will not exceed:

1. \$150 per day; nor
2. A total of \$5,000 per **insured person**.

Retained Limit

Retained limits vary by state. The **retained limit** that applies to this policy is determined by the state shown in the address in the Policy Declarations and the dollar amount shown below for that state.

Retained limits are:

1. \$1,000 in North Carolina and Texas.
2. \$250 in all other states and the District of Columbia.

An **insured person** must promptly repay **us** for any amount **we** have advanced on that person's behalf which is within the applicable **retained limit**. **We** will give the **insured person** notice of any repayment due.

Conditions

What To Do If There Is An Occurrence, Claim Or Suit Notice

You must give **us** prompt written notice of any **occurrence** to which this policy may apply. **You** must also promptly give **us** all legal papers or reports relating to the **occurrence** when a claim or suit is filed against any **insured person**. **You** must also notify **your** underlying insurer.

Assistance And Cooperation

When **we** join in defense of any claim or suit, **we** and the **insured person** will cooperate in good faith. **You** must also cooperate with **your** underlying insurer.

Our Rights Under This Policy—Right Of Appeal

If an **insured person** or any other insurer elects not to appeal a judgment exceeding the limits of the Required Underlying Insurance, any other insurance or the **retained limit**, **we** may do so. **We** will pay the cost and interest incidental to the appeal. **We** will not be liable for more than the applicable limit shown on the Policy Declarations plus the incidental costs and interest.

Settlement Or Defense

We may assume control of the settlement and **we** may assume the defense of any claim or suit against an **insured person** if:

1. The limits of any Required Underlying Insurance or any other insurance have been exhausted by payment; or
2. The insurer providing the Required Underlying Insurance or any other applicable insurance is or becomes bankrupt or insolvent within one year after the **occurrence**.

Subrogation

When **we** pay, an **insured person's** rights of recovery from anyone else become **ours** up to the amount **we** have paid. This includes any rights to claims against any other insurer which failed in its obligation to provide insurance applying to the **occurrence**. The **insured person** must protect these rights and help **us** enforce them. **We** cannot be required to exercise these rights.
