Premium Changes

The premium for each **motor home** is based on the information **we** have received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period. Changes which result in a premium adjustment are contained in **our** rules. These include, but are not limited to:

1. **motor homes** insured by the policy, including changes in use.
2. drivers residing in **your** household, their ages or marital status.
3. coverages or coverage limits.

4. rating territory.
5. discount eligibility.

Any calculation or adjustment of **your** premium will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Coverage Changes

When **we** broaden a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement. Any change in **your** coverage will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Payment

If at any time, **your** payment of any premium amount due is made by check, electronic transaction, or other remittance which is not honored because of insufficient funds or a closed account; **you** will be charged a fee.

This policy can not be transferred to another person without **our** written consent. However, if **you** die this policy will provide coverage until the end of the policy period for **your** legal representative while acting as such and persons covered on the date of **your** death.

Section 1—If The Insured Motor Home Weighs 9,000 Pounds Or Less

You may cancel this policy by notifying **us** at what future date **you** wish to stop coverage.

We may cancel part or all of this policy by mailing notice to **you** at **your** last known address. If **we** cancel because **you** did not pay the premium, or for a suspended or revoked driver's license or motor vehicle registration the date of cancellation will be at least 15 days after the date of mailing notice.

If **we** cancel for any other reason within the first 59 days of the original policy period, the date of cancellation will be at least 15 days after mailing the notice. Otherwise, **we** will mail or deliver to **you** 60 days notice.

Mailing the notice will be proof of notice. Any refund due will be calculated using the rules, rates and forms in effect, and

on file if required, for **our** use in **your** state. Cancellation will be effective even though the refund is not made immediately. Any unearned premium amounts under \$2.00 will be refunded only upon **your** request.

After **your** original policy has been in effect 60 days, **we** will not cancel **your** policy prior to the next anniversary of the original effective date unless:

1. The premium is not paid when due; or
2. **You** had **your** driver's license suspended or revoked; or
3. **You** concealed a material fact, or made a material misrepresentation of fact, which if known to **us** would have caused **us** not to issue the policy.

Our right to cancel this policy is subject to the provisions of Pennsylvania Consolidated Statutes Section 40. P.S. § 991.2003.

Section 2—If The Insured Motor Home Weighs More Than 9,000 Pounds

Your Right to Cancel:

You may cancel this policy by notifying us of the future date **you** wish to stop coverage.

Our Right to Cancel:

We may cancel this policy by mailing notice to **you** at the address shown on the Policy Declarations. When this policy has been in effect for less than 60 days, and is not a renewal with **us**, **we** may cancel this policy for any reason. If we are canceling this policy for a suspended or revoked driver's license or motor vehicle registration the date of cancellation will be at least 15 days after the date of mailing notice.

We will give you at least 30 days notice before the cancellation or non-renewal takes effect. Coverage under this policy will terminate on the effective date and hour stated on the cancellation notice. **Your** return premium, if any, will be calculated using the rules, rates and forms in effect, and on file if required, for our use in your state and refunded at the time of cancellation or as soon as possible. However, refund of unearned premium is not a condition of cancellation.

When this policy has been in effect for 60 days or more, or if it is a renewal with **us**, **we** may cancel this policy for one or more of the following reasons:

1. non-payment of premium;
2. the policy was obtained by material misrepresentation, fraud or concealment of material facts;

3. material misrepresentation, fraud or concealment of material facts in presenting a claim, or substantial violation of any of the policy terms;
4. there has been a substantial change or increase in hazard in the risk we originally accepted;
5. there is a substantial increase in hazards insured against by reason of willful or negligent acts or omission by the insured; or
6. any other reason approved by the Commissioner of Insurance according to rules and regulations set by the Commissioner.

Conditional Reinstatement

If **we** mail a cancellation notice because **you** did not pay the required premium when due and **you** then tender payment by check, draft, or other remittance which is not honored upon presentation, **your** policy will terminate on the date and time shown on the cancellation notice and any notice **we** issue which waives the cancellation or reinstates coverage is void. This means that **we** will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice.

Non-Renewal

We have the right to nonrenew this policy only at each anniversary of the original effective date. If **we** do not intend to renew the policy, **we** will mail **you** notice at least 60 days before the next anniversary date. **Our** right to nonrenew this policy is subject to the provisions of Pennsylvania Consolidated Statutes Section 40. P.S. § 991.2003.

Conformity To State Statutes

When any policy provision is in conflict with the law of the state in which the policy was issued, the law of the state applies.

What Law Will Apply

This policy is issued in accordance with the laws of Pennsylvania and covers property or risks principally located in Pennsylvania. Subject to the following paragraph, any and all claims or disputes in any way related to this policy shall be governed by the laws of Pennsylvania.

If a covered loss to the **motor home**, a covered **motor home** accident, or any other occurrence for which coverage applies under this policy happens outside Pennsylvania, claims or disputes regarding that covered loss to the **motor home**,

covered **motor home** accident, or other covered occurrence may be governed by the laws of the jurisdiction in which that covered loss to the **motor home**, covered **motor home** accident, or other covered occurrence happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy shall be brought, heard, and decided only in a state or federal court located in Pennsylvania. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy or involved in any other way with this policy, shall be brought, heard, and decided only in a state or federal court located in Pennsylvania, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss to the **motor home**, a covered **motor home** accident, or any other occurrence for which coverage applies under this policy happens outside Pennsylvania, lawsuits regarding that covered loss to the **motor home**, covered **motor home** accident, or other covered occurrence may also be brought in the judicial district where that covered loss to the **motor home**, covered **motor home** accident, or other covered occurrence happened.

Nothing in this provision, **Where Lawsuits May Be Brought**, shall impair any party's right to remove a state court lawsuit to a federal court.

Action Against Us

No one may bring an action against **us** unless:

- a) there is full compliance with all policy terms; and
- b) the action is commenced within one year of the date the cause of action accrues. However, if an action is in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under a particular coverage that is shown on the Policy Declarations, such action must be commenced within the time period specified in the **Action Against Us** provision of that particular coverage. If an action is brought asserting claims relating to the existence or amount of coverage, or the amount of loss for which coverage is sought, under different coverages of this policy, the claims relating to each coverage shall be treated as if they were separate actions for the purpose of the time limit to commence action.

Arbitration

Any claim or dispute in any way related to this policy, by a person insured under this policy against **us** or **us** against a person insured under this policy, may be resolved by arbitration only upon mutual consent of the parties.

Arbitration pursuant to this provision shall be subject to the following:

- a) no arbitrator shall have the authority to award punitive damages or attorney's fees;
- b) neither of the parties shall be entitled to arbitrate any claims or disputes in a representative capacity or as a member of a class; and
- c) no arbitrator shall have the authority, without the mutual consent of the parties, to consolidate claims or disputes in arbitration.

This provision shall not apply to claims or disputes to which the **Part 3, Uninsured and Underinsured Motorist Insurance, If We Cannot Agree** provisions apply.

We will repay an insured person for:

1. the cost of any bail bonds required due to an accident or traffic law violation involving the use of the insured **motor vehicle**. Payment will not exceed \$300 per bond. **We** have no obligation to apply for or furnish a bond.

2. An additional **motor home you** become the owner of during the policy period. This **motor home** will be covered only if **we** insure all other **motor homes you** own. **You** must notify **us** within 30 days of acquiring the **motor home** and pay any additional premium.
3. A substitute **motor home**, not owned by **you** or a **resident** relative, being temporarily used with the permission of the owner while **your** insured **motor home** is being serviced or repaired, or if **your** insured **motor home** is stolen or destroyed.

However, this exclusion does not apply while **you, your** chauffeur or domestic employee are using a **motor home** or trailer.

Financial Responsibility

When this policy is certified as proof under any Motor Vehicle Financial Responsibility law, the insurance under this part shall comply with the provisions of such law. This liability coverage will comply with the extent of liability coverage and limits required by the law.

Limits Of Liability

1. **Limited Tort Insurance**
If the Policy Declarations indicates **you** elected Limited Tort insurance for Coverage AA, **you** or any **resident** relative may seek compensation for economic loss sustained due to **bodily injury** in a covered **motor vehicle** accident. **You** or any **resident** relative are precluded from maintaining an action for any **noneconomic loss** unless the injury sustained is a **serious injury** or the at-fault person:

- a) is convicted of, or accepts Accelerated Rehabilitative Disposition for, driving under the influence of alcohol or a controlled substance in the accident; or
- b) is operating a **motor vehicle** registered in another state; or
- c) intends to injure himself or another person; or
- d) has not maintained financial responsibility.

You or any **resident** relative otherwise bound by the Limited Tort option shall retain full tort rights with respect to claims against a person in the business of designing, manufacturing, repairing, servicing or otherwise maintaining **motor vehicles**. Full tort rights will be retained by **you** or any **resident** relative for claims involving a **motor vehicle** which has a defect caused by, or not corrected by, an act or omission in the course of such a business, other than a defect in a **motor vehicle** which is operated by such business.

You or any **resident** relative otherwise bound by the Limited Tort option shall retain full tort rights if injured while an occupant of a **motor vehicle** other than a private passenger **motor vehicle**.

2. Full Tort Insurance

If the Policy Declarations indicates you elected Full Tort insurance for Coverage AA, **you** or any **resident** relative may seek compensation for **noneconomic loss** and economic loss sustained in a covered **motor vehicle** accident caused by another person.

- 3. The limits shown on the Policy Declarations are the maximum **we** will pay for any single **motor vehicle** accident. The limit stated for "each person" for bodily injury applies to damages arising out of **bodily injury** sustained by one person in any one occurrence, including damages sustained by anyone else as a result of that **bodily injury**. Subject to the limit for each person, the occurrence limit is **our** total limit of liability for legal damages for **bodily injury** sustained by two or more persons in any one occurrence. For property damage, the limit applies to legal damages arising from each occurrence.

The liability limits apply to each insured **motor home** as stated on the Policy Declarations. The insuring of more than one person or **motor home** under this policy will not increase **our** liability limits beyond the amount shown for any one **motor home**, even though a separate premium is charged for each **motor home**. The limits also will not be increased if **you** have other insurance policies that apply.

A **motor home** and attached trailer are considered one **motor home**.

If There Is Other Insurance

If an insured person is using a substitute **motor home** or non-owned **motor home**, **our** liability insurance will be excess over other collectible insurance. If more than one policy applies to an accident involving **your** insured **motor home**, **we** will bear **our** proportionate share with other collectible liability insurance.

Assistance And Cooperation Of The Insured

At **our** request, an insured person will:

- a) cooperate with **us** and assist **us** in any matter concerning a claim or suit;
- b) help **us** enforce any right of recovery against any person or organization who may be liable to an insured person;
- c) attend any hearing or trial;
- d) assist **us** by collecting and giving evidence and obtaining witnesses.

An insured person will not voluntarily pay any money, assume any obligations, or incur any expense, other than for first aid to others at the time of the loss as provided for in this policy.

Actions Against Us

No insured person may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 1—Motor Home Liability Insurance**, unless there is full compliance with all policy terms and such action is commenced no later than the last of the following to occur:

- a) one year after the date of the accident;
- b) one year after entry of final judgment or other court order terminating a lawsuit against the insured to determine the insured's liability or the amount of the insured's liability arising out of the accident; or
- c) one year after **we** agree to a settlement; or
- d) if **we** have denied coverage and the insured person has thereafter settled with the claimant without any lawsuit being filed to determine the insured's liability or the amount of the insured's liability arising out of the accident, within one year after the denial of coverage.

If the insured person is subjected to claims arising out of the same accident by more than one person claiming bodily injury or property damage, the time for the insured person to bring an action against **us** shall be determined separately as

to the coverage sought or provided with respect to the claims of each of those claiming against the insured person.

If liability has been determined by judgment after trial, or by written agreement among the insured, the other person, and **us**, then whoever obtains this judgment or agreement against an insured person may sue **us** up to the limits of this policy. However, no one has the right to join **us** in a suit to determine legal responsibility of an insured person.

Bankruptcy Or Insolvency

The bankruptcy or insolvency of an insured person will not relieve **us** of any obligation.

Policy Period; Territory

This coverage applies only to accidents which occur on or after October 1, 1984 during the policy period and within the United States of America, its territories and possessions or Canada.

Limits Of Liability

1. Our liability for benefits with respect to **bodily injury** to any one **eligible person** in any one **motor vehicle** accident is limited to the amount shown in the Policy Declarations; or

2. If the Policy Declarations show that Combination Package–Coverage CE applies, we will pay:

Benefit	Limit
Medical Expenses	Subject to Aggregate Limit.
Income Loss	Subject to Aggregate Limit.
Funeral Expenses	Subject to amount shown in the Policy Declarations.
Accidental Death	Subject to amount shown in the Policy Declarations.

The Aggregate Limit is shown in the Policy Declarations. The Aggregate Limit is the total amount payable for all benefits with respect to **bodily injury** to any one **eligible person** in any one **motor vehicle** accident for the expenses incurred within three years from the date of the accident. The limits shown in the Policy Declarations for Funeral Expenses and Accidental Death are included within the Aggregate Limit for Coverage CE and not in addition to the Aggregate Limit.

Benefits shall not be increased for any **eligible person** by adding together the limits of liability:

- a) under this policy because there are multiple **motor vehicles** covered under this policy, or
- b) under multiple **motor vehicle** policies covering an **eligible person** for the same loss.

Any amount payable by **us** under the terms of this coverage:

- a) for **medical expenses** greater than \$100,000 shall be excess over any amount paid or payable under the **Catastrophic Loss Trust Fund**, and
- b) for First Party Benefits shall be excess over all benefits that an **eligible person** receives or is entitled to receive under any workers' compensation law or similar law.

Priorities Of Policies

We will pay First Party Benefits in accordance with the following order of Priority. We will not pay if there is another insurer at a higher level of priority. The priority order is:

- First — The insurer providing benefits to the **eligible person** as a named insured.
- Second — The insurer providing benefits to the **eligible person** as a **relative** who is not a named insured under another policy proving coverage under the Pennsylvania Motor Vehicle Financial Responsibility Law.
- Third — The insurer of the **motor vehicle** which the **eligible person** is occupying at the time of the accident.
- Fourth — The insurer providing benefits on any **motor vehicle** involved in the accident if the **eligible person** is not (a) **occupying a motor vehicle**, and (b) provided coverage under any other policy.

The first category listed above is the highest level of priority and the fourth category listed above is the lowest level of priority.

If two or more policies have equal priority:

- a) the insurer against which the claim is first made shall process and pay the claim as if wholly responsible.
- b) the maximum recovery under all policies will not exceed the amount payable under the policy with the highest dollar limits of benefits.

For the purposes of determining priorities, an unoccupied parked **motor vehicle** is not a **motor vehicle** involved in an accident unless it was parked in a manner as to create an unreasonable risk of injury.

Conditions

1. **Action Against Us.** No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 2—First Party Benefits Coverage**, unless there is full compliance with all policy terms. If benefits have not been paid, such action must be commenced within four years after the date of the accident. If benefits have been paid, such action must

be commenced within four years after the date of the last payment.

2. **Notice.** If an accident occurs, written notice adequately identifying the **eligible person** and reasonably accessible facts concerning the time, place and circumstances of the accident shall be given as soon as practicable by or on behalf of each **eligible person** to us or any of our authorized agents.
3. **Medical Reports; Proof of Claim.** As soon as practicable the **eligible person**, or someone on his behalf, shall give us written proof of claim, under oath if required, fully describing the nature and extent of **bodily injury**, treatment and rehabilitation received and contemplated and other information to assist us in determining the amount due and payable.

Proof of claim shall be made upon forms furnished by us unless we fail to supply such forms within 15 days after receiving notice of claim.

The **eligible person** shall submit to mental and physical examinations by physicians selected by us when and as often as we may reasonable require. We will pay the costs of such examinations.

The **eligible person** (or, in the event of such person's incapacity or death, his legal representative) shall, if we request, sign papers to enable us to obtain medical reports and copies of records. A copy of such medical report will be forwarded to such **eligible person** upon his written request.

If benefits for **income loss** are claimed, the **eligible person** presenting such claim shall authorize us to obtain details of all earnings paid to him by an employer or earned by him since the time of the injury or during the year immediately preceding the date of the accident.

4. **Customary Charges For Treatment.** The amount we will pay a person or institution providing treatment, accommodations, products or services to an **eligible person** for an injury covered by **medical expense** benefits shall not exceed the amount the person or institution customarily charges for like treatment, accommodations, products and services in cases involving no insurance.
5. **Non-Duplication Of Benefits.** No **eligible person** shall recover duplicate benefits for the same elements of loss

under this or any other similar automobile insurance including self-insurance.

6. **Other Insurance.** If the **eligible person** is the **named insured**, a **relative**, or the occupant of an **insured motor vehicle**, we shall not be liable for a greater proportion of any loss than this policy's limit of liability bears to the sum of all limits of liability of all applicable insurance and self-insurance. The maximum recovery shall not exceed the amount payable under the insurance or self-insurance providing the highest dollar limit.

If the **eligible person** is not the **named insured**, a **relative**, or the occupant of an **insured motor vehicle**, our share shall be based on the number of **motor vehicles** involved in the accident.

If the Policy Declarations indicates **you** elected to stack limits for two or more insured **motor homes** together under Coverage SS, the following **Limits Of Liability** apply.

The Coverage SS limit shown on the Policy Declarations for:

- a) "each person" is the maximum that **we** will pay for damages arising out of **bodily injury** to one person in any one **motor vehicle** accident, including damages sustained by anyone else as a result of that **bodily injury**.

When the limits of two or more insured **motor homes** are stacked, **our** maximum limit of liability damages to **you** or a **resident** relative in any one accident is the sum of the "each person" limits for each insured **motor home** shown on the Policy Declarations.

- b) "each accident" is the maximum that **we** will pay for damages arising out of **bodily injury** to two or more persons in any one **motor vehicle** accident.

When the limits of two or more insured **motor homes** are stacked, subject to the limit for "each person," **our** maximum limit of liability for damages to two or more persons in any one accident is the sum of the "each accident" limits for each insured **motor home** shown on the Policy Declarations.

4. When The Limits Of Two Or More Insured Motor Homes May Not Be Stacked:

If the Policy Declarations indicates **you** did not elect to stack limits for two or more insured **motor homes** together under Coverage SS, the following **Limits Of Liability** apply.

The Coverage SS limit shown on the Policy Declarations for:

- c) vehicles involved in the accident.

5. If **bodily injury** is sustained in a **motor vehicle** accident by any person other than **you** or a **resident** relative, **our** maximum limit of liability is the limit of liability shown on the Policy Declarations applicable to the vehicle the insured person was occupying at the time of the **motor vehicle** accident. This is the most **we** will pay regardless of the number of:

1. When The Limits Of Two Or More Insured Motor Homes May Be Stacked:

If the insured person was in, on, getting into or out of a vehicle **you** do not own which is insured for this coverage under another policy, this coverage will be excess. This means that when the insured person is legally entitled to recover damages in excess of the other policy limit, **we** will pay up to **your** policy limit, but only after all other collectible insurance has been exhausted.

If more than one policy applies to a **motor vehicle** accident on a primary basis, **we** will bear **our** proportionate share, as it applies to the total limits available, up to the full limits of liability for this coverage under this policy.

2. When The Limits Of Two Or More Insured Motor Homes May Not Be Stacked:

If the insured person was in, on, getting into or out of a vehicle **you** do not own which is insured for this coverage under another policy, this coverage will be excess. This means that when the insured person is legally entitled to recover damages in excess of the other policy limit, **we** will pay up to **your** policy limit, but only after the other insurance has been exhausted.

If more than one policy applies to the **motor vehicle** accident on a primary basis, the total benefits payable to any one person will not exceed the maximum benefits payable by the policy with the highest limit for uninsured motorists benefits. **We** will bear **our** proportionate share, as it applies to the total limits available, up to the full limits of liability for this coverage under this policy. This applies no matter how many vehicles or insurance policies may be involved whether written by **us** or not.

Proof Of Claim; Medical Reports

As soon as possible, **you** or any other person making claim must give **us** written proof of claim including all details reasonably required by **us** to determine the amounts payable.

The injured person may be required to take physical examinations by physicians selected by **us**, as often as **we** reasonably require. The injured person or his representative must authorize **us** to obtain medical reports and copies of records.

- b) help **us** enforce any right of recovery against any person or organization who may be liable to an insured person;
- c) attend any hearing or trial;
- d) assist **us** by collecting and giving evidence and obtaining witnesses.

Trust Agreement

When **we** pay any person under this coverage:

1. **We** are not entitled to repayment until after the person **we** have paid under this coverage has been compensated for all damages that person was legally entitled to recover. **We** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from any responsible party or insurer.
2. All rights of recovery against any responsible party or insurer must be maintained and preserved for **our** benefit.
3. If **we** ask, injured persons must take appropriate action in their names to recover damages from any responsible party or insurer. **We** will select the attorney and pay all related costs and fees. **We** will not ask the injured person to sue the insured of any insolvent insurer or any insurer involved in insolvency proceedings.

Our Payment Of Loss

Any amount due is payable to the injured person, to the parent or guardian of an injured minor, or to the spouse of any injured person who dies. However, **we** may pay any person lawfully entitled to recover the damages.

Action Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 3—Uninsured Motorists Insurance**, unless there is full compliance with all policy terms and such action is commenced within four years after the date of the accident.

If any insured person sues a person believed responsible for the accident without **our** written consent, **we** are not bound by any resulting judgment.

If We Cannot Agree

If the insured person and **we** do not agree on that person's right to receive damages or on the amount, then upon mutual consent, the disagreement will be settled by arbitration. Unless **you** and **we** agree otherwise, arbitration will take place in the county in which **your** address shown on the Policy Declarations is located. If the insured person and **we** do not agree to arbitrate, then the disagreement will be resolved in a court of competent jurisdiction. Any and all lawsuits related in any way to this coverage shall be brought, heard, and decided in the county in which **your** address shown on the Policy Declarations is located. The following issues may be arbitrated:

1. Whether an insured person is legally entitled to recover damages from the owner or operator of an uninsured auto because of **bodily injury** to the insured person; or
2. The amount of damages to which an insured person is legally entitled due to **bodily injury**, subject to the limits of liability as determined by the terms and conditions of this policy.

The arbitrators will not have the power to decide any dispute regarding the nature or the amount of the coverage provided by the policy or claims for damages outside the terms of the policy, including, but not limited to, claims for bad faith, fraud, misrepresentation, punitive or exemplary damages, attorney fees and/or interest. Neither of the parties shall be entitled to arbitrate any claims in a representative capacity or as a member of a class. No arbitrator shall have the authority, without the mutual consent of the parties, to consolidate claims in arbitration. Arbitration will take place under the rules of the Pennsylvania Uniform Arbitration Act of 1927 or as agreed to by the parties. All expenses of the arbitration will be shared equally. However, attorney fees and fees paid to medical and other expert witnesses are not considered

arbitration expenses. These costs will be paid by the party incurring them.

No one may pursue arbitration under **Part 3—Uninsured Motorists Insurance** unless there is full compliance with all policy terms. No one may pursue arbitration under **Part 3—Uninsured Motorists Insurance** unless the demand for arbitration is made within four years after the date of the accident.

The Coverage SU limit shown on the Policy Declarations for:

- a) "each person" is the maximum that **we** will pay for damages arising out of **bodily injury** to one person in any one **motor vehicle** accident, including damages sustained by anyone else as a result of that **bodily injury**.
- b) "each accident" is the maximum that **we** will pay for damages arising out of **bodily injury** to two or more persons in any one **motor vehicle** accident.

These limits are the maximum **we** will pay for any one **motor vehicle** accident regardless of the number of:

- a) claims made;
- b) vehicles or persons stated on the Policy Declarations; or
- c) vehicles involved in the accident.

5. If **bodily injury** is sustained in a **motor vehicle** accident by any person other than **you** or a **resident** relative, **our** maximum limit of liability is the limit of liability shown on

the Policy Declarations applicable to the vehicle the insured person was occupying at the time of the **motor vehicle** accident. This is the most **we** will pay regardless of the number of:

- a) claims made;
- b) vehicles or persons shown on the Policy Declarations; or
- c) vehicles involved in the **motor vehicle** accident;

whether the Policy Declarations indicates stacking or non-stacking of limits. The Underinsured Motorists Insurance–Coverage SU limits apply to each insured **motor vehicle** as shown on the Policy Declarations.

6. **We** are not obligated to make any payment for **bodily injury** under this coverage which arises out of the use of an underinsured **motor vehicle** until after the limits of liability for all motor vehicle liability protection in effect and applicable at the time of the accident have been exhausted by payment of judgments or settlements.
7. Subject to the above limits of liability, damages but not limits payable will be reduced by:
 - a) All amounts paid by the owner or operator of the underinsured **motor vehicle** or anyone else responsible. This includes all sums paid under the bodily injury liability coverage of this or any other policy.
 - b) All amounts paid or payable under any Personal Injury Protection, any First Party Benefits Coverage, any motor vehicle medical payments coverage and any other sources of benefits specified under Section 1722 of Title 75 of the Pennsylvania Consolidated Statutes.

Non-Duplication Of Benefits

No injured person will recover duplicate benefits for the same elements of loss under this or any other underinsured motorists coverage including approved plans of self-insurance or First Party Benefits Coverage.

If There Is Other Insurance

1. **When The Limits Of Two Or More Insured Motor Homes May Be Stacked:**

If the insured person was in, on, getting into or out of a vehicle **you** do not own which is insured for this coverage under another policy, this coverage will be excess. This means that when the insured person is legally entitled to recover damages in excess of the other policy limit, **we**

will pay up to **your** policy limit, but only after all other collectible insurance has been exhausted.

If more than one policy applies to the accident on a primary basis, **we** will bear **our** proportionate share, as it applies to the total limits available, up to the full limits of liability for this coverage under this policy.

2. **When The Limits Of Two Or More Insured Motor Homes May Not Be Stacked:**

If the insured person was in, on, getting into or out of a vehicle **you** do not own which is insured for this coverage under another policy, this coverage will be excess. This means that when the insured person is legally entitled to recover damages in excess of the other policy limit, **we** will pay up to **your** policy limit, but only after all other collectible insurance has been exhausted.

If more than one policy applies to the accident on a primary basis, the total benefits payable to any one person will not exceed the maximum benefits payable by the policy with the highest limit for underinsured motorists benefits. **We** will bear **our** proportionate share, as it applies to the total limits available, up to the full limits of liability for this coverage under this policy. This applies no matter how many vehicles or insurance policies may be involved whether written by **us** or not.

Proof Of Claim; Medical Reports

As soon as possible, **you** or any other person making claim must give **us** written proof of claim including all details reasonably required by **us** to determine the amounts payable.

The injured person may be required to take physical examinations by physicians selected by **us**, as often as **we** reasonably require. The injured person or his representative must authorize **us** to obtain medical reports and copies of records.

Assistance And Cooperation

At **our** request, an insured person will:

- a) cooperate with **us** and assist **us** in any matter concerning a claim or suit;
- b) help **us** enforce any right of recovery against any person or organization who may be liable to an insured person;
- c) attend any hearing or trial;
- d) assist **us** by collecting and giving evidence and obtaining witnesses.

An insured person will not voluntarily pay any money, assume any obligations, or incur any expense, other than for first aid to others at the time of the loss as provided for in this policy.

Trust Agreement

When **we** pay any person under this coverage:

1. **We** are not entitled to repayment until after the person **we** have paid under this coverage has been compensated for all damages that person, was legally entitled to recover. **We** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from any responsible party or insurer.
2. All rights of recovery against any responsible party or insurer must be maintained and preserved for **our** benefit.
3. If **we** ask, injured persons must take appropriate action in their names to recover damages from any responsible party or insurer. **We** will select the attorney and pay all related costs and fees. **We** will not ask the injured person to sue the insured of any insolvent insurer or any insurer involved in insolvency proceedings.

Our Payment Of Loss

Any amount due is payable to the injured person, to the parent or guardian of an injured minor, or to the spouse of any injured person who dies. However, **we** may pay any person lawfully entitled to recover the damages.

Action Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 3—Underinsured Motorists Insurance**, unless there is full compliance with all policy terms and such action is commenced within four years after the date of the accident.

If any insured person sues a person believed responsible for the accident without **our** written consent, **we** are not bound by any resulting judgment.

If We Cannot Agree

If the insured person and **we** do not agree on that person's right to receive damages or on the amount, then upon mutual consent, the disagreement will be settled by arbitration. Unless **you** and **we** agree otherwise, arbitration will take place in the county in which **your** address shown on the

Policy Declarations is located. If the insured person and **we** do not agree to arbitrate, then the disagreement will be resolved in a court of competent jurisdiction. Any and all lawsuits related in any way to this coverage shall be brought, heard, and decided in the county in which **your** address shown on the Policy Declarations is located. The following issues may be arbitrated:

1. Whether an insured person is legally entitled to recover damages from the owner or operator of an underinsured auto because of **bodily injury** to the insured person; or
2. The amount of damages to which an insured person is legally entitled due to **bodily injury**, subject to the limits of liability as determined by the terms and conditions of this policy.

The arbitrators will not have the power to decide any dispute regarding the nature or the amount of the coverage provided by the policy or claims for damages outside the terms of the policy, including, but not limited to, claims for bad faith, fraud, misrepresentation, punitive or exemplary damages, attorney fees and/or interest. Neither of the parties shall be entitled to arbitrate any claims in a representative capacity or as a member of a class. No arbitrator shall have the authority, without the mutual consent of the parties, to consolidate claims in arbitration. Arbitration will take place under the rules of the Pennsylvania Uniform Arbitration Act of 1927 or as agreed to by the parties. All expenses of the arbitration will be shared equally. However, attorney fees and fees paid to medical and other expert witnesses are not considered arbitration expenses. These costs will be paid by the party incurring them.

No one may pursue arbitration under **Part 3—Underinsured Motorists Insurance** unless there is full compliance with all policy terms. No one may pursue arbitration under **Part 3—Underinsured Motorists Insurance** unless the demand for arbitration is made within four years after the date of the accident.

Right To Appraisal

If **you** and **we** fail to agree on the amount of loss, either party may make written demand for an appraisal. Upon such demand, each party must select a competent and impartial appraiser and notify the other of the appraiser's identity within 20 days after the demand is received. The appraisers will select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, **you** or **we** can ask a judge of a court of record in the state where the insured **motor home** is registered to select an umpire.

The appraisers shall then determine the amount of loss, stating separately the actual cash value and amount of loss to each item. If the appraisers submit a written report of an agreement to **you** and to **us**, the amount agreed upon shall be the amount of loss. If they cannot agree, they will submit their differences to the umpire. A written award agreed upon by the appraisers or an appraiser and the umpire will determine the amount of loss.

Our Payment Of Loss

We may pay for the loss in money, or may repair or replace the damaged or stolen property. **We** may, at any time before the loss is paid or property is replaced, return at **our** own expense any stolen property, either to **you** or at **our** option to the address shown on the Policy Declarations, with payment for any resulting damage. **We** may take all or part of the property at the agreed or appraised value. **We** may settle any claim or loss either with **you** or the owner of the property.

Limits Of Liability

Our limit of liability is the least of:

1. the actual cash value of the property or damaged part of the property at the time of loss, which may include a deduction for depreciation; or
2. the cost to repair or replace the property or part to its physical condition at the time of loss.
This may include using:
 - a) parts produced by or for the vehicle's manufacturer; or
 - b) parts from other sources, subject to states laws and regulations that apply. These may include,

3. \$500, if the loss is to a covered trailer not described on the Policy Declarations.

Any applicable deductible amount is then subtracted.

If **we**, at **our** option, elect to pay for the cost to repair or replace the property or part, **our** liability does not include any decrease in the property's value, however measured, resulting from the loss and/or repair or replacement. If repair or replacement results in the betterment of the property or part, **you** may be responsible, subject to applicable state laws and regulations, for the amount of the betterment.

A **motor home** and attached trailer are considered separate vehicles, and **you** must pay the deductible, if any, on each.

When more than one coverage is applicable to the loss, **you** may recover under the broadest coverage but not both.

If There Is Other Insurance

If there is other insurance covering the loss at the time of the accident, **we** will pay only **our** share of any damages. **Our** share is determined by adding the limits of this insurance to the limit of all other insurance that applies on the same basis and finding the percentage of the total that **our** limits represent.

When this insurance covers a substitute **motor home** or non-owned **motor home**, **we** will pay only after all other collectible insurance has been exhausted.

When this insurance covers a replacement **motor home** or additional **motor home**, this policy will not apply if **you** have other collectible insurance.

Action Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 4—Protection Against Loss To The Motor Home**, unless there is full compliance with all policy terms and such action is commenced within one year after the date of loss.

Subrogation Rights

When **we** pay, **your** rights of recovery from anyone else become **ours** up to the amount **we** have paid. **You** must protect these rights and help **us** enforce them.

What You Must Do If There Is A Loss

1. As soon as possible, any person making a claim must give **us** written proof of loss. It must include all details reasonably required by **us**. **We** have the right to inspect the damaged property. **We** may require any person making claim to file with **us** a sworn proof of loss. **We** may also require that person to submit to examinations under oath.
2. Protect the **motor home** from further loss. **We** will pay reasonable expenses to guard against further loss. If **you** do not protect the **motor home**, further loss is not covered.
3. Report all theft losses promptly to the police.

Loss Payable Clause

If a Lienholder and/or Lessor is shown on the Policy Declarations, **we** may pay loss or damage under this policy to **you** and the Lienholder and/or Lessor as its interest may appear, except:

1. Where fraud, misrepresentation, material omission, or intentional damage has been committed by or at the direction of **you**.
2. When the vehicle(s) is intentionally damaged, destroyed or concealed by or at the direction of **you** or any owner.
3. When **you** or any owner makes fraudulent statement(s) or engages in fraudulent conduct in connection with any accident or loss for which coverage is sought.

The Lienholder and/or Lessor must notify **us** of any change in ownership or hazard that is known.

If **you** or any owner fails to render proof of loss within the time granted in the policy, the Lienholder and/or Lessor must do so within sixty days in the form and manner described in the policy. The Lienholder and/or Lessor are subject to the provisions of the policy relating to appraisal, time of payment and bringing suit.

We may cancel this policy according to its terms. **We** will notify the Lienholder and/or Lessor at least ten days prior to the date of cancellation that the cancellation is effective as to the interest of the Lienholder and/or Lessor.

Whenever **we** pay the Lienholder and/or Lessor any sum for loss or damage under this policy, **we** will be subrogated

to the extent of payment to the rights of the party to whom payment was made. However, these subrogation provisions must in no way impair the rights of the Lienholder and/or Lessor to recover the full amount of its claim from the insured.

The Lienholder and/or Lessor has no greater rights under the provisions of the policy than the insured.
