General Provisions

The following provisions apply to all parts of the policy except where otherwise noted.

Insuring Agreement

This policy is a legal contract between **you** and **us**. A coverage applies only when a premium for it is shown on the Policy Declarations. If more than one **cycle** is insured, premiums will be shown for each **cycle**. **We** may find it necessary to issue **you** two or more different policy numbers for this one policy. Even if **we** issue two or more policy numbers, this shall still constitute one policy. **Your** Policy Declarations lists the policy numbers applicable. If **you** pay the premiums when due and comply with the policy terms, **we**, relying on the information **you** have given **us**, make the following agreements with **you**.

You agree to review **your** Policy Declarations to confirm which of the available coverages and limits described in this policy have been issued to **you**. **You** agree to also review those sections of this policy which relate to those coverages issued to **you** so that **you** fully understand the insurance protection **you** are receiving. Failure to review this policy, including **your** Policy Declarations, will not relieve **you** of this obligation. **You** should contact **us**, or the agent listed on **your** Policy Declarations, immediately if **you** have any questions about the coverages or limits, if **you** believe there is any mistake about the coverages or limits issued to **you**, or if **you** have any questions or do not understand anything in this policy.

While **your** agent can help answer many specific questions about the coverages, only **you** can determine if **you** have selected the insurance coverages **you** need and that those coverages have actually been issued to **you**.

The terms of this policy impose joint obligations on persons defined in applicable sections of this policy as insured person(s). This means that the responsibilities, acts and omissions of a person defined as an insured person will be binding upon other person(s) defined as insured person(s).

When And Where The Policy Applies

Your policy applies only during the policy period and any applicable grace period. During this time, it applies to covered losses to an **insured cycle**, accidents and occurrences within the United States of America, its territories or possessions, or Canada, or between their ports. The policy period is shown on the Policy Declarations.

Conformity To State Statutes

When any policy provision is in conflict with the statutes of the state in which the **insured cycle** is principally garaged, the provisions are amended to conform to such statutes.

Insurance Coverage In Mexico

Prior to entering and driving in Mexico, **you** must check with the appropriate Mexican authorities regarding insurance requirements.

Motor vehicle accidents in Mexico are subject to the laws of Mexico, NOT the United States of America. In Mexico, an accident can be considered a CRIMINAL OFFENSE as well as a civil matter.

In some cases, part or all of this policy may NOT be recognized by Mexican authorities and **we** may not be allowed to provide any insurance coverage at all in Mexico. For **your** protection, **you** should consider purchasing coverage for **your cycle** from a licensed Mexican insurance company before driving into Mexico.

However, when possible, protection will be afforded for those coverages for which a premium is shown on the Policy Declarations for an **insured cycle** while that **insured cycle** is within 75 miles of the United States border and only for a period not to exceed ten days after each separate entry into Mexico.

If loss or damage occurs which may require repair of an **insured cycle** or replacement of any part(s) while an **insured cycle** is in Mexico, the basis for adjustment of the claim will be as follows: Any amount payable resulting from any covered loss or damage occurring in Mexico shall be payable in the United States. **We** will not be liable for more than the cost of having the repairs made or parts replaced at the nearest point in the United States where repairs or replacements can be performed. The costs for towing, transportation, and salvage operations of an **insured cycle** while within Mexico are not covered under this policy.

Premium Changes

The premium for each **cycle** is based on information **we** have received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period or take other appropriate action.

Changes which result in a premium adjustment are contained in **our** rules. These include:

1. **cycles** insured by the policy, including changes in use;
2. drivers residing in **your** household, their ages or marital status;
3. coverages or coverage limits;
4. rating territory; and
5. discount eligibility.

Any calculation or adjustment of **your** premium will be made using the rules, rates, and forms in effect, and on file if required, for **our** use in **your** state.

Coverage Changes

When **we** broaden a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement. Any change in **your** coverage will be made using the rules, rates, and forms in effect, and on file if required, for **our** use in **your** state.

Duty To Report Policy Changes

Your policy was issued in reliance on the information **you** provided, including information concerning **cycles** and persons insured by the policy. To properly insure **your cycle**, **you** must promptly notify **us** when **you** change **your**

address or whenever any **resident** operators insured by **your** policy are added or deleted.

You must notify **us** within 30 days when **you** acquire an **additional cycle** or **replacement cycle**. If **you** don't, certain coverages of this policy may not apply.

When **you** acquire an **additional cycle**, it will be covered by **us** for 30 days immediately after **you** acquire ownership. **We** will provide this coverage only if no other insurance policy provides coverage for this **cycle** and **you** pay the additional premium.

Coverage will be continued beyond this 30 day period only if:

1. **you** ask **us** to continue coverage within 30 days after **you** acquire the **cycle**;
2. **we** agree to continue coverage for this **additional cycle**; and
3. **you** pay the additional premium.

Notice

Your notice to an authorized representative shall be deemed to be notice to **us**.

What To Do If There Is A Loss

1. If an insured person has an accident involving an **insured cycle**, **we** or one of **our** authorized representatives must be informed as soon as possible of all details. As soon as possible, any person making a claim must give **us** written proof of loss, including all details **we** may need to determine the amounts payable.
2. **We** may require any person making a claim to file with **us** a sworn proof of loss. **We** may also require that person to submit to examinations under oath, separately and apart from others, and to sign the transcript.
3. If an insured person is sued as the result of a **cycle** accident, **we** must be informed immediately.
4. **You** must allow **us** to inspect any damaged property.
5. **You** must protect the **cycle** from further loss. **We** will pay reasonable expenses to guard against further loss. If **you** don't protect the **cycle**, further loss is not covered.
6. **You** must report all theft losses as soon as possible to the police.
7. Any insured person may be required to undergo medical examinations by physicians **we** choose, as often as **we** reasonably require. **We** must be given authorization to obtain medical reports and other records pertinent to the claim.

Assistance And Cooperation

An insured person must cooperate with **us** in the investigation, settlement and defense of any claim or lawsuit. If **we** ask, that person must also help **us** obtain payment from anyone who may be jointly responsible.

If an insured person voluntarily takes any action or makes any payments other than for covered expenses for bonds or first aid to others, **we** are not obligated to provide reimbursement for such payments. Under Uninsured Motorists Insurance and Underinsured Motorists Insurance **we** may require an

insured person to take proper action to preserve all rights to recover damages from anyone responsible for the **bodily injury** or **property damage**.

Subrogation Rights

When **we** pay under Uninsured Motorists Insurance or Protection Against Loss to the Motorcycle an insured person's rights of recovery from anyone else become **ours** up to the amount **we** have paid. The insured person must protect these rights and help **us** enforce them. This provision does not apply to Underinsured Motorists Insurance.

When **we** pay under Motorcycle Medical Payments Coverage in an amount exceeding \$5000, an insured person's rights to recovery become **ours** up to the amount **we** have paid. An insured person must protect these rights and help **us** enforce them.

Combining Limits Of Two Or More Cycles Prohibited

The coverage limits applicable to any one **cycle** shown on the Policy Declarations will not be combined with or added to the coverage limits applicable to any other **cycle** shown on the Policy Declarations or covered by the policy. This means that no stacking or aggregation of coverages will be allowed by this policy. This is true even though a separate premium is charged for each of those **cycles**, regardless of the number of:

1. **cycles** or persons shown on the Policy Declarations;
2. vehicles involved in the accident;
3. persons seeking damages as a result of the accident; or
4. insured persons from whom damages are sought.

If two or more **cycles** are shown on the Policy Declarations and one of these **cycles** is involved in an accident to which coverage applies, the coverage limits shown on the Policy Declarations for the **cycle** involved will apply. If a covered accident involves a **cycle** other than one shown on the Policy Declarations, or if an insured person is struck as a pedestrian in a covered accident, the highest coverage limits shown on the Policy Declarations for any one **cycle** will apply.

Transfer

This policy cannot be transferred to another person or entity without **our** written consent. However, if **you** die, this policy will provide coverage for **your** legal representative while acting as such and for persons covered on the date of **your** death.

Payment

If payment of the initial premium amount due is made by check, draft, or any remittance other than cash, such payment is conditional upon the check, draft, or other remittance being honored upon presentation. If such check, draft, or remittance is not honored upon presentation, this policy shall be deemed void from its inception and will not go into effect.

Fraud Or Misrepresentation

We will not be liable for any claims or damages which would otherwise be covered if there has been fraudulent and material misrepresentation or concealment of material fact unless there has been injury, death or damage for which the insured may be legally liable.

We do not cover any loss or occurrence in which any insured person has concealed or misrepresented any material fact or circumstance.

This provision will not apply to an otherwise covered property loss if:

- a. such property loss is caused by an act of domestic violence by another insured person;
- b. the insured person making the claim cooperates in any investigation relating to the property loss; and
- c. the insured person making the claim did not in any way cooperate in or contribute to the creation of the property loss.

Cancellation

Your Right to Cancel:

You may cancel this policy by notifying **us** of the future date **you** wish to stop coverage.

Our Right to Cancel:

We may cancel this policy by mailing notice to **you** at the last mailing address known to **us**.

During the policy period, we may cancel part or all of this policy by mailing notice to **you** at least 10 days before the cancellation takes effect. Notice will be sent by certificate of mailing if **we** cancel **your** policy for any reason other than non-payment of premium.

When this policy has been in effect for less than 60 days and it is not a renewal with **us**, **we** may cancel this policy for any reason unless it is solely for location of residence; age; race; color; religion; sex; national origin or ancestry.

If **your** policy has been in effect for 60 days or more or if it is not a renewal with **us**, we will not cancel **your** policy unless any one of the following occurs:

1. **You** fail to fulfill any of **your** obligations when due in connection with the payment of premium for this policy or any installment of the premium. **You** are entitled to a grace period of seven days for the payment of premiums for this policy. If the premium payment is not postmarked by the end of the grace period, **we** may cancel this policy by mailing notice to **you** by first class mail.
2. The insurance was obtained through fraudulent misrepresentation.
3. **You**, any **resident** of **your** household who customarily operates a **cycle** insured under this policy, or any other person who regularly and frequently operates a **cycle** insured under this policy:
 - a. has had their driver's license suspended or revoked during the policy period;
 - b. becomes permanently disabled, either physically or mentally, and does not produce a certificate from a physician testifying to their ability to operate a **cycle**;
 - c. is or has been convicted during the 36 months immediately preceding the effective date of the policy or during the policy period of:
 - i. criminal negligence, resulting in death; homicide; or assault, arising out of the operation of an **insured cycle**;
 - ii. operating a **cycle** while in an intoxicated condition or while under the influence of drugs;

- iii. leaving the scene of an accident;
- iv. making false statements in an application for a driver's license; or
- v. reckless driving.

However, **we** will not cancel **your** policy for any violation of this Section (3.) if:

- a. the violation is committed by anyone other than **you**; and
 - b. **you** agree in writing to exclude such person by name as insured when operating a **cycle**; and
 - c. **you** further agree to exclude coverage for any negligence which arises out of the maintenance, operation or use of a **cycle** by such excluded person which may be imputed by law to **you**.
4. **We** are placed in rehabilitation or receivership by a competent authority.
 5. **You**, any **resident** of **your** household who customarily operates a **cycle** insured under the policy or any other person who regularly and frequently operates a **cycle** insured under the policy uses a **cycle** rated or insured under the policy regularly and frequently for commercial purposes.
 6. The director determines that the continuation of the policy would place **us** in violation of the laws of this state or would jeopardize the solvency of **us**.

Our mailing the notice of cancellation to **you** at **your** last mailing address known to **us** shall be sufficient proof of receipt of notice. Coverage under this policy will terminate on the effective date and hour stated on the cancellation notice. **Your** return premium, if any, will be calculated according to the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Grace Period

You are entitled to a grace period of seven days for the payment of any premium due except for any premium due after the issuance of a cancellation notice for non-payment of premium. During this grace period, the policy shall continue in full force.

If **you** pay by mail, the payment is considered received on the date it is postmarked. However, if the due date of a payment falls on a Saturday, Sunday or legal holiday, the payment is considered received by the due date if it is postmarked on the next business day.

Non-Renewal

If **we** don't intend to renew **your** policy beyond the current policy period, **we** will mail **you** notice by certificate of mailing at least 45 days before the end of the policy period. **Our** mailing the notice of non-renewal to **you** at **your** last mailing address known to **us** shall be sufficient proof of receipt of notice.

We will not refuse to renew **your** policy unless:

1. the insurance was obtained through fraudulent misrepresentation.
2. **you**, any **resident** of **your** household who customarily operates a **cycle** insured under this policy, or any other person who regularly and frequently operates a **cycle** insured under this policy;

- a. has had their driver's license suspended or revoked during the policy period.
- b. becomes permanently disabled, either physically or mentally, and does not produce a certificate from a physician testifying to their ability to operate a **cycle**.
- c. is or has been convicted during the 36 months immediately preceding the effective date of the policy or during the policy period of:
 - i. criminal negligence, resulting in death, homicide or assault, arising out of the operation of an **insured cycle**.
 - ii. operating a **cycle** while in an intoxicated condition or while under the influence of drugs.
 - iii. leaving the scene of an accident.
 - iv. making false statements in an application for a driver's license.
 - v. reckless driving.

However, **we** will not non-renew **your** policy for any violation of this Section (2.) if:

- a. the violation is committed by anyone other than **you**; and
 - b. **you** agree in writing to exclude such person by name as insured when operating a **cycle**.
 - c. **you** further agree to exclude coverage for any negligence which arises out of the maintenance, operation or use of a **cycle** by such excluded person which may be imputed by law to **you**.
3. **we** are placed in rehabilitation or receivership by a competent authority.
 4. **you**, any **resident** of **your** household who customarily operates a **cycle** insured under this policy, or any other person who regularly and frequently operates a **cycle** insured under this policy:

has had at any time during the thirty-six months immediately before the notice of non-renewal three or more at-fault accidents under any motor vehicle insurance policy issued by **us** in which the property damage paid by the insurer for each accident which occurred prior to January 1, 2000, is more than one thousand eight hundred dollars. For accidents occurring on or after January 1, 2000, the Arizona Department of Insurance shall annually adjust the threshold amount of property damage.

For purposes of this Section (4.), "at fault" means the insured is at least fifty percent responsible for the accident.

However, **we** will not non-renew **your** policy under this Section (4.) if:

- a. the same individual was not involved in all the accidents that make this policy subject to non-renewal;
- b. **you** have been insured with **us** for standard motorcycle bodily injury coverage for at least ten consecutive years prior to the most recent accident that makes this policy subject to non-renewal under this Section (4.);
- c. the violation is committed by anyone other than **you**;
- d. **you** agree in writing to exclude such person by name as insured when operating a **cycle**; and

- e. **you** further agree to exclude coverage for any negligence which arises out of the maintenance, operation or use of a **cycle** by such excluded person which may be imputed by law to **you**.

5. **you**, any resident of **your** household who customarily operates a **cycle** insured under the policy or any other person who regularly and frequently operates a **cycle** insured under this policy uses a **cycle** rated or insured under this policy as a **cycle** regularly and frequently for commercial purposes.
6. the Director determines that the continuation of the policy would place **us** in violation of the laws of this state or would jeopardize the solvency of **us**.

Action Against Us

No one may bring an action against **us** unless:

- a. there is full compliance with all policy terms; and
- b. the action is commenced within two years of the date the cause of action accrues.

However, if an action is in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under a particular coverage that is shown on the Policy Declarations, such action must be commenced within the time period specified in the **Action Against Us** provision of that particular coverage. If an action is brought asserting claims relating to the existence or amount of coverage, or the amount of loss for which coverage is sought, under different coverages of this policy, the claims relating to each coverage shall be treated as if they were separate actions for the purpose of the time limit to commence action.

Bankruptcy Or Insolvency

The bankruptcy or insolvency of an insured person or that person's estate will not relieve **us** of any obligation under the policy.

What Law Will Apply

This policy is issued in accordance with the laws of Arizona and covers property or risks principally located in Arizona. Subject to the following paragraph, any and all claims or disputes in any way related to this policy shall be governed by the laws of Arizona.

If a covered loss to the **cycle**, a covered **cycle** accident, or any other occurrence for which coverage applies under this policy happens outside Arizona, claims or disputes regarding that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence may be governed by the laws of the jurisdiction in which that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy shall be brought, heard, and decided only in a state or federal court located in Arizona. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy or involved in any other way with this policy, shall

be brought, heard, and decided only in a state or federal court located in Arizona, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss to the **cycle**, a covered **cycle** accident, or any other occurrence for which coverage applies under this policy happens outside Arizona, lawsuits regarding that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence may also be brought in the judicial district where that covered loss to the **cycle**, covered **cycle** accident, or other covered occurrence happened.

Nothing in the provision, **Where Lawsuits May Be Brought**, shall impair any party's right to remove a state court lawsuit to a federal court.

Definitions Used Throughout The Policy

The following definitions apply throughout the policy unless otherwise indicated. Defined words are printed in bold face type. Additional defined terms that apply to specific policy sections will appear in those policy sections.

1. **Additional cycle** means a **cycle** of which **you** become the owner during the policy period and:
 - a) **we** insure all other **cycles you** own;

 - c) **you** tell **us** within 30 days of acquiring the **cycle**;
 - d) **you** pay any additional premium.
2. **Bodily Injury** means physical harm to the body, sickness, disease, or death, but does not include:
 - a) any venereal disease;
 - b) herpes;

This definition of **insured cycle** does not apply to Part 4 of the policy.

4. **Cycle** means any motorcycle, motorscooter, or moped, designed for travel on public roads, that has:
 - a) at least two wheels, but not more than three wheels;
 - b) completely open-air driver's seating; and

Side cars are considered part of a motorcycle if it is original equipment installed by the manufacturer.

5. **Non-owned cycle** means a **cycle** used by **you** or a **resident** relative with the owner's permission but which is not:
 - a) owned by **you** or a **resident** relative; or

10. **You** or **Your** means the policyholder named on the Policy Declarations and that policyholder's **resident** spouse.
11. **We, Us, or Our** means the company shown on the Policy Declarations.

Part 1—Motorcycle Liability Insurance

Bodily Injury Liability Coverage

Property Damage Liability Coverage

General Statement Of Coverage

If a premium is shown on the Policy Declarations for Bodily Injury Liability Coverage and Property Damage Liability Coverage, **we** will pay damages an **insured person** is legally obligated to pay because of:

1. **bodily injury** sustained by others; and
2. damage to, or destruction of, property.

Under these coverages, **your** policy protects an **insured person** from liability for damages arising out of the ownership, maintenance or use, loading or unloading of an **insured cycle**.

We will not pay any punitive or exemplary damages, fines or penalties under Bodily Injury Liability Coverage or Property Damage Liability Coverage.

We will defend an **insured person** sued as the result of a covered accident, even if the suit is groundless or false. **We** will choose the counsel. **We** may settle any claim or lawsuit if **we** believe it is proper. **We** will not defend an **insured person** sued for damages which are not covered by this policy.

Our Right To Appeal

If an **insured person** or any other insurer elects not to appeal a judgment, **we** may do so. **We** will pay costs and interest incidental to the appeal. **We** will not be liable for more than the limit shown on **your** Policy Declarations plus the costs and interest incidental to the appeal.

Additional Payments We Will Make

When **we** defend an **insured person** under Part 1, **we** will pay:

1. up to \$200 a day for loss of wages or salary if **we** ask that person to attend hearings or trials to defend against a **bodily injury** suit. **We** won't pay for loss of other income. **We** will pay other reasonable expenses incurred at **our** request.
2. court costs for defense.
3. interest accruing on judgment entered against an **insured person**, but only on that part of a judgment entered against an **insured person** which does not exceed **our** limits of liability, until such time as **we** have paid, formally offered, or conditionally or unconditionally deposited in court, the amount for which **we** are liable under this policy. This means that under no circumstances will **we** pay interest on that part of a judgment entered against an **insured person** which exceeds **our** stated limits of liability.
4. premiums on appeal bonds and on bonds to release attachments, but not in excess of **our** limit of liability. **We** have no obligation, however, to apply for or furnish these bonds.

We will repay an **insured person** for:

1. the cost of any bail bonds required due to an accident or traffic law violation involving the use of an **insured cycle**. **We** will not pay more than \$300 per bond. **We** have no obligation to apply for or furnish these bonds.
2. reasonable expenses incurred by an **insured person** for first aid to others at the time of an accident involving an **insured cycle**.

Additional Definition For Part 1

Insured Person(s) means:

1. While using an **insured cycle**, other than a **non-owned cycle**:
 - a) **you**,
 - b) any **resident** relative, and

c) any other person using it with **your** permission.

2. While using a **non-owned cycle**:

- a) **you**, and
- b) any **resident** relative.

Exclusions—What Is Not Covered

We will not pay for any damages an **insured person** is legally obligated to pay because of:

1. **bodily injury** or property damage arising out of the use of an **insured cycle** while used to carry persons or property for a charge, or the use of any **cycle** an **insured person** is driving while available for hire by the public. This exclusion does not apply to ride-share arrangements. This exclusion also does not apply to the use of an **insured cycle** for charitable events.
2. **bodily injury** or property damage arising out of business operations such as repairing, servicing, testing, washing, parking, storing, or selling of motor vehicles. However, coverage does apply to **you**, **resident** relatives, partners, or employees of the partnership of **you** or a **resident** relative when using **your insured cycle**.
3. **bodily injury** or property damage arising out of the use of a **non-owned cycle** or **cycle** trailer **you** do not own in any **business** or occupation of an **insured person**. However, this exclusion does not apply while **you**, **your** chauffeur, or domestic servant who is not required to be covered by a worker's compensation law or similar laws are using a **cycle** or trailer.
4. **bodily injury** to an employee of any **insured person** arising in the course of employment. This exclusion does not apply to **your** domestic employee who is not required to be covered by a workers' compensation law, disability law, or similar law.
5. **bodily injury** to a co-worker injured in the course of employment. This exclusion does not apply to **you**.
6. damage to or destruction of property an **insured person** owns, transports, is in charge of, or rents. A **cycle** operated by an **insured person** is considered to be property in charge of an **insured person**. However, this exclusion does not apply to:
 - a) a rented residence or a rented garage damaged by an **insured cycle**; or
 - b) **property damage** to another **insured cycle**.
7. **bodily injury** or property damage intended by, or reasonably expected to result from, the intentional or criminal acts of an **insured person**. This exclusion applies even if:
 - a) such **insured person** lacks the mental capacity to control or govern his or her conduct;
 - b) such **insured person** is temporarily insane or temporarily lacks the mental capacity to control or govern his or her conduct or is temporarily unable to form any intent to cause **bodily injury** or **property damage**;

- c) such **bodily injury** or property damage is of a different kind or degree than intended or reasonably expected; or
- d) such **bodily injury** or property damage is sustained by a different person than intended or reasonably expected.

This exclusion will not preclude coverage for an **insured person's** otherwise covered property loss if:

- a) such property loss is caused by an act of domestic violence by another **insured person**;
 - b) the **insured person** making the claim cooperates in any investigation relating to the property loss; and
 - c) the **insured person** making the claim did not in any way cooperate in or contribute to the creation of the property loss.
8. **bodily injury** or property damage also covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
 9. liability from or as a consequence of the following whether controlled or uncontrolled or however caused:
 - a) nuclear reaction;
 - b) radiation; or
 - c) radioactive contamination.
 10. **bodily injury** or property damage arising out of the participation in any prearranged, organized or spontaneous:
 - a) racing contest;
 - b) speed contest;
 - c) demolition contest;
 - d) stunt contest;
 - e) off road contest;
 - f) **cycle** performance, maneuvering, or endurance contest; or
 in practice or preparation for any contest of this type.
 11. any liability assumed by an **insured person** under any contract or agreement.
 12. **bodily injury** or property damage resulting from the ownership, maintenance or use, loading or unloading of the **insured cycle** by any person as an employee of the United States government, while acting within the scope of such employment. This exclusion applies only if the provisions of the Federal Tort Claims Act, as amended, require the Attorney General of the United States to defend that person in any civil action or proceeding which may be brought for the **bodily injury** or property damage.
 13. **bodily injury** or property damage arising out of the use of an **insured cycle** while leased or rented to others. However this exclusion does not apply to the operation of an **insured cycle** by **you** or a **resident** relative.

Financial Responsibility

When this policy is certified as proof under any financial responsibility law, the policy will comply with the provisions of that law.

Limits Of Liability

The limits shown on the Policy Declarations are the maximum **we** will pay for any single accident involving an **insured cycle**. The limit stated for each person for **bodily injury** is **our** total limit of liability for damages because of **bodily injury** sustained by one person in any single accident involving an **insured cycle**, including damages sustained by anyone else as a result of that **bodily injury**. Subject to the limit for each person, the limit stated for each accident is **our** total limit of liability for damages for **bodily injury** sustained by two or more persons in any single accident involving an **insured cycle**. For property damage, the limit stated for each accident is **our** total limit of liability for property damage sustained in any single accident involving an **insured cycle**.

The liability limits shown on the Policy Declarations may not be added to the limits for similar coverage applying to other motor vehicles to determine the limit of insurance coverage available. This applies regardless of the number of:

1. policies involved;
2. vehicles involved;
3. **insured persons**;
4. claims made;
5. vehicles or premiums shown on the Policy Declarations; or
6. premiums paid.

THIS MEANS THAT NO STACKING OR AGGREGATION OF ANY MOTORCYCLE LIABILITY INSURANCE—BODILY INJURY AND PROPERTY DAMAGE WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

If none of the **cycles** shown on the Policy Declarations are involved in the accident, the highest limit of liability shown on the Policy Declarations for any one **cycle** will apply.

A **cycle** and attached trailer are considered one **cycle**.

Non-Duplication Of Benefits

There will be no duplication of payments made under the Bodily Injury Liability, Motorcycle Medical Payments, and Uninsured Motorists Insurance or Underinsured Motorists Insurance Coverages of this policy.

If There Is Other Insurance

If an **insured person** is using a **substitute cycle** or non-owned **cycle**, **our** liability insurance will be excess over other collectible insurance. This policy will pay on a primary basis when such other collectible insurance is provided by a policy issued to a person in the business of selling; repairing; servicing; delivering; testing; road testing; parking or storing **cycles** or other vehicles, if the **insured person** is operating the vehicle and is neither the person engaged in such business nor that person's employee or agent. Any insurance **we** provide for a vehicle **you** own shall be excess to that of a person engaged in the business of selling; repairing; servicing; delivering; testing; road testing; parking or storing **cycles** or other vehicles, if the accident occurs while the vehicle is being operated by that person or that person's employee or agent.

Except as provided in the previous paragraph, if two or more policies provide valid and collectible liability insurance which apply to the same motor vehicle accident and a liability loss arises, it will be conclusively understood that the insurance provided by that policy in which such motor vehicle is described or rated as an owned **cycle** will be primary, and any other policy or policies will be excess. If more than one policy applies on a primary basis to an accident involving **your** insured **cycle**, **we** will bear **our** proportionate share with other collectible liability insurance.

Additional Interested Parties

If one or more additional interested parties are listed on the Policy Declarations, the Motorcycle Liability Insurance coverages of this policy will apply to the parties as insureds.

We will provide 10 days written notice to an additional interested party if **we** cancel or make any change to this policy which adversely affects that party's interest. **Our** notice will be considered properly given if mailed to the additional interested party's address shown on the Policy Declarations.

The naming of an additional interested party does not increase that party's rights to recovery under this policy, nor does it impose an obligation for the payment of premiums under this policy.

Action Against Us

No **insured person** may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 1—Motorcycle Liability Insurance**, unless there is full compliance with all policy terms and such action is commenced within two years of the date the cause of action accrues.

If liability has been determined by judgment after trial, or by written agreement among the insured, the other person, and **us**, then whoever obtains this judgment or agreement against an **insured person** may sue **us** up to the limits of this policy. However, no one has the right to join **us** in a suit to determine legal responsibility of an **insured person**.

Part 2—Motorcycle Medical Payments

General Statement Of Coverage

If a premium is shown on the Policy Declarations for Motorcycle Medical Payments, **we** will pay to or on behalf of an **insured person** all reasonable expenses actually incurred for necessary medical treatment, medical services or medical products actually provided to the **insured person** by a state licensed health care provider. Ambulance, hospital, medical, surgical, X-ray, dental, orthopedic and prosthetic devices, pharmaceuticals, eyeglasses, hearing aids are covered. Funeral service expenses are also covered. Payments will be made only when **bodily injury** is caused by a **motor vehicle** accident.

The treatment, services, or products must be rendered within one year of the date of the accident. This will be extended to five years if the amount of insurance shown on the Policy Declarations for this coverage is more than \$5,000.

This coverage does not apply to any person to the extent that the treatment is covered under any workers' compensation law.

Additional Definitions For Part 2

1. **Insured Person(s)** means:
 - a) **you** and any **resident** relative who sustains **bodily injury** while in, on, getting into or out of, or getting on or off of, or when struck as a pedestrian by, a **motor vehicle** or trailer. The use of a **non-owned cycle** must be with the owner's permission.
 - b) any other person who sustains **bodily injury** while in, on, or getting on or off of:
 - (i) an **insured cycle**, other than a **non-owned cycle**, while being used by **you**, a **resident** relative, or any other person with **your** permission.
 - (ii) a **non-owned cycle** or trailer if the injury results from the operation or occupancy by **you**, **your** private chauffeur or domestic servant on **your** behalf, or a **resident** relative.
 - (iii) **your insured cycle** while a **passenger on your cycle**.
2. **Motor Vehicle** means a land motor vehicle designed for use on public roads.

Exclusions—What Is Not Covered

This coverage does not apply to **bodily injury**:

1. intended by, or reasonably expected to result from, the intentional or criminal acts of an **insured person**. This exclusion applies even if:
 - a) such **insured person** lacks the mental capacity to control or govern his or her conduct;
 - b) such **insured person** is temporarily insane or temporarily lacks the mental capacity to control or govern his or her conduct or is temporarily unable to form any intent to cause **bodily injury**;
 - c) such **bodily injury** is of a different kind or degree than intended or reasonably expected; or
 - d) such **bodily injury** is sustained by a different person than intended or reasonably expected.

This exclusion applies regardless of whether an **insured person** is actually charged with, or convicted of, a crime.

This exclusion precludes coverage for any **insured persons** under the policy regardless of whether the person seeking coverage participated in any way in the intentional or criminal acts or omissions.

2. to **you** or a **resident** relative while in, on, getting into or out of, or getting on or off of, a **cycle** owned by **you** or a **resident** relative which is not insured for this coverage under this policy.
3. to **you** or a **resident** relative while in, on, getting on or off, or into or out of, or struck as a pedestrian by:
 - a) a vehicle operated on rails or crawler-treads, or
 - b) a vehicle or other equipment designed for use off public roads, while not on public roads.
4. to any person while in, on, getting on or off, or into or out of:
 - a) a **cycle** owned by **you** or a **resident** relative while available for hire to the public. This exclusion does not apply to ride-share arrangements. This exclusion also does not apply to the use of an **insured cycle** for charitable events, or
 - b) a **cycle** or trailer while used as a residence or premises.

5. to any person, other than **you** or a **resident** relative, while using a **motor vehicle you or your resident** relative do not own or which is not available or furnished for the regular use of **you or your resident** relative:
- which is available for hire by the public,
 - in business operations such as repairing, servicing, testing, washing, parking, storing or selling of **motor vehicles**, or
 - in any other business or occupation.

Coverage is provided for **you, your** private chauffeur or domestic servant while using an **insured cycle** or trailer in any other business or occupation.

6. caused by war or warlike acts, insurrection, rebellion, or revolution.
7. arising out of the participation in any prearranged, organized or spontaneous:
- racing contest;
 - speed contest;
 - demolition contest;
 - stunt contest;
 - off road contest;
 - cycle** performance, maneuvering, or endurance contest; or
- in practice or preparation for any contest or use of this type.
8. to any person or dependent of a person to the extent that such person or dependent is eligible to receive benefits provided by the U.S. government under a contract of employment, including past or present military duty.
- We** will reimburse the U.S. government, as required in Chapter 55 of Title 10 of the U.S. Code, for expenses covered under this part of the policy when it incurs such expense on behalf of an **insured person** through a facility of the uniformed services.
9. also covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
10. as a consequence of the following whether controlled or uncontrolled or however caused:
- nuclear reaction;
 - radiation; or
 - radioactive contamination.

Limits Of Liability

The limit shown on the Policy Declarations for Motorcycle Medical Payments is the maximum **we** will pay for all expenses incurred by or for each person as a result of any one **motor vehicle** accident.

The Motorcycle Medical Payments coverage limit of liability shown on the Policy Declarations may not be added to the limit(s) for similar coverage applying to other **motor vehicles** to determine the limit of insurance coverage available. This applies regardless of the number of:

- policies involved;
- vehicles involved;

- insured persons;**
- claims made;
- vehicles or premiums shown on the Policy Declarations; or
- premiums paid.

THIS MEANS THAT NO STACKING OR AGGREGATION OF MOTORCYCLE MEDICAL PAYMENTS WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

If none of the **cycles** shown on the Policy Declarations are involved in the accident, the highest limit of liability shown on the Policy Declarations for any one **cycle** will apply.

If an **insured person** dies as the result of a covered **motor vehicle** or trailer accident, **we** will pay the least of the following as a funeral service expenses benefit:

- \$2,000;
- the Motorcycle Medical Payments coverage limit of liability stated on the Policy Declarations; or
- the remaining portion of the Motorcycle Medical Payments coverage limit of liability not expended for other covered medical expenses.

This funeral service expenses benefit does not increase, and will not be paid in addition to, the limits of liability stated on the Policy Declarations for Motorcycle Medical Payments coverage. This benefit is payable to the deceased **insured person's** spouse if a **resident** of the same household at the time of the accident. However, if the deceased is a minor, the benefit is payable to any parent who is a **resident** of the same household at the time of the accident. In all other cases, the benefit is payable to the deceased **insured person's** estate.

Non-Duplication Of Benefits

There will be no duplication of payments made under the Bodily Injury Liability Coverage, Uninsured Motorists Insurance or Underinsured Motorists Insurance coverages, and Motorcycle Medical Payments coverages of this policy. All payments made to or on behalf of any person under this coverage will be considered as advance payments to that person. Any damages payable under the Bodily Injury Liability Coverage or Uninsured Motorists Insurance or Underinsured Motorists Insurance coverages of this policy will be reduced by that amount.

Unreasonable Or Unnecessary Medical Expenses

If an **insured person** incurs medical expenses which **we** deem to be unreasonable or unnecessary, **we** may refuse to pay for those **medical expenses** and contest them.

If an **insured person** is sued by a medical services provider because **we** refuse to pay **medical expenses** which **we** deem to be unreasonable or unnecessary, **we** will pay defense costs and any resulting judgment against the **insured person** up to the Motorcycle Medical Payments policy limit. **We** will choose the counsel. An **insured person** must cooperate with **us** in the defense of any claim or lawsuit. If **we** ask an **insured person** to attend hearings or trials, **we** will pay up to \$200 per day for the loss of wages or salary. **We** will also pay other reasonable expenses incurred at **our** request.

No **insured person** may sue **us** for medical expenses **we** deem unreasonable or unnecessary unless:

1. the **insured person** has paid the entire disputed amount to the medical services provider; or
2. the medical services provider has expressly threatened or initiated collection activity toward an **insured person**.

No suit or action may be brought against **us** unless there has been full compliance with all policy terms and conditions.

If There Is Other Insurance

When this coverage applies to a **substitute cycle** or **non-owned cycle**, **we** will pay only after all other collectible insurance has been exhausted. When this coverage applies to a **replacement cycle** or **additional cycle**, this policy will not apply if **you** have other collectible **motor vehicle** medical insurance.

Action Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 2—Motorcycle Medical Payments**, unless there is full compliance with all policy terms and such action is commenced within two years of the date the cause of action accrues.

Part 3—Uninsured Motorists Insurance

Underinsured Motorists Insurance

General Statement Of Coverage

Uninsured Motorists Insurance

If a premium is shown on the Policy Declarations for Uninsured Motorists Insurance, **we** will pay damages which an **insured person** is legally entitled to recover from the owner or operator of an uninsured **motor vehicle** because of **bodily injury** sustained by an **insured person**.

The **bodily injury** must be caused by an accident and arise out of the ownership, maintenance, or use of an uninsured **motor vehicle**. **We** will not pay any punitive or exemplary damages, fines or penalties under Uninsured Motorists Insurance.

Underinsured Motorists Insurance

If a premium is shown on the Policy Declarations for Underinsured Motorists Insurance, **we** will pay damages which an **insured person** is legally entitled to recover from the owner or operator of an underinsured **motor vehicle** because of **bodily injury** sustained by an **insured person**.

The **bodily injury** must be caused by an accident and arise out of the ownership, maintenance, or use of an underinsured **motor vehicle**. **We** will not pay any punitive or exemplary damages, fines or penalties under Underinsured Motorists Insurance.

An Uninsured Motor Vehicle Is:

1. a **motor vehicle** which has no bodily injury liability bond or insurance policy in effect at the time of the accident.

2. a **motor vehicle** covered by a bond or insurance policy which doesn't provide at least the minimum financial security requirements of the state in which **your insured cycle** is principally garaged.
3. a **motor vehicle** for which the insurer, other than **us** under this policy, denies coverage or becomes insolvent.
4. a hit-and-run **motor vehicle** which causes **bodily injury** to an **insured person** whether or not physical contact was made with the **insured person** or a vehicle occupied by that person. The identity of the operator and the owner of the vehicle must be unknown. If the accident involved an unidentified **motor vehicle** and no physical contact occurred, the **insured person** must provide corroborative evidence that the unidentified **motor vehicle** caused the accident. Corroborative evidence means any additional and confirming testimony, fact or evidence that strengthens and adds weight or credibility to the **insured person's** representation of the accident. You must, within a reasonable time, report the accident to the proper authorities and **us**.
5. If the **insured person** was occupying a vehicle at the time of the accident, **we** have a right to inspect it.

An Underinsured Motor Vehicle Is:

A **motor vehicle** which has liability protection in effect and applicable at the time of the accident in an amount equal to or greater than the amounts specified for **bodily injury** liability by the financial responsibility laws of Arizona, but less than the applicable damages the **insured person** is legally entitled to recover.

An Underinsured Motor Vehicle Is Not:

A **motor vehicle** insured for bodily injury liability under Part 1 of this policy, if the injured person making a claim under this coverage is neither **you** nor any **resident** relative.

Exclusions—What Is Not Covered—Uninsured Motorists Insurance

We will not pay any damages an **insured person** is legally entitled to recover because of:

1. **bodily injury** to any person, if that person or that person's legal representative makes a settlement without **our** written consent. This will include any payment made by any person on behalf of the uninsured motorist.
2. **bodily injury**, if the payment would directly or indirectly benefit any workers' compensation or disability benefits insurer, including a self-insurer.
3. **bodily injury** arising out of the use of an **insured cycle** while used to carry persons or property for a charge, or the use of any **motor vehicle** an **insured person** is driving while available for hire by the public. This exclusion does not apply to shared ride arrangements.

This exclusion does not apply to **bodily injury** caused by the use of an **insured cycle** for charitable events.

4. **bodily injury** arising out of the participation in any prearranged, organized or spontaneous:
 - a) racing contest;
 - b) speed contest;
 - c) demolition contest;
 - d) stunt contest;
 - e) off road contest;
 - f) **cycle** performance, maneuvering, or endurance contest; or

in practice or preparation for any contest of this type.

Exclusions—What Is Not Covered—Underinsured Motorists Insurance

3. any claim that directly or indirectly benefits any workers' compensation or disability benefits insurer. This includes a self-insurer.
4. **bodily injury** arising out of the use of an **insured cycle** while used to carry persons or property for a charge, or the use of any **motor vehicle** an **insured person** is driving while available for hire by the public. This exclusion does not apply to shared ride arrangements.

This exclusion does not apply to **bodily injury** caused by the use of an **insured cycle** for charitable events.

5. **bodily injury** arising out of the participation in any prearranged, organized or spontaneous:

 - b) speed contest;
 - c) demolition contest;
 - d) stunt contest;
 - e) off road contest;

- f) **cycle** performance, maneuvering, or endurance contest; or in practice or preparation for any contest of this type.

Limits Of Liability—Uninsured Motorists Insurance

The coverage limit shown on the Policy Declarations for:

1. "each person" is the maximum that **we** will pay for damages arising out of **bodily injury** to one person in any one **motor vehicle** accident, including damages sustained by anyone else as a result of that **bodily injury**.
2. "each accident" is the maximum **we** will pay for damages arising out of all **bodily injury** in any one **motor vehicle** accident. This limit is subject to the limit for "each person".

These limits are the maximum **we** will pay for any one **motor vehicle** accident regardless of the number of:

1. premiums paid;
2. premiums shown on the Policy Declarations;
3. claims made;
4. vehicles or persons shown on the Policy Declarations; or
5. vehicles involved in the accident.

THIS MEANS THAT NO STACKING OR AGGREGATION OF UNINSURED MOTORISTS INSURANCE WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

The Uninsured Motorists Insurance limits apply to each **insured cycle** as shown on the Policy Declarations.

If none of the **cycles** shown on the Policy Declarations is involved in the accident, the highest limits of liability shown on the Policy Declarations for any one **cycle** will apply.

Damages, but not limits, payable will be reduced by all amounts paid by the owner or operator of the uninsured **motor vehicle** or anyone else responsible. This includes all sums paid under the bodily injury liability, motorcycle medical payments, and underinsured motorists insurance of this or any other policy. This reduction of damages by sums paid under the motorcycle medical payments coverage of this policy will only apply if the **insured person** is not deprived of full recovery for medical expenses.

Limits Of Liability—Underinsured Motorists Insurance

The coverage limit shown on the Policy Declarations for:

1. "each person" is the maximum that **we** will pay for damages arising out of **bodily injury** to one person in any one **motor vehicle** accident, including all damages sustained by anyone else as a result of that **bodily injury**.
2. "each accident" is the maximum **we** will pay for all damages arising out of all **bodily injury** in any one **motor vehicle** accident. This limit is subject to the limit for "each person".

These limits are the maximum **we** will pay for any one **motor vehicle** accident regardless of the number of:

1. premiums paid;
2. premiums shown on the Policy Declarations;
3. claims made;

4. vehicles or persons shown on the Policy Declarations; or
5. vehicles involved in the accident.

THIS MEANS THAT NO STACKING OR AGGREGATION OF UNDERINSURED MOTORISTS INSURANCE WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

The Underinsured Motorists Insurance limits apply to each **insured cycle** as shown on the Policy Declarations.

If none of the **cycles** shown on the Policy Declarations is involved in the accident, the highest limits of liability shown on the Policy Declarations for any one **cycle** will apply.

Damages, but not limits, payable will be reduced by all amounts paid by the owner or operator of the underinsured **motor vehicle** or anyone else responsible. This includes all sums paid under the bodily injury liability, motorcycle medical payments, and uninsured motorists coverage of this or any other policy. This reduction of damages by sums paid under the motorcycle medical payments coverage of this policy will only apply if the **insured person** is not deprived of full recovery for medical expenses.

We are not obligated to make any payment for **bodily injury** under Underinsured Motorists Insurance which arises out of the use of an underinsured **motor vehicle** until after the limits of liability for all liability protection in effect and applicable at the time of the accident has been exhausted by payments of judgments or settlements.

Non-Duplication Of Benefits

No injured person will recover duplicate benefits for the same elements of loss under this or any other uninsured motorists insurance or underinsured motorists insurance.

If There Is Other Insurance—Uninsured Motorists Insurance

If the **insured person** was occupying a vehicle **you** do not own, Uninsured Motorists Insurance under this policy will be excess over any other valid and collectible insurance available to the **insured person**, whether such other insurance is stated to be primary or excess. This means that when the **insured person** is legally entitled to recover damages in excess of the amount available under the other policy, **we** will pay up to the limit of liability of this policy, but only after all other collectible insurance has been exhausted and subject to the **Limits Of Liability—Uninsured Motorists Insurance Coverage** provision of this policy.

If **you** or a **resident** relative was occupying a vehicle **you** own which is insured for this coverage under another policy, Uninsured Motorists Insurance under this policy will apply on a pro-rata basis.

If There Is Other Insurance—Underinsured Motorists Insurance

If the **insured person** was occupying a vehicle **you** do not own, Underinsured Motorists Insurance under this policy will be excess over any other valid and collectible insurance available to the **insured person**, whether such other insurance is stated to be primary or excess. This means that when the **insured person** is legally entitled to recover damages in excess of the amount available under the other policy, **we** will pay up to the limit of liability of this

policy, but only after all other collectible insurance has been exhausted and subject to the **Limits Of Liability—Underinsured Motorists Insurance Coverage** provision of this policy.

Trust Agreement

When **we** pay any person under this coverage:

1. **we** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from an owner or operator of an uninsured or underinsured **motor vehicle**.
2. all rights of recovery against an owner or operator of an uninsured or underinsured **motor vehicle** must be maintained and preserved for **our** benefit.
3. **insured persons**, if **we** ask, must take proper action in their own name to recover damages from an owner or operator of an uninsured or underinsured **motor vehicle**. **We** will select the attorney, and pay all related costs and fees.

We will not ask the **insured person** to sue the insured of an insolvent insurer.

Payment Of Loss By Us

Any amount due is payable to the **insured person**, to the parent or guardian of an **insured person** who is an injured minor, or to the spouse of any **insured person** who dies. However, **we** may pay any person lawfully entitled to recover the damages.

If We Cannot Agree

If the **insured person** and **we** do not agree on that person's right to receive damages or on the amount, then upon mutual consent, the disagreement will be settled by arbitration. If the **insured person** and **we** do not agree to arbitrate, then the disagreement will be resolved in a court of competent jurisdiction. The arbitrators will not have the power to decide any dispute regarding the nature or the amount of the coverage provided by the policy or claims for damages outside the terms of the policy, including, but not limited to, claims for bad faith, fraud, misrepresentation, punitive or exemplary damages, attorney fees and/or interest. Arbitration will take place under the rules of the American Arbitration Association or as agreed to by the parties.

Regardless of the method of arbitration, any award not exceeding the limits of the financial responsibility laws of Arizona will be binding, and may be entered as a judgment in a proper court.

Regardless of the method of arbitration, when any arbitration award exceeds the financial responsibility limits of the state of Arizona, either party has a right to trial on all issues in a court of competent jurisdiction. This right must be exercised within 60 days of the award. Costs, including attorney fees, are to be paid by the party incurring them.

Action Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 3—Uninsured Motorists Insurance or Underinsured Motorists**

Insurance, unless there is full compliance with all policy terms and such action is commenced within two years of the date the cause of action accrues.

If any **insured person** sues a person believed responsible for the accident without **our** written consent, **we** are not bound by any resulting judgment.

Part 4—Protection Against Loss To The Motorcycle

Other information applicable to all these coverages appears after all the coverage descriptions.

Motorcycle Collision Insurance

If a premium is shown on the Policy Declarations for Motorcycle Collision Insurance, **we** will pay for direct and accidental loss to an **insured cycle** (including insured loss to an attached trailer) from a collision with another object or by upset of that **cycle** or trailer.

For no additional charge, **we** will pay for direct and accidental loss to any motorcycle helmets worn by **you** or any **passenger on your cycle** at the time of a collision. The damage to the helmet must occur as a direct result of the collision, and the helmet must be made available for **our** inspection.

The total limit of **our** liability for each helmet loss will be the lesser of the following amounts:

1. The actual cash value of the helmet at the time of the loss;
2. The cost to repair the helmet;
3. The difference between the value of the helmet prior to the collision and immediately following the collision;
4. \$500 per helmet.

Motorcycle Comprehensive Insurance

If a premium is shown on the Policy Declarations for Motorcycle Comprehensive Insurance, **we** will pay for direct and accidental loss to an **insured cycle** not caused by collision. Loss caused by missiles, falling objects, fire, theft or larceny, explosion, earthquake, windstorm, hail, water, flood, malicious mischief or vandalism, and riot or civil commotion is covered. Glass breakage, whether or not caused by collision, and collision with a bird or animal is covered. Plastic or other materials used by the manufacturer as substitutes for glass will also be considered glass.

If by agreement between **you** and **us**, glass is repaired rather than replaced, the deductible amount will not be subtracted from a glass breakage loss.

If coverage for full safety glass coverage is indicated on the Policy Declarations, the deductible amount will not be subtracted from any comprehensive loss to:

1. glass used in the windshield, and
2. glass, plastic or other material used in the lights of the **cycle**.

Towing And Labor Costs Coverage

If a premium is shown on the Policy Declarations for Towing and Labor Costs, **we** will pay costs for labor performed at the initial place of disablement and for towing made necessary by the disablement. The total limit of **our** liability

for towing and labor caused by a single loss is shown on the Policy Declarations.

Lease Or Loan Gap Coverage

If a premium is shown on the Policy Declarations for Lease or Loan Gap Coverage and the amount **you** owe at the time of loss under the terms of the lease or loan agreement on **your cycle** exceeds the actual cash value of the **cycle** at the time of the loss, then **we** will pay the difference between these amounts in the event of a total loss due to physical damage or theft of that **cycle**. **We** may pay **you** and the lessor or lienholder named on the Policy Declarations.

Lease Or Loan Gap Coverage applies only if **you** have both Motorcycle Collision Insurance and Motorcycle Comprehensive Insurance in effect under this policy at the time of the loss and the loss is covered under either coverage. This coverage applies only to the original lease or loan written on **your cycle** and applies only if **your cycle** was not previously titled. This coverage applies only if **your cycle** is described on the Policy Declarations and is three model years old or less as of the date of the loss.

Rental Reimbursement Coverage

If a premium is shown on the Policy Declarations for Rental Reimbursement Coverage, and if **you** have a covered collision or comprehensive loss that involves a **cycle** for which this Rental Reimbursement was purchased, **we** will reimburse **you** for **your** cost of renting an automobile from a rental agency or garage. **We** will not pay more than the dollar amount per day shown on the Policy Declarations. **We** will not pay mileage charges.

If **your insured cycle** is disabled by a covered collision or comprehensive loss, coverage starts the day of the loss. If **your insured cycle** is driveable, coverage starts the day the **cycle** is taken to a garage for repairs. If the entire **insured cycle** is stolen, coverage begins the day **you** report the theft to **us**.

Coverage ends when whichever of the following occurs first:

1. if the **cycle** is disabled by a collision or comprehensive loss, completion of repairs or replacement of the **cycle**;
2. if the **cycle** is stolen, when **we** offer settlement, or **your cycle** is returned to use; or
3. thirty full days of coverage.

Optional Or Added Equipment Coverage

If a premium is shown on the Policy Declarations for Optional or Added Equipment Coverage, **we** will pay for damage caused by a covered collision or comprehensive loss to any Optional or Added Equipment.

Optional or Added Equipment means any equipment, devices, accessories, enhancements, and changes, other than those that are installed by the original manufacturer as part of the original sale. Optional or Added Equipment includes, but is not limited to, dealer added items as part of the original sale, **sound systems**, crash bars, custom seats, sissy bars, windshields, fairings, saddle bags, tank bags, trunk and luggage racks, custom light bars, custom exhaust systems, and **cycle** safety riding apparel, other than helmets.

You must fully disclose to **us** all Optional or Added Equipment added.

Additional Payments We Will Make

1. **We** will pay up to \$200 for loss of clothing, other than motorcycle safety apparel, and personal luggage, including its contents, belonging to **you** or a **resident** relative while it is in or upon **your insured cycle**.

This coverage applies only when:

- a) the loss is caused by collision and **you** have purchased collision insurance.
 - b) the entire **cycle** is stolen, and **you** have purchased comprehensive insurance.
 - c) physical damage is done to the **cycle** and to the clothing and luggage caused by earthquake, explosion, falling objects, fire, lightning, or flood and **you** have purchased comprehensive insurance.
2. **We** will repay **you** up to \$10 for the cost of transportation from the place of theft of an **insured cycle** or disablement of the **cycle** to **your** destination, if:
 - a) the entire **cycle** is stolen and **you** have comprehensive insurance under this policy.
 - b) the **cycle** is disabled by a collision or comprehensive loss, and **you** have the coverage under this policy applicable to the loss.
 3. If **you** have purchased collision or comprehensive insurance under this policy, **we** will pay general average and salvage charges imposed when **your insured cycle** is being transported.

 and which is not standard equipment or is not permanently installed by the original manufacturer of **your cycle** as part of the original sale.

Exclusions—What Is Not Covered

The coverages in Part 4 do not apply to:

1. loss caused intentionally by, or at the direction of, an **insured person**.

This exclusion will not preclude coverage for an **insured person's** otherwise covered property loss if:

- a) such property loss is caused by an act of domestic violence by another **insured person**;
 - b) the **insured person** making the claim cooperates in any investigation relating to the property loss; and
 - c) the **insured person** making the claim did not in any way cooperate in or contribute to the creation of the property loss.
2. any **cycle** used for the transportation of people or property for a fee. This exclusion does not apply to ride-share arrangements. This exclusion also does not apply to the use of an **insured cycle** for charitable events.
 3. any damage or loss resulting from war or warlike acts, including, but not limited to any insurrection, rebellion, or revolution.
 4. loss due to radioactive contamination.
 5. any damage resulting from:
 - a) wear and tear;
 - b) freezing; or
 - c) mechanical or electrical breakdown;

unless the damage is the burning of wires used to connect electrical components, or the result of other loss covered by this policy.

6. loss to tires, unless stolen or damaged by fire, malicious mischief, or vandalism. Coverage is provided if the damage to tires occurs at the same time and from the same cause as other loss covered by this policy.
7. loss, other than collision, to any **insured cycle sound system**, including any apparatus in or on the **cycle** designed for use with that system.

This exclusion will not apply if **you** have purchased additional coverage for **your sound system** under Optional or Added Equipment Coverage.
8. loss, other than collision, to any tapes, compact discs, or similar items used with any **insured cycle sound system**.
9. loss to any optional or added equipment not included as standard equipment by the manufacturer of **your cycle** as part of the original sale. This exclusion does not apply if you have purchased Optional or Added Equipment Coverage for this equipment under this policy.
10. loss or damage arising out of the participation in any prearranged, organized or spontaneous:
 - a) racing contest;
 - b) speed contest;
 - c) demolition contest;
 - d) stunt contest;
 - e) off road contest;
 - f) **cycle** performance, maneuvering, or endurance contest; or

in practice or preparation for any contest of this type.

11. loss which results from the bankruptcy, insolvency, or fraudulent activity of any person who has possession of **your insured cycle** for the purpose of a consignment sale.

12. loss due to seizure, confiscation or taking away by any means, with or without **your** cooperation, of any **cycle** by any policy or governmental agency, body, or authority, for any reason whatsoever. This exclusion applies whether or not **you** are or were a bona fide purchaser in good faith of the **cycle**.
13. loss due to conversion or embezzlement by any person who has the **cycle** due to any rental, lease, lien or sales agreement.
14. any device that is designed for the detection of radar or laser.

Right To Appraisal

Both **you** and **we** have a right to demand an appraisal of the loss. Each will appoint and pay a qualified appraiser. Other appraisal expenses will be shared equally. Each appraiser will state the actual cash value and the amount of loss. If they disagree, the two appraisers, or a judge of a court of record, will select an umpire. A written agreement by any two of these three persons will determine the amount of the loss.

Payment Of Loss By Us

We may pay for the loss in money, or may repair or replace the damaged or stolen property. **We** may, at any time before the loss is paid or the property is replaced, return at **our** own expense any stolen property, either to **you** or at **our** option to the address shown on the policy declarations, with payment for any resulting damage. **We** may take all or part of the property at the agreed or appraised value. **We** may settle any claim or loss either with **you** or the owner of the property.

Limits Of Liability

This clause applies to all Part 4 coverages except motorcycle helmet coverage and Lease Or Loan Gap Coverage.

Our limit of liability is the least of:

1. the actual cash value of the property or damaged part of the property at the time of loss, which may include deduction for depreciation;
2. the cost to repair or replace the property or part to its physical condition at the time of loss using parts produced by or for the vehicle's manufacturer, or parts from other sources, including but not limited to, non-original equipment manufacturers, subject to applicable state laws and regulations;
3. \$500, if the loss is to a covered trailer not described on the Policy Declarations; or
4. the limit shown on the Policy Declarations for Optional or Added Equipment.

Any applicable deductible amount is then subtracted.

If **we**, at **our** option, elect to pay for the cost to repair or replace the property or part, **our** liability does not include any decrease in the property's value, however measured, resulting from the loss and/or repair or replacement.

If **we**, at **our** option, elect to pay for the cost to repair or replace the property or part, **we** may make betterment deductions attributable to the poorer condition of, or prior damage to, the insured vehicle.

We may also deduct for betterment if the deductions are for prior wear and tear, missing parts and rust damage that is reflective of the general overall condition of the vehicle considering its age. However, deductions for prior wear and tear, missing parts and rust damage that is reflective of the general overall condition of the vehicle considering its age may not exceed \$500.

A **cycle** and attached trailer are considered separate **cycles** for this Part 4 and **you** must pay the deductible, if any, on each.

When more than one coverage under this Part 4 of the policy is applicable to the loss, **you** may recover under the broadest coverage but not both.

Limits Of Liability Under Lease Or Loan Gap Coverage

Our limit of liability with respect to Lease Or Loan Gap Coverage, when purchased and applicable to the loss, is the difference between the amount **you** owe at the time of loss under the terms of the lease or loan agreement to which the **cycle** is subject and the actual cash value of the **cycle** at the time of loss. Any amount payable under Lease Or Loan Gap Coverage will be reduced by:

1. overdue loan or lease payments and the financial penalties associated with those overdue payments;
2. the transfer or rollover of a previous outstanding lease or loan balance from another vehicle to the original lease or loan for the **cycle** described on the Policy Declarations;
3. the dollar amount of unrepaired damage which occurred prior to the total loss of **your cycle**; and
4. all refunds paid or payable to **you** as a result of the early termination of the lease or loan agreement or, to the extent financed, as a result of the early termination of any financed warranty or extended service agreement on **your cycle**.

If There Is Other Insurance

If there is other insurance covering the loss at the time of the accident, **we** will pay only **our** share of any damages. **Our** share is determined by adding the limits of this insurance to the limits of all other insurance that applies on the same basis and finding the percentage of the total that **our** limits represent.

When this insurance covers a **substitute cycle**, **we** will pay only after all other collectible insurance has been exhausted.

When this insurance covers a **replacement cycle** or **additional cycle**, this policy will not apply if **you** have other collectible insurance.

Lease Or Loan Gap Coverage is excess over any other collectible insurance.

No Benefit To Bailee

This insurance will not benefit any person or organization who may be caring for or handling your property for a fee.

Loss Payable Clause

If a Lienholder and/or Lessor is shown on the Policy Declarations, **we** may pay loss or damage under this policy to **you** and the Lienholder and/or Lessor as its interest may appear, except:

1. where fraud, misrepresentation, material omission, or intentional damage has been committed by or at the direction of **you**.
2. when the vehicle(s) is intentionally damaged, destroyed or concealed by or at the direction of **you** or any owner.
3. when **you** or any owner makes fraudulent statement(s) or engages in fraudulent conduct in connection with any accident or loss for which coverage is sought.

The Lienholder and/or Lessor must notify **us** of any change in ownership or hazard that is known.

If **you** or any owner fails to render proof of loss within the time granted in the policy, the Lienholder and/or Lessor must do so within sixty days in the form and manner described in the policy. The Lienholder and/or Lessor are subject to the provisions of the policy relating to appraisal, time of payment and bringing suit.

We may cancel this policy according to its terms. **We** will notify the Lienholder and/or Lessor at least ten days prior to the date of cancellation that the cancellation is effective as to the interest of the Lienholder and/or Lessor.

Whenever **we** pay the Lienholder and/or Lessor any sum for loss or damage under this policy, **we** will be subrogated to the extent of payment to the rights of the party to whom payment was made. However, these subrogation provisions must in no way impair the rights of the Lienholder and/or Lessor to recover the full amount of its claim from the insured.

The Lienholder and/or Lessor has no greater rights under the provisions of the policy than the insured.

Action Against Us

No one may bring an action against **us** in any way related to the existence or amount of coverage, or the amount of loss for which coverage is sought, under **Part 4—Protection Against Loss To The Motorcycle**, unless there is full compliance with all policy terms and such action is commenced within two years of the date the cause of action accrues.
