## Allstate Insurance Company

### The Company Named in the Policy Declarations

A Stock Company - Home Office: Northbrook, Illinois

## General

This policy is a legal contract between **you** and **us**. A coverage applies only when a premium for it is shown on the Policy Declarations. If more than one **auto** is insured, premiums will be shown for each **auto**. If **you** pay the premiums when due and comply with the policy terms, **Allstate**, relying on the information **you** have given **us**, makes the following agreements with **you**.

## When And Where The Policy Applies

**Your** policy applies only during the policy period. During this time, it applies to losses to the **auto**, accidents and occurrences within the United States of America, its territories or possessions or Canada, or between their ports. The policy period is shown on the Policy Declarations.

## Changes

### Premium Changes

The premium for each **auto** is based on information **Allstate** has received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period.

Changes which result in a premium adjustment are contained in **our** rules. These include, but are not limited to:

1. **autos** insured by the policy, including changes in use.
2. drivers residing in your household, their ages or marital status.
3. coverages or coverage limits.
4. rating territory.
5. discount eligibility.

Any calculation or adjustment of **your** premium will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

### Coverage Changes

When **Allstate** broadens a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement. Any change in **your** coverage will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

### Duty To Report Autos

**You** must tell **us** within 60 days when **you** acquire an additional or replacement **auto**. If **you** don't, certain coverages of this policy may not apply.

### Combining Limits Of Two Or More Autos Prohibited

If **you** have two or more **autos** insured in **your** name and one of these **autos** is involved in an accident, only the coverage limits shown on the Policy Declarations for that **auto** will apply.

When **you** have two or more **autos** insured in **your** name and none of them is involved in the accident, **you** may choose any single **auto** shown on the Policy Declarations and the coverage limits applicable to that **auto** will apply.

The limits available for any other **auto** covered by the policy will not be added to the coverage for the involved or chosen **auto**.

## Transfer

This policy can't be transferred to anyone without **our** written consent. However, if **you** die, coverage will be provided until the end of the policy period for:

1. **your** legal representative while acting as such, and
2. persons covered on the date of **your** death.

## Cancellation

**You** may cancel this policy by notifying **us** in writing of the future date that **you** wish to stop coverage.

### Our Right to Cancel:

When this policy has been in effect for less than 60 days and it is not a renewal with **us**, **we** may cancel this policy for any reason other than non-payment of premium by mailing notice to **you** by registered or certified mail at least 30 days before the cancellation takes effect. If the cancellation is for non-payment of premium, **we** will give **you** notice by registered or certified mail at least 10 days before the cancellation takes effect.

When this policy has been in effect for 60 days or more or if it is a renewal with **us**, **we** may cancel this policy for one or more of the following reasons:

1. non-payment of premium;
2. fraud or material misrepresentation affecting the policy;
3. fraud or material misrepresentation in presenting a claim;
4. breach of any of the policy terms or conditions;
5. **you**, any member of **your** household, or any operator who customarily operates an automobile insured under this policy have:
  - i. had a driver's license suspended or revoked;
  - ii. been convicted of larceny of an automobile or theft of an automobile;
  - iii. been convicted of an offense for which license suspension or revocation is mandatory; or
  - iv. had a driver's license that is subject to revocation by reason of his/her driving record as disclosed by the files of the Director of Motor Vehicles during the policy period or, if the policy is a renewal, during its policy period or the 180 days immediately preceding the policy's effective date; or
6. **we** have mailed notice to **you** within the first 59 days indicating that **we** intend to cancel **your** policy.

When this policy has been in effect for 60 days or more or if it is a renewal with **us** and if the cancellation is for non-payment of premium, **we** will give **you** notice by registered or certified mail at least 10 days before the cancellation takes effect. If the cancellation is for reasons stated in items 2 - 6 above, **we** will mail notice to **you** by registered or certified mail at least 30 days before the cancellation takes effect.

**Our** mailing notice of cancellation to **you** at **your** last mailing address known to **us** shall be sufficient proof of receipt of notice. Coverage under this policy will terminate on the effective date and hour stated on the cancellation notice. **Your** return premium, if any, will be calculated on a pro rata basis and refunded at the time of cancellation or as soon as possible. However, refund of unearned premium is not a condition of cancellation.

Any unearned premium amounts under \$2.00 will be refunded only upon **your** request.

### Non-Renewal

If **we** do not intend to continue or renew the policy, **we** will mail **you** notice at least 20 days before the end of the policy period. **Our** mailing the notice of cancellation to **you** at **your** last mailing address known to **us** shall be sufficient proof of receipt of notice.

### Conditional Reinstatement

If **we** mail a cancellation notice because **you** didn't pay the required premium when due and **you** then tender payment by check, draft, or other remittance which is not honored upon presentation, **your** policy will terminate on the date and time shown on the cancellation notice and any notice **we** issue which waives the cancellation or reinstates coverage is void. This means that **Allstate** will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice. To the extent that a check, draft, or other remittance is dishonored due to **Allstate's** failure to comply with **our** standard payment processing procedures, this provision will not apply.

If **your** check, draft, or other remittance is not honored upon presentation due to an error caused by **your** financial institution, and proof of that error is submitted to **Allstate** in writing, **we** will reinstate **your** policy.

### Fraud Or Misrepresentation

**Your** policy was issued in reliance on the information **you** provided on **your** Auto Insurance Application concerning **autos** and persons insured by the policy. **You** agree that if **your** policy was obtained through material misrepresentation, fraud or concealment of material facts, and that if such misrepresentation existed at the time of the loss and contributed to the loss, **Allstate** has the right to void or rescind **your** policy.

### What Law Will Apply

This policy is issued in accordance with the laws of Nebraska and covers property or risks principally located in Nebraska. Subject to the following paragraph, any and all claims or disputes in any way related to this policy shall be governed by the laws of Nebraska.

If a covered loss to the **auto**, a covered **auto** accident, or any other occurrence for which coverage applies under this policy happens outside Nebraska, claims or disputes regarding that covered loss to the **auto**, covered **auto** accident, or other covered occurrence may be governed by the laws of the jurisdiction in which that covered loss to the **auto**, covered **auto** accident, or other covered occurrence happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

### Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy shall be brought, heard, and decided only in a state or federal court located in Nebraska. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy or involved in any other way with this policy, shall be brought, heard, and decided only in a state or federal court located in Nebraska, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss to the **auto**, a covered **auto** accident, or any other occurrence for which coverage applies under this policy happens outside Nebraska, lawsuits regarding that covered loss to the **auto**, covered **auto** accident, or other covered occurrence may also be brought in the judicial district where that covered loss to the **auto**, covered **auto** accident, or other covered occurrence happened.

Nothing in this provision, **Where Lawsuits May Be Brought**, shall impair any party's right to remove a state court lawsuit to a federal court.

## Part I—Automobile Liability Insurance

### Bodily Injury—Coverage AA

### Property Damage—Coverage BB

**Allstate** will pay for all damages an insured person is legally obligated to pay—because of bodily injury or property damage meaning:

1. bodily injury, sickness, disease or death to any person, including loss of services; and
2. damage to or destruction of property, including loss of use.

Under these coverages, **your** policy protects an insured person from claims for accidents arising out of the ownership, maintenance or use, loading or unloading of an insured **auto**.

**We** will defend an insured person sued as the result of an **auto** accident, even if the suit is groundless or false. **We** will choose the counsel. **We** may settle any claim or suit if **we** believe it is proper.

### Additional Payments Allstate Will Make

When **we** defend an insured person under this part, **we** will pay:

1. up to \$50 a day for loss of wages or salary if **we** ask that person to attend hearings or trials to defend against a bodily injury suit. **We** won't pay for loss of other income. **We** will pay other reasonable expenses incurred at **our** request.
2. court costs for defense.
3. interest accruing on damages awarded. **We** will pay this interest only until **we** have paid, offered, or deposited in court the amount for which **we** are liable under this policy. **We** will only pay interest on damages not exceeding **our** limits of liability.

4. premiums on appeal bonds and on bonds to release attachments, but not in excess of **our** limit of liability. **We** aren't required to apply for or furnish these bonds.

**We** will repay an insured person for

1. the cost of any bail bonds required due to an accident or traffic law violation involving the use of the insured **auto**. **We** won't pay more than \$300 per bond. **We** aren't required to apply for or furnish these bonds.
2. any expense incurred for first aid to others at the time of an **auto** accident involving the insured **auto**.

### Insured Persons

1. While using **your** insured **auto**:
  - a) **you**,
  - b) any **resident**, and
  - c) any other person using it with **your** permission.
2. While using a non-owned **auto**:
  - a) **you**,
  - b) any **resident** relative using a four wheel private passenger **auto** or **utility auto**.
3. Any other person or organization liable for the use of an insured **auto** if the **auto** is not owned or hired by this person or organization.

### Insured Autos

1. Any **auto** described on the Policy Declarations. This includes the four wheel private passenger **auto** or **utility auto** **you** replace it with.
2. An additional four wheel private passenger **auto** or **utility auto** **you** become the owner of during the policy period. This **auto** will be covered if **we** insure all other private passenger **autos** or **utility autos** **you** own. **You** must, however, tell **us** within 60 days of acquiring the **auto**. **You** must pay any additional premium.
3. A substitute four wheel private passenger **auto** or **utility auto**, not owned by **you** or a **resident**, being temporarily used while **your** insured **auto** is being serviced or repaired, or if **your** insured **auto** is stolen or destroyed.
4. A non-owned **auto** used by **you** or a **resident** relative with the owner's permission. This **auto** must not be available or furnished for the regular use of an insured person.
5. A trailer while attached to an insured **auto**. The trailer must be designed for use with a private passenger **auto** or **utility auto**. This trailer can't be used for business purposes with other than a private passenger **auto** or **utility auto**.

### Definitions

1. "**Allstate**," "**We**," "**Us**," or "**Our**"—means the company shown on the Policy Declarations.

2. "**Auto**"—means a land motor vehicle designed for use on public roads.
3. "**Resident**"—means the physical presence in **your** household with the intention to continue living there. Unmarried dependent children while temporarily away from home will be considered residents, if they intend to continue to live in **your** household.
4. "**Utility Auto**"—means an **auto** of the pick-up body, sedan delivery or panel truck type. This **auto** must have a rated load capacity of not more than 2,000 pounds.
5. "**You**" or "**Your**"—means the policyholder named on the Policy Declarations and that policyholder's **resident** spouse.

### Exclusions—What Is Not Covered

This coverage does not apply to liability for:

1. **your** insured **auto** while used to carry persons or property for a charge, or any **auto** **you** are driving while available for hire by the public. This exclusion does not apply to shared-expense car pools.
2. **auto** business operations such as repairing, servicing, testing, washing, parking, storing, or selling of **autos**. However, coverage does apply to **you**, **resident** relatives, partners or employees of the partnership of **you** or a **resident** relative when using **your** insured **auto**.
3. a non-owned **auto** while being used in any business or occupation of an insured person. However, coverage does apply while **you**, **your** chauffeur, or domestic servant are using a private passenger **auto** or trailer.
4. bodily injury to an employee of any insured person arising in the course of employment. Coverage does apply to a domestic employee who is not required to be covered by a workers compensation law or similar law.
5. anyone other than **you**, for claims made by a co-worker injured in the course of employment.
6. injury to or destruction of property an insured person owns, is in charge of, or rents. However, a private residence or a garage rented by that person is covered.
7. bodily injury or property damage caused intentionally by or at the direction of an insured person.
8. bodily injury or property damage which would also be covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
9. **bodily injury** or property damage arising out of the participation in any prearranged, organized, or spontaneous:
  - a. racing contest;
  - b. speed contest; or
  - c. use of an **auto** at a track or course designed or used for racing or high performance driving,

or in practice or preparation for any contest or use of this type.

## Financial Responsibility

When this policy is certified as proof under any motor vehicle financial responsibility law, this policy will comply with the provisions of that law.

## Limits Of Liability

The limits shown on the Policy Declarations are the maximum **we** will pay for any single **auto** accident. The limit stated for each person for bodily injury applies to all damages arising from bodily injury, sickness, disease, or death sustained by one person in any one occurrence. Subject to the limit for each person, the occurrence limit is **our** total limit of liability for all legal damages for bodily injury sustained by two or more persons in any one occurrence. For property damage, the limit applies to legal damages arising from each occurrence.

The liability limits apply to each insured **auto** as shown on the Policy Declarations. The insuring of more than one person or **auto** under this policy will not increase **our** liability limits beyond the amount shown for any one **auto**, even though a separate premium is charged for each **auto**. The limits also won't be increased if **you** have other auto insurance policies that apply.

There will be no duplication of payments made under the Bodily Injury Liability and Uninsured Motorists Coverages of this policy.

An **auto** and attached trailer are considered one **auto**. Also, an **auto** and a mounted camper unit, topper, cap or canopy are considered one **auto**.

If a single "each occurrence" limit is stated on the Policy Declarations for Automobile Liability Insurance, this limit will be the maximum amount of **Allstate's** liability for both bodily injury and property damage arising out of any one occurrence.

There will be no duplication of payments made under the Protection Against Loss To The Auto coverages and the Liability Insurance coverages of any policy. All payments made to or on behalf of any person under this coverage will be considered as advance payments to that person and will be reduced by the amount paid under any other Liability Insurance Coverage.

## If There Is Other Insurance

If an insured person is using a substitute private passenger **auto** or non-owned **auto**, **our** liability insurance will be excess over other collectible insurance. If more than one policy applies on a primary basis to an accident involving **your** insured **auto**, **we** will bear **our** proportionate share with other collectible liability insurance.

## Assistance And Cooperation

When **we** ask, an insured person must cooperate with **us** in the investigation, settlement and defense of any claim or lawsuit. If **we** ask, that person must also help **us** obtain payment from anyone who may be jointly responsible.

**We** can't be obligated if an insured person voluntarily takes any action or makes any payments other than for covered expenses for bail bonds or first aid to others.

## Action Against Allstate

No insured person may sue **us** under this coverage unless there is full compliance with all the policy terms.

If liability has been determined by judgment after trial, or by written agreement among the insured, the other person, and **us**, then whoever obtains this judgment or agreement against an insured person, may sue **us** up to the limits of this policy. However, no one has the right to join **us** in a suit to determine legal responsibility.

The bankruptcy or insolvency of an insured person or that person's estate won't relieve **us** of any obligation.

## What To Do In Case Of An Auto Accident Or Claim

If an insured person has an **auto** accident, **we** must be informed promptly of all details. If an insured person is sued as the result of an **auto** accident, **we** must be informed immediately.

## Part II—Automobile Medical Payments—Coverage CC

**Allstate** will pay to or on behalf of an insured person all reasonable expenses incurred for medical treatment, services, or products actually rendered. Ambulance, hospital, medical, surgical, x-ray, dental, orthopedic and prosthetic devices, pharmaceuticals, eyeglasses, hearing aids, funeral service expenses, and professional nursing services are covered. Payments will be made only when bodily injury, sickness, disease, or death is caused by an **auto** accident.

The treatment, services, or products must be rendered within one year after the accident. This will be extended to five years if the amount of insurance shown on the Policy Declarations for this coverage is more than \$5,000.

This coverage does not apply to any person to the extent that the treatment is covered under any workers compensation law.

## Insured Persons

1. **You** and any **resident** relative who sustains bodily injury while in, on, getting into or out of, or when struck by, an **auto** or trailer. The use of a non-owned **auto** must be with the owner's permission.
2. Any person who sustains bodily injury while in, on, getting into or out of:
  - a) **your** insured **auto** while being used by **you**, a **resident** relative, or any other person with **your** permission.
  - b) a non-owned **auto** if the injury results from **your** operation or occupancy.
  - c) a non-owned **auto** if the injury results from the operation on **your** behalf by **your** private chauffeur or domestic servant.
  - d) a non-owned private passenger **auto** or trailer if the injury results from the operation or occupancy by a **resident** relative.

The use of non-owned **autos** must be with the owner's permission.

## Insured Autos

1. Any **auto** described on the Policy Declarations. This includes the four wheel private passenger **auto** or **utility auto you** replace it with.
2. An additional four wheel private passenger **auto** or **utility auto you** become the owner of during the policy period. This **auto** will be covered if **we** insure all other private passenger **autos** or **utility autos you** own. **You** must, however, tell **us** within 60 days of acquiring the **auto**. **You** must pay any additional premium.
3. A substitute four wheel private passenger **auto** or **utility auto**, not owned by **you** or a **resident**, temporarily used while **your** insured **auto** is being serviced or repaired, or if **your** insured **auto** is stolen or destroyed.
4. A non-owned **auto** used with the owner's permission. This **auto** must not be available or furnished for the regular use of an insured person.
5. A trailer while attached to an insured **auto**. The trailer must be designed for use with a private passenger **auto** or **utility auto**. This trailer can't be used for business purposes with other than a private passenger **auto** or **utility auto**.

## Definitions

1. "**Allstate**," "**We**," "**Us**," or "**Our**"—means the company shown on the Policy Declarations.
2. "**Auto**"—means a land motor vehicle designed for use on public roads
3. "**Resident**"—means the physical presence in **your** household with the intention to continue living there. **Your** unmarried dependent children while temporarily away from home will be considered residents, if they intend to continue to live in **your** household.
4. "**Utility Auto**"—means an **auto** of the pick-up body, sedan delivery or panel truck type. This **auto** must have a rated load capacity of not more than 2,000 pounds.
5. "**You**" or "**Your**"—means the policyholder named on the Policy Declarations and that policyholder's **resident** spouse.

## Exclusions—What Is Not Covered

This coverage does not apply to bodily injury, sickness, disease or death to:

1. **you** or a **resident** relative while in, on, getting into or out of an **auto you** or a **resident** relative own but do not insure for this coverage.
2. **you** or a **resident** relative while in, on, getting into or out of, or struck as a pedestrian by:
  - a) a vehicle operated on rails or crawler-treads, or
  - b) a vehicle or other equipment designed for use off public roads, while not on public roads.
3. any person while in, on, getting into or out of:
  - a) an owned **auto** while available for hire to the public. This exclusion does not apply to shared-expense car pools.
  - b) an **auto** or trailer while used as a residence or premises.

4. any person, other than **you** or a **resident** relative, while using a non-owned **auto**:
  - a) which is available for hire by the public, or
  - b) in **auto** business operations such as repairing, servicing, testing, washing, parking, storing or selling of **autos**.

Coverage is provided for **you**, **your** private chauffeur or domestic servant while using a private passenger **auto** or trailer in any other business or occupation.

5. any person resulting from any act of war, insurrection, rebellion, or revolution.
6. any person arising out of the participation in any prearranged, organized, or spontaneous:
  - a. racing contest;
  - b. speed contest; or
  - c. use of an **auto** at a track or course designed or used for racing or high performance driving,

or in practice or preparation for any contest or use of this type.

## Limits Of Liability

The limit shown on the Policy Declarations is the maximum **we** will pay for all expenses incurred by or for each person as the result of any one **auto** accident.

The medical payments limit applies to each insured **auto** as shown on the Policy Declarations. The insuring of more than one person or **auto** under this policy won't increase **our** limit beyond the amount shown for any one **auto**, even though a separate premium is charged for each **auto**. The limit also won't be increased if **you** have other **auto** insurance policies that apply.

If an insured person dies as the result of a covered **auto** accident, **we** will pay the least of the following as a funeral service expenses benefit:

1. \$2,000; or
2. the Coverage CC limit of liability stated on the Policy Declarations; or
3. the remaining portion of the Coverage CC limit of liability not expended for other covered medical expenses.

This funeral service expenses benefit does not increase, and will not be paid in addition to, the limits of liability stated on the Policy Declarations for Coverage CC. This benefit is payable to the deceased insured person's spouse if a **resident** of the same household at the time of the accident. However, if the deceased is a minor, the benefit is payable to either parent if that parent is a **resident** of the same household at the time of the accident. In all other cases, the benefit is payable to the deceased insured person's estate.

There will be no duplication of payments made under the Bodily Injury Liability Coverage, Uninsured Motorists Insurance, Underinsured Motorists Insurance and Automobile Medical Payments Coverage of this policy. All payments made to or on behalf of any person under this coverage will be considered as advance payments to that person. Any damages payable under the Bodily

Injury Liability Insurance, Uninsured Motorists Insurance or Underinsured Motorists Insurance coverages of this policy will be reduced by that amount.

### If There Is Other Insurance

When this coverage applies to a substitute **auto** or non-owned **auto**, **Allstate** will pay only after all other collectible **auto** medical insurance has been exhausted.

When this coverage applies to a replacement **auto** or additional **auto**, this policy will not apply if **you** have other collectible auto medical insurance.

### Assistance And Cooperation

When **we** ask, an insured person must cooperate with **us** in the investigation, settlement and defense of any claim or lawsuit. If **we** ask, that person must also help **us** obtain payment from anyone who may be jointly responsible.

**We** can't be obligated if an insured person voluntarily takes any action or makes any payments other than for covered expenses for first aid to others.

### Action Against Allstate

No one may sue **us** under this coverage unless there is full compliance with all the policy terms.

### Subrogation Rights

When **we** pay, an insured person's rights of recovery from anyone else become **ours** up to the amount **we** have paid. The insured person must protect these rights and help **us** to enforce them.

### Proof Of Claim; Medical Reports

As soon as possible, any person making claim must give **us** written proof of claim. It must include all details **we** may need to determine the amounts payable.

The injured person may be required to take physical examinations by physicians **we** choose, as often as **we** reasonably require. **We** must be given authorization to obtain medical reports and other records pertinent to the claim.

## Part III—Automobile Death Indemnity Insurance—Coverage CM

**Allstate** will pay the benefit shown on the Policy Declarations if an insured person dies as a direct result of bodily injury, sickness or infection caused by an **auto** accident. The injury must be sustained while the insured person is in, on, getting into or out of, or when struck as a pedestrian by an **auto**, trailer or semi-trailer.

Benefits will be paid only if:

1. death occurs within 90 days of the **auto** accident; or
2. death occurs within 1 year of the **auto** accident and the bodily injury has continuously prevented the insured person from performing every duty pertaining to that person's occupation.

### Insured Persons

The person or persons shown as insured on the Policy Declarations under Coverage CM.

### Definitions

**"Allstate," "We," or "Us"**—means the company shown on the Policy Declarations.

**"Auto"**—means a land motor vehicle designed for use on public roads.

### Exclusions—What Is Not Covered

This coverage does not apply to death:

1. sustained in the course of an occupation by any person while:
  - a) operating, loading, unloading, assisting on, or performing any other duties related to the use of a commercial **auto**, or an **auto** hired or rented to others for a charge.
  - b) repairing or servicing **autos**, including any related duties.
2. due to suicide committed while sane or insane.
3. due to any act of war, insurrection, rebellion, or revolution.
4. sustained while in, on, getting into or out of, or when struck as a pedestrian by:
  - a) a vehicle operated on rails or crawler-treads;
  - b) a vehicle or other equipment designed for use off public roads, while not on public roads; or
  - c) a vehicle when used as a residence or premises

### Payment Of Benefits; Autopsy

The benefit is payable to the deceased insured person's spouse. The spouse must be a resident of the same household as the insured person at the time of the accident. 10. loss to a **camper unit** whether or not mounted. This exclusion will not apply if the **camper unit** is described on the Policy Declarations.
11. loss to appliances, furniture, equipment and accessories that are not built into or forming a permanent part of a **motor home** or **travel-trailer**.
12. loss to **your motor home** or **your travel-trailer** while rented to anyone else unless a specific premium is shown on the Policy Declarations for the rented vehicle.
13. loss or damage arising out of the participation in any prearranged, organized, or spontaneous:
  - a. racing contest;
  - b. speed contest; or

- c. use of an **auto** at a track or course designed or used for racing or high performance driving,

or in practice or preparation for any contest or use of this type.

14. loss to any **custom parts or equipment** designed for racing which is installed in or upon **your** insured **auto**. This includes, but is not limited to, nitrous oxide systems, roll cages, and air intake modifications.

### Right To Appraisal

Both **you** and **Allstate** have a right to demand an appraisal of the loss. Each will appoint and pay a qualified appraiser. Other appraisal expenses will be shared equally. The two appraisers, or a judge of a court of record, will choose an umpire. Each appraiser will state the actual cash value and the amount of loss. If they disagree, they'll submit their differences to the umpire. A written decision by any two of these three persons will determine the amount of the loss.

### Payment Of Loss By Allstate

**Allstate** may pay for the loss in money, or may repair or replace the damaged or stolen property. **We** may, at any time before the loss is paid or the property is replaced, return at **our** own expense any stolen property, either to **you** or at **our** option to the address shown on the Policy Declarations, with payment for any resulting damage. **We** may take all or part of the property at the agreed or appraised value. **We** may settle any claim or loss either with **you** or the owner of the property.

### Limits Of Liability

**Allstate's** limit of liability is the least of:

- 1) the actual cash value of the property or damaged part of the property at the time of loss, which may include a deduction for depreciation; or
- 2) the cost to repair or replace the property or part to its physical condition at the time of loss using parts produced by or for the vehicle's manufacturer, or parts from other sources, including, but not limited to, non-original equipment manufacturers, subject to applicable state laws and regulations; or
- 3) \$500, if the loss is to a covered trailer not described on the Policy Declarations.

Any applicable deductible amount is then subtracted.

If **Allstate**, at its option, elects to pay for the cost to repair or replace the property or part, **Allstate's** liability does not include any decrease in the property's value, however measured, resulting from the loss and/or repair or replacement. If repair or replacement results in the betterment of the property or part, **you** may be responsible, subject to applicable state laws and regulations, for the amount of the betterment.

The maximum **Allstate** will pay for a covered loss to any **custom parts or equipment** is \$1000, unless otherwise excluded.

An **auto** and attached trailer are considered separate **autos**, and **you** must pay the deductible, if any, on each. Only one deductible will apply to an **auto**

with a mounted **camper unit**. If unmounted, a separate deductible will apply to the **auto** and **camper unit**.

### **If There Is Other Insurance**

If there is other insurance covering the loss at the time of the accident, **we** will pay only **our** share of any damages. **Our** share is determined by adding the limits of this insurance to the limits of all other insurance that applies on the same basis and finding the percentage of the total that **our** limits represent.

When this insurance covers a substitute **auto** or non-owned **auto**, **we** will pay only after all other collectible insurance has been exhausted.

When this insurance covers a replacement **auto** or additional **auto**, this policy won't apply if **you** have other collectible insurance.

When more than one coverage is applicable to the loss, **you** may recover under the broadest coverage but not both. However, any Coverage ZA deductible will always apply.

### **Action Against Allstate**

No one may sue **us** under this coverage unless there is full compliance with all the policy terms.

When **we** pay, **your** rights of recovery from anyone else become **ours** up to the amount **we** have paid. **You** must protect these rights and help **us** enforce them.

### **What You Must Do If There Is A Loss**

1. As soon as possible any person making claim must give **us** written proof of loss. It must include all details reasonably required by **us**. **We** have the right to inspect the damaged property. **We** may require any person making claim to file with **us** a sworn proof of loss. **We** may also require that person to submit to examinations under oath.
2. Protect the **auto** from further loss. **We** will pay reasonable expenses to guard against further loss. If **you** don't protect the **auto**, further loss is not covered.
3. Report all theft losses promptly to the police.

### **Loss Payable Clause**

If a Lienholder and/or Lessor is shown on the Policy Declarations, **we** may pay loss or damage under this policy to **you** and the Lienholder and/or Lessor as its interest may appear, except:

1. Where fraud, misrepresentation, material omission, or intentional damage has been committed by or at the direction of **you**.
2. When the vehicle(s) is intentionally damaged, destroyed or concealed by or at the direction of **you** or any owner.
3. When **you** or any owner makes fraudulent statement(s) or engages in fraudulent conduct in connection with any accident or loss for which coverage is sought.

The Lienholder and/or Lessor must notify **us** of any change in ownership or hazard that is known.

If **you** or any owner fails to render proof of loss within the time granted in the policy, the Lienholder and/or Lessor must do so within sixty days in the form and manner described in the policy. The Lienholder and/or Lessor are subject to the provisions of the policy relating to appraisal, time of payment and bringing suit.

**We** may cancel this policy according to its terms. **We** will notify the Lienholder and/or Lessor at least ten days prior to the date of cancellation that the cancellation is effective as to the interest of the Lienholder and/or Lessor.

Whenever **we** pay the Lienholder and/or Lessor any sum for loss or damage under this policy, **we** will be subrogated to the extent of payment to the rights of the party to whom payment was made. However, these subrogation provisions must in no way impair the rights of the Lienholder and/or Lessor to recover the full amount of its claim from the insured.

The Lienholder and/or Lessor has no greater rights under the provisions of the policy than the insured.
