In return, **you** must pay the premium when due and comply with the policy terms and conditions, and inform **us** of any change in title, use or occupancy of the **residence premises**.

Subject to the terms of this policy, the Policy Declarations shows the location of the **residence premises**, applicable coverages, limits of liability and premiums. The policy applies only to losses or **occurrences** that take place during the policy period. The policy period is shown on the Policy Declarations. This policy is not complete without the Policy Declarations.

The terms of this policy impose joint obligations on the person named on the Policy Declarations as the insured and on that person's resident spouse. These persons are defined as **you** or **your**. Agreements We Make With You

We make the following agreements with **you**:

Conformity To State Statutes

When the policy provisions conflict with the statutes of the state in which the **residence premises** is located, the provisions are amended to conform to such statutes.

Coverage Changes

When **we** broaden coverage during the premium period without charge, **you** have the new features if **you** have the coverage to which they apply. Otherwise, the policy can be changed only by endorsement.

The coverage provided and the premium for the policy is based on information **you** have given **us**. **You** agree to cooperate with **us** in determining if this information is correct and complete. **You** agree that if this information changes, is incorrect or incomplete, **we** may adjust **your** coverage and premium accordingly during the policy period.

Any calculation of **your** premium or changes in **your** coverage will be made using the rules, rates and forms on file, if required, for **our** use in **your** state.

The rates in effect at the beginning of **your** current premium period will be used to calculate any change in **your** premium.

Policy Transfer

You may not transfer this policy to another person without **our** written consent.

Continued Coverage After Your Death

If **you** die, coverage will continue until the end of the premium period for:

1. **Your** legal representative while acting as such, but only with respect to the **residence premises** and property covered under this policy on the date of **your** death;
2. An **insured person**, and any person having proper temporary custody of **your** property until a legal representative is appointed and qualified.

Renewal

If **we** intend to renew **your** policy, **we** will mail **you** an offer to renew **your** policy at least 45 days before the end of the policy period.

Cancellation

Your Right to Cancel:

You may cancel this policy by notifying **us** of the future date **you** wish to stop coverage.

Our Right to Cancel:

We may cancel this policy by mailing notice to **you** at the mailing address shown on the Policy Declarations. When this policy has been in effect for less than 90 days, and it is not a renewal with **us**, **we** may cancel this policy for any reason. If the cancellation is for non-payment of premium, **we** will give **you** at least 10 days' notice. If the cancellation is for any other reason, **we** will give **you** at least 20 days' notice. If **you** have had a policy with **us** or an affiliate company that insured the same **residence premises** as this policy for a period of at least five years prior to the date of cancellation, **we** will give **you** at least 180 days' notice, unless the cancellation is for non-payment of premium. If the cancellation is for non-payment of premium, **we** will give **you** at least 10 days' notice.

When this policy has been in effect for 90 days or less, **we** may cancel for any reason, except **we** may not cancel:

1. on the basis of property insurance claims that are the result of an Act of God, unless **we** can demonstrate, by claims frequency or otherwise, that **you** have failed to take action reasonably necessary as requested by **us** to prevent recurrences of damage to the insured property.
2. on the basis of filing claims for partial loss caused by sinkhole damage or clay shrinkage, regardless of whether this policy has been the subject of a sinkhole damage or clay shrinkage claim, or on the basis of the risk associated with the occurrence of such claim. However, **we** may cancel this policy if:
 - a) the total of such property claim payments for this policy exceeds the current policy limits of coverage for **property damage**; or
 - b) **you** have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.

3. on the basis of a single claim on a property insurance policy which is the result of water damage unless **we** can demonstrate **you** have failed to take action reasonably requested by **us** to prevent a future similar occurrence of damage to the insured property.

When this policy has been in effect for 90 days or more, or if it is a renewal with **us**, **we** may cancel this policy for one or more of the following reasons:

1. non-payment of premium;
2. the policy was obtained by misrepresentation, fraud or concealment of material facts;
3. there has been substantial change or increase in hazard in the risk **we** originally accepted;
4. material misstatement; or
5. **we** have mailed notice within the first 90 days that **we** do not intend to continue the policy.

If the cancellation is for non-payment of premium, **we** will give **you** at least 10 days' notice. If the cancellation is for any other reason, **we** will give **you** at least 180 days' notice or if the cancellation would be effective between June 1 and November 30, **we** will give **you** at least 180 days' notice or notice by June 1, whichever is earlier.

If the cancellation is for non-payment of premium by **your** mortgage lender and the premium payment made is not more than 90 days overdue, **we** shall reinstate the insurance policy, retroactive to the date of cancellation.

Our mailing the notice of cancellation to **you** will be deemed proof of notice. Coverage under this policy will terminate on the effective date and time stated on the cancellation notice. **Your** return premium, if any, will be calculated on a pro rata basis and refunded at the time of cancellation or within 15 working days after the effective date of cancellation. Any unearned premium amounts under \$5.00 will be refunded only upon **your** request. However, refund of unearned premium is not a condition of cancellation.

Our Right Not to Renew or Continue:

We have the right not to renew or continue this policy beyond the current premium period. If **we** do not intend to continue or renew the policy, **we** will give **you** notice at least 180 days before the end of the premium period or, for any non-renewal that would be effective between June 1 and November 30, **we** will give **you** notice at least 180 days before the end of the premium period or notice by June 1, whichever is earlier. **Our** mailing the notice of non-renewal to **you** will be deemed proof of notice.

We may non-renew or discontinue this policy for any reason, except:

1. on the basis of property insurance claims that are the result of an Act of God, unless **we** can demonstrate, by claims frequency or otherwise, that **you** have failed to take action reasonably necessary as requested by **us** to prevent recurrences of damage to the insured property.
2. on the basis of filing claims for partial loss caused by sinkhole damage or clay shrinkage, regardless of whether this policy has been the subject of a sinkhole damage or clay shrinkage claim, or on the basis of the risk associated with the occurrence of such claim. However, **we** may non-renew or discontinue this policy if:

- a) the total of such property claim payments for this policy exceeds the current policy limits of coverage for **property damage**; or
 - b) **you** have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.
3. on the basis of a single claim on a property insurance policy which is the result of water damage unless **we** can demonstrate **you** have failed to take action reasonably requested by **us** to prevent a future similar occurrence of damage to the insured property.

Concealment Or Fraud

This policy is void if it was obtained by misrepresentation, fraud or concealment of material facts. If it is determined that this policy is void, all premiums paid will be returned to **you** since there has been no coverage under this policy.

We do not cover any loss or **occurrence** in which any **insured person** has concealed or misrepresented any material fact or circumstance.

What Law Will Apply

This policy is issued in accordance with the laws of Florida and covers property or risks principally located in Florida. Subject to the following paragraph, the laws of Florida shall govern any and all claims or disputes in any way related to this policy.

If a covered loss to property, or any other **occurrence** for which coverage applies under this policy happens outside Florida, claims or disputes regarding that covered loss to property, or any other covered **occurrence** may be governed by the laws of the jurisdiction in which that covered loss to property, or other covered **occurrence** happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy, shall be brought, heard and decided only in a state or federal court located in Florida. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy, or otherwise related to this policy, shall be brought, heard and decided only in a state or federal court located in Florida, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss to property, or any other **occurrence** for which coverage applies under this policy happens outside Florida, lawsuits regarding that covered loss to property, or any other covered **occurrence** may also be brought in the judicial district where that covered loss to property, or any other covered **occurrence** happened.

Nothing in this provision, **Where Lawsuits May Be Brought**, shall impair any party's right to remove a state court lawsuit to a federal court.

We will pay up to an additional 5% of the limit of liability shown on the Policy Declarations under **Dwelling Protection-Coverage A** for loss to trees, shrubs, plants and lawns at the address of the **residence premises**. **We** will not pay more than \$500 for any one tree, shrub or plant including expenses incurred for removing debris. This coverage does not increase the limit of liability applying to the damaged property.

10. **Building Codes**

The limit of liability for **Building Codes** coverage is shown on **your** Policy Declarations as a percentage of the limit of liability for **Dwelling Protection-Coverage A**. **We** will pay up to the limit of liability for **Building Codes** coverage to comply with applicable laws regulating the construction, use or repair of any property or requiring the tearing down of any property after a covered loss to covered **building structures** and when the repair or replacement results in increased costs due to the enforcement of these laws. Such coverage shall include the removing of debris and shall apply only to repairs of the damaged portion of the covered **building structure**, unless the total damage to the covered **building structure** exceeds 50% of the replacement cost of the covered **building structure**. The amount of insurance provided by this coverage is a separate limit of liability, and is the maximum **we** will pay for any one loss.

This protection does not change the limit of liability that applies to the covered property.

- f) as often as **we** reasonably require:
 - 1) show **us** the damaged property.
 - 2) at **our** request, submit to examinations under oath, separately and apart from any other person defined as **you** or **insured person** and sign a transcript of the same.
 - 3) produce representatives, employees, members of the insured's household or others to the extent it is within the **insured person's** power to do so; and
- g) within 60 days after the loss, give **us** a signed, sworn proof of the loss. This statement must include the following information:
 - 1) the date, time, location and cause of loss;
 - 2) the interest **insured persons** and others have in the property, including any encumbrances;

 - 6) at **our** request, the specifications of any damaged **building structure** or other structure;

- 7) evidence supporting any claim under the **Credit Card, Bank Fund Transfer Card, Check Forgery And Counterfeit Money** protection. State the cause and amount of loss.

4. How We Pay For A Loss

Within 90 days after **we** receive notice of a claim under **Dwelling Protection–Coverage A, Other Structures Protection–Coverage B or Personal Property Protection–Coverage C** from **you**, **we** shall pay or deny such claim or a portion of the claim unless the failure to pay such claim or a portion of the claim is caused by factors beyond **our** control which reasonably prevents such payment. Claims will be paid within 20 days of written agreement between **you** and **us**.

Under **Dwelling Protection–Coverage A, Other Structures Protection–Coverage B, and Personal Property Protection–Coverage C**, payment for a covered loss will be by one or more of the following methods:

a) Actual Cash Value Method

Except as provided in the **Building Structure Replacement Cost Method** or **Personal Property Replacement Cost Method** provisions, payment for a covered loss will be on an actual cash value basis. This means there may be a deduction for depreciation. Payment will not exceed the limit of liability shown on the Policy Declarations for the coverage that applies to the damaged, destroyed or stolen property, regardless of the number of items involved in the loss.

b) Building Structure Replacement Cost Method

Except as otherwise provided below, payment for a covered loss under **Dwelling Protection–Coverage A** and **Other Structures Protection–Coverage B** will be on a replacement cost basis, meaning that the amount **we** pay **you** for the repair, rebuilding or replacement of the damaged, destroyed or stolen covered property will not include a deduction for depreciation. When **we** make payment on a replacement cost basis, **our** payment will not be conditioned on **you** actually repairing, rebuilding or replacing the damaged, destroyed or stolen covered property.

In the event of a covered loss caused by **sinkhole activity**, payment to repair, rebuild or replace the damaged or destroyed **dwelling** or **building structure** will be on an actual cash value basis until **you** enter into a contract for the performance of building stabilization or foundation repairs. Payment on an actual cash value basis means there may be a deduction for depreciation. Once **you** enter into a contract for the performance of building stabilization or foundation repairs, **we** shall pay the additional amounts necessary to begin and perform the repairs, rebuilding or replacement of the damaged or destroyed **dwelling** or **building structure**, including the foundation, as the work is performed and the expenses are incurred. If repair has begun and the engineer selected or approved by **us** determines that the repair cannot be completed within the appropriate limits of liability, **we** must either pay to complete the engineer's recommended repair or pay **you** the

appropriate limits of liability without a reduction for the repairs or expenses incurred.

For direct physical losses caused by **sinkhole activity**, other than total losses, payment includes the reasonable and necessary cost to replace, rebuild, stabilize or otherwise restore the earth necessary to support that part of the **dwelling or building structure**, including the foundation, sustaining a covered loss caused by **sinkhole activity**, but only if **you** enter into a contract to stabilize the earth in a manner consistent with the recommendations of the engineer **we** select or approve. Payments under such contract will be made in consultation with **you**.

Payment also includes the reasonable and necessary cost to treat or remove and dispose of contaminants, toxins or pollutants as required to complete repair or replacement of that part of a **building structure** damaged by a covered loss.

This payment shall not include any amounts which may be paid or payable under **Section I Conditions, Mold, Fungus, Wet Rot And Dry Rot Remediation As A Direct Result Of A Covered Water Loss**, and shall not be payable for any losses excluded in **Section I—Your Property**, under **Losses We Do Not Cover Under Coverages A and B**, item 24.

Our payment under this **Building Structure Replacement Cost Method** provision will not exceed the smallest of the following amounts:

- 1) the reasonable and necessary cost to replace the damaged part(s) of the **building structure(s)** with equivalent construction for similar use on the same **residence premises**;
- 2) the reasonable and necessary cost to repair the damaged part(s) of the **building structure(s)** with equivalent construction for similar use on the same **residence premises**;
- or
- 3) either:
 - i) the limit of liability applicable to the **building structure(s)** as shown on the Policy Declarations for **Dwelling Protection—Coverage A or Other Structures Protection—Coverage B**, regardless of the number of **building structures** and structures other than **building structures** involved in the loss; or
 - ii) 120% of the limit of liability applicable to the **building structure(s)** as shown on the Policy Declarations for **Dwelling Protection—Coverage A or Other Structures Protection—Coverage B**, regardless of the number of **building structures** and structures other than **building structures** involved in the loss.

This sub-item b)3)ii) will only apply if:

- (a) **you** have paid the additional premium to purchase **Building Structure Replacement Cost Method Extended Limits**;

- (b) the Policy Declarations indicates that **Building Structure Replacement Cost Method Extended Limits** applies; and
- (c) at the time of a covered loss, the following requirements below are met:
 - (1) **You** insure **your dwelling**, attached structures and detached **building structures** to 100% of replacement cost as determined by:
 - (i) **our** estimate completed and based on the accuracy of information **you** furnished; or
 - (ii) **our** inspection of **your residence premises**;
 - (2) **You** have accepted the **Property Insurance Adjustment** condition, agree to accept each annual adjustment in the **Dwelling Protection—Coverage A** limit of liability and pay any additional premium charged; and
 - (3) **You** notify **us** within 60 days of the start of any modifications that increase the aggregate value of **your dwelling**, attached structures and detached **building structures** at the **residence premises** by \$5,000 or more, and pay any resulting additional premium due for the increase in value.

If **you** fail to meet any of these three requirements at the time of a covered loss then sub-item b)3)ii) will not apply.

If **you** replace the damaged **building structure(s)** at an address other than shown on the Policy Declarations through construction of a new structure or purchase of an existing structure, such replacement will not increase the amount payable under this **Building Structure Replacement Cost Method** provision. The amount payable under this **Building Structure Replacement Cost Method** provision does not include the value of any land associated with the replacement structure(s).

This **Building Structure Replacement Cost Method** provision will not apply to:

- 1) property covered under **Personal Property Protection—Coverage C**;
- 2) property covered under **Other Structures Protection—Coverage B** that is not a **building structure**;
- 3) any building or **building structure** covered under **Other Structures Protection—Coverage B** where the roof coverings or exterior walls are of screen, fabric, thatch, lattice, slats or similar material;
- 4) wall-to-wall carpeting and fences whether or not fastened or attached to a **building structure**;

- 5) pools, awnings and outdoor antennas which are not attached to a **building structure** or which are attached to a **building structure** other than the **dwelling**; and
- 6) land.

However, this **Building Structure Replacement Cost Method** provision will apply to:

- 1) any building or attached **building structure** covered under **Dwelling Protection–Coverage A** where the roof coverings or exterior walls are of screen, fabric, thatch, lattice, slats or similar material; and
- 2) pools, awnings and outdoor antennas which are attached to the **dwelling**.

Payment under **Section I Conditions**, item 5., **How We Pay For A Loss**, sub-items a) **Actual Cash Value Method** or b) **Building Structure Replacement Cost Method** above will not include any increased cost due to the enforcement of building codes, ordinances or laws regulating the construction, reconstruction, maintenance, repair, relocation or demolition of **building structures** or other structures except as provided under **Section I, Additional Protection**, item 10., **Building Codes**.

c) **Personal Property Replacement Cost Method**

When the Policy Declarations shows that Personal Property Payment provision applies under **Personal Property Protection–Coverage C**, and except as otherwise provided below, payment for a covered loss under **Personal Property Protection–Coverage C** will be on a replacement cost basis, meaning that the amount **we** pay **you** for the repair, rebuilding or replacement of the damaged, destroyed or stolen covered property will not include a deduction for depreciation. When **we** make payment on a replacement cost basis, **our** payment will not be conditioned on **you** actually repairing, rebuilding or replacing the damaged, destroyed or stolen covered property.

Our payment under this **Personal Property Replacement Cost Method** provision will not exceed the smallest of the following amounts:

- 1) the reasonable and necessary cost to replace the property with similar property of like kind and quality;
- 2) the reasonable and necessary cost to repair the property with similar property of like kind and quality; or
- 3) the limit of liability shown on the Policy Declarations for **Personal Property Protection–Coverage C**, or any special limit of liability described in the policy, regardless of the number of items of personal property involved in the loss.

This **Personal Property Replacement Cost Method** provision will not apply to:

- 1) property insured under **Dwelling Protection–Coverage A** and **Other Structures Protection–Coverage B**, except wall-to-wall carpeting;

- 2) antiques, fine arts, paintings, statuary and similar articles which, by their inherent natures, cannot be replaced;
- 3) articles whose age or history contribute substantially to their value. This includes but is not limited to memorabilia, souvenirs and collector's items; or
- 4) property that was obsolete or unusable for the originally intended purpose because of age or condition prior to the loss.

5. **Our Settlement Of Loss**

We will settle any covered loss with **you** unless another payee is named in the policy. **We** will settle within 20 days after the amount of loss is finally determined. This amount may be determined by an agreement between **you** and **us**, an appraisal award or a court judgment.

6. **Appraisal**

If **you** and **we** fail to agree on the amount of loss, either party may make written demand for an appraisal. Upon such demand, each party must select a competent and impartial appraiser and notify the other of the appraiser's identity within 20 days after the demand is received. The appraisers will select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, **you** or **we** can ask a judge of a court of record in the state where the **residence premises** is located to select an umpire.

The appraisers shall then determine the amount of loss, stating separately the actual cash value and the amount of loss to each item. If the appraisers submit a written report of an agreement to **you** and to **us**, the amount agreed upon shall be the amount of loss. If they cannot agree, they will submit their differences to the umpire. A written award agreed upon by any two will determine the amount of loss.

Each party will pay the appraiser it chooses, and equally bear expenses for the umpire and all other appraisal expenses.

7. **Abandoned Property**

We are not obligated to accept any property or responsibility for any property abandoned by an **insured person**.

8. **Permission Granted To You**

- a) The **residence premises** may be vacant or unoccupied for any length of time, except where a time limit is indicated in this policy for specific perils. A **building structure** under construction is not considered vacant.
- b) **You** may make alterations, additions or repairs, and **you** may complete structures under construction.

9. **Our Rights To Recover Payment**

When **we** pay for any loss, an **insured person's** right to recover from anyone else becomes **ours** up to the amount **we** have paid. An **insured person** must protect these rights and help **us** enforce them. **You** may waive **your** rights to recover against another person for loss involving the property covered by this policy. This waiver must be in writing prior to the date of loss.

10. **Our Rights To Obtain Salvage**

We have the option to take all or any part of the damaged or destroyed covered property upon replacement by **us** or payment of the agreed or appraised value.

We will notify **you** of **our** intent to exercise this option within 30 days after **we** receive **your** signed, sworn proof of loss.

When **we** settle any loss caused by theft or disappearance, **we** have the right to obtain all or part of any property which may be recovered. An **insured person** must protect this right and inform **us** of any property recovered. **We** will inform **you** of **our** intent to exercise this right within 10 days of **your** notice of recovery to **us**.

11. **Suit Against Us**

No suit or action may be brought against **us** unless there has been full compliance with all policy terms. Any suit or action must be brought within five years after the inception of loss or damage.

12. **Glass Replacement**

Payment for loss to covered glass includes the cost of using safety glazing materials when required by law.

13. **No Benefit To Bailee**

This insurance will not benefit any person or organization who may be caring for or handling **your** property for a fee.

14. **Other Insurance**

If both this insurance and other insurance apply to a loss, **we** will pay the proportionate amount that this insurance bears to the total amount of all applicable insurance. However, in the event of a loss by theft, this insurance shall be excess over any other insurance that covers loss by theft.

15. **Property Insurance Adjustment**

When the Policy Declarations indicates that the Property Insurance Adjustment condition applies:

The limit of liability shown on the Policy Declarations for **Dwelling Protection-Coverage A** will be revised at each policy anniversary to reflect the rate of change in the Index identified on the Policy Declarations.

The limit of liability for **Dwelling Protection-Coverage A** for the succeeding premium period will be determined by changing the existing limit in proportion to the change in the Index between the time the existing limit was established and the time the change is made. The resulting amount will be rounded to the nearest \$1,000.

Adjustment in the limit of liability for **Dwelling Protection-Coverage A** will result in an adjustment in the limit of liability for **Other Structures Protection-Coverage B** and **Personal Property Protection-Coverage C** in accordance with **our** manual of Rules and Rates.

We will not reduce the limit of liability shown on the Policy Declarations without **your** consent.

Any adjustment in premium resulting from the application of this condition will be made based on premium rates in use by **us** at the time a change in limits is made.

We have the right to change to another cost index or to withdraw this condition as of a policy anniversary date by giving **you** at least 45 days' notice. This applies only if the change or withdrawal applies to all similar policies issued by **us** in **your** state.

16. **Mortgagee**

A covered loss will be payable to the mortgagees named on the Policy Declarations, to the extent of their interest and in the order of precedence. All provisions of **Section I** of this policy apply to these mortgagees.

We will:

- protect the mortgagee's interest in a covered **building structure** in the event of an increase in hazard, intentional or criminal acts of, or directed by, an **insured person**, failure by any **insured person** to take all reasonable steps to save and preserve property after a loss, a change in ownership, or foreclosure if the mortgagee has no knowledge of these conditions; and
- give the mortgagee at least 10 days' notice if **we** cancel this policy.

The mortgagee will:

- furnish proof of loss within 60 days after notice of the loss if an **insured person** fails to do so;
- pay upon demand any premium due if an **insured person** fails to do so;
- notify **us** in writing of any change of ownership or occupancy or any increase in hazard of which the mortgagee has knowledge;
- give **us** the mortgagee's right of recovery against any party liable for loss; and
- after a loss, and at **our** option, permit **us** to satisfy the mortgage requirements and receive full transfer of the mortgage.

This mortgagee interest provision shall apply to any trustee or loss payee or other secured party.

17. **Mold, Fungus, Wet Rot And Dry Rot Remediation As A Direct Result Of A Covered Water Loss**

In the event of a covered water loss under **Dwelling Protection-Coverage A**, **Other Structures Protection-Coverage B** or **Personal Property Protection-Coverage C**, **we** will pay up to \$10,000 for mold, fungus, wet rot or dry rot **remediation**.

However, if a premium is shown on the Policy Declarations for Optional Protection For Mold, **we** will pay up to the applicable limit of liability shown on the Policy Declarations for Optional Protection For Mold for mold, fungus, wet rot or dry rot **remediation**.

If a premium is shown on the Policy Declarations for Optional Protection For Mold:

- the "Remediation" limit shown on the Policy Declarations for Optional Protection For Mold is the maximum **we** will pay for all

mold, fungus, wet rot or dry rot **remediation** resulting from any one covered water loss; and

- b) the "Aggregate Remediation" limit shown on the Policy Declarations for Optional Protection For Mold is the maximum **we** will pay for all mold, fungus, wet rot or dry rot **remediation** resulting from all covered water losses during the premium period, regardless of the number of locations insured under the policy or number of claims made. This "Aggregate Remediation" limit is subject to the "Remediation" limit.

Remediation means the reasonable and necessary treatment, removal or disposal of mold, fungus, wet rot or dry rot as required to complete repair or replacement of property **we** cover under **Dwelling Protection–Coverage A, Other Structures Protection–Coverage B or Personal Property Protection–Coverage C** damaged by a covered water loss, including payment for any reasonable increase in living expenses necessary to maintain **your** normal standard of living if mold, fungus, wet rot or dry rot makes **your residence premises** uninhabitable. **Remediation** also includes any investigation or testing to detect, measure or evaluate mold, fungus, wet rot or dry rot.

This Condition does not increase the limits of liability under **Dwelling Protection–Coverage A, Other Structures Protection–Coverage B or Personal Property Protection–Coverage C**.

18. **Neutral Evaluation For Resolution Of Sinkhole Activity Losses**

If **you** and **us** do not agree on the amount of loss either party may request a neutral evaluation. Neutral evaluation is nonbinding, but mandatory if requested by either party. A request for neutral evaluation may be filed with the Department of Financial Services by the policyholder or the insurer on a form approved by the department. The request for neutral evaluation must state the reason for the request and must include an explanation of all the issues in dispute at the time of the request. Filing a request for neutral evaluation tolls the applicable time requirements for filing suit for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later. This procedure stands in place of the **Appraisal** condition or mediation, in the event of a disputed **sinkhole activity** loss.
