Allstate Indemnity Company

A Stock Company - Home Office: Northbrook, Illinois

General

This policy is a legal contract between **you** and **us**. A coverage applies only when a premium for it is shown on the Declarations Page. If more than one **auto** is insured, premiums will be shown for each **auto**. If **you** pay the premiums when due and comply with the policy terms, **Allstate**, relying on the information **you** have given **us**, makes the following agreements with **you**.

When And Where The Policy Applies

Your policy applies only during the premium period. During this time, it applies to losses to the **auto**, accidents and occurrences within the United States of America, its territories or possessions or Canada, or between their ports. The premium period is shown on the Declarations Page.

Changes

Premium Changes

The premium for each **auto** is based on information **Allstate** has received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period.

Changes which result in a premium adjustment are contained in our rules. These include, but are not limited to:

1. **autos** insured by the policy, including changes in use.
2. drivers residing in **your** household, their ages or marital status.
3. coverages or coverage limits.
4. rating territory.
5. discount eligibility.

Any calculation or adjustment of **your** premium will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Coverage Changes

When **Allstate** broadens a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement. Any change in **your** coverage will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Premium Recomputation

Section 35-2105 of the District of Columbia Compulsory No-Fault Motor Vehicle Insurance Act places limitations on a person's right to sue for damages. The premium for the policy reflects these limitations. If a court

declares any of the limitations unenforceable, **Allstate** has the right to recompute the premium.

Duty To Report Autos

You must tell **us** within 60 days when **you** acquire an additional or replacement **auto**. If **you** don't, certain coverages of this policy may not apply.

Combining Limits Of Two Or More Autos Prohibited

If **you** have two or more **autos** insured in **your** name and one of these **autos** is involved in an accident, only the coverage limits shown on the Declarations Page for that **auto** will apply. When **you** have two or more **autos** insured in **your** name and none of them is involved in the accident, **you** may choose any single **auto** shown on the Declarations Page and the coverage limits applicable to that **auto** will apply.

The limits available for any other **auto** covered by the policy will not be added to the coverage for the involved or chosen **auto**.

Exclusion Of Unlicensed Operator

For the purposes of this exclusion, an unlicensed operator is any person whose operator's license has been suspended or revoked. When an unlicensed person is operating an automobile:

1. That person will not be an insured person under any Bodily Injury Liability, Automobile Death Indemnity, Automobile Disability Income, Property Damage Liability, Uninsured Motorists and Personal Injury Protection coverages otherwise afforded by this policy during the period of suspension or revocation.
2. Any Protection Against Loss to the Automobile otherwise afforded under Section VI of the policy will not apply to any automobile owned or operated by the unlicensed operator during the period of suspension or revocation, unless the automobile is specifically insured by the policy as shown on the Declarations Page and **you** are not the unlicensed operator.

Transfer

This policy can't be transferred to anyone without **our** written consent. However, if **you** die, coverage will be provided until the end of the premium period for:

1. **your** legal representative while acting as such, and
2. persons covered on the date of **your** death.

Cancellation

You may cancel this policy by writing **us** the future date **you** wish to stop coverage.

Allstate may cancel part or all of this policy by mailing notice to **you** at **your** last known address. If the policy has been in effect less than 30 days, the date of cancellation will be at least 10 days after the date of mailing. Otherwise, **we** will give **you** 30 days notice.

Proof of mailing the notice will be proof of notice. A refund, if due, will be in proportion to the time **your** policy has been in effect. Cancellation will be effective even if the refund is not made immediately.

After **your** original policy has been in effect 30 days, **Allstate** won't cancel or reduce **your** coverage during the premium period unless:

1. **you** don't pay the premium when it's due;
2. **you** have had **your** driver's license suspended or revoked during the policy period; or
3. **Allstate** has mailed notice within the first 30 days that **we** don't intend to continue the policy.

If **we** don't intend to continue the policy beyond the current premium period, **we** will mail **you** notice at least 30 days before the end of the premium period.

Out Of State Coverage

If an accident to which this policy applies occurs in a state or province other than the one in which **your** insured **auto** is principally garaged, this policy will be interpreted as follows:

1. If the financial responsibility law or any similar law of the state or province requires bodily injury liability or property damage liability insurance in amounts greater than the limits for these coverages shown on the Declarations Page, this policy will comply to the extent of liability coverage and limits required.
2. If the motor vehicle compulsory insurance law or similar law requires insurance to be carried by a non-resident for the operation or use of the vehicle in that state or province, this policy will provide at least the minimum amounts and types of coverage.

The insurance under this provision will be reduced to the extent that there is other valid and collectible insurance afforded under this policy or any other policy. No one will be entitled to receive duplicate benefits for the same elements of loss.

Part I—Automobile Liability Insurance—Coverages AA, AO, and BB

Section 1—Bodily Injury—Coverage AA Property Damage—Coverage BB

Allstate will pay for all damages an insured person is legally obligated to pay—because of bodily injury or property damage meaning:

1. bodily injury, sickness, disease or death to any person, including loss of services; and
2. damage to or destruction of property, including loss of use.

Under these coverages, **your** policy protects an insured person from claims for accidents arising out of the ownership, maintenance or use, loading or unloading of an insured **auto**.

We will defend an insured person sued as the result of an **auto** accident, even if the suit is groundless or false. **We** will choose the counsel. **We** may settle any claim or suit if **we** believe it is proper.

Additional Payments Allstate Will Make

When **we** defend an insured person under this part, **we** will pay

1. up to \$50 a day for loss of wages or salary if **we** ask that person to attend hearings or trials to defend against a bodily injury suit. **We** won't pay for loss of other income. **We** will pay other reasonable expenses incurred at **our** request.
2. court costs for defense.
3. interest accruing on damages awarded. **We** will pay this interest only until **we** have paid, offered, or deposited in court the amount for which **we** are liable under this policy. **We** will only pay interest on damages not exceeding **our** limits of liability.
4. premiums on appeal bonds and on bonds to release attachments, but not in excess of **our** limit of liability. **We** aren't required to apply for or furnish these bonds.

We will repay an insured person for

1. the cost of any bail bonds required due to an accident or traffic law violation involving the use of the insured **auto**. **We** won't pay more than \$300 per bond. **We** aren't required to apply for or furnish these bonds.
2. any expense incurred for first aid to others at the time of an **auto** accident involving the insured **auto**.

Insured Persons

1. While using **your** insured **auto**:
 - a) **you**
 - b) any **resident**, and
 - c) any other person using it with **your** permission.
2. While using a non-owned **auto**:
 - a) **you**,
 - b) any **resident** relative using a four-wheel private passenger **auto** or **utility auto**.
3. Any other person or organization liable for the use of an insured **auto** if the **auto** is not owned or hired by this person or organization.

Insured Autos

1. Any **auto** described on the Declarations Page. This includes the four-wheel private passenger **auto** or **utility auto you** replace it with.
2. An additional four-wheel private passenger **auto** or **utility auto you** become the owner of during the premium period. This **auto** will be covered if **we** insure all other private passenger **autos** or **utility autos you** own. **You** must, however, tell **us** within 60 days of acquiring the **auto**. **You** must pay any additional premium.
3. A substitute four-wheel private passenger **auto** or **utility auto**, not owned by **you** or a **resident**, being temporarily used while **your** insured **auto** is being serviced or repaired, or if **your** insured **auto** is stolen or destroyed.

4. A non-owned **auto** used by **you** or a **resident** relative with the owner's permission. This **auto** must not be available or furnished for the regular use of an insured person.
5. A trailer while attached to an insured **auto**. The trailer must be designed for use with a private passenger **auto** or **utility auto**. This trailer can't be used for business purposes with other than a private passenger **auto** or **utility auto**.

Definitions

1. **"Allstate", "We", "Us", or "Our"**—means the Allstate Insurance Company or Allstate Indemnity Company as shown on the Declarations Page of the policy.
2. **"Auto"**—means a land motor vehicle designed for use on public roads.
3. **"Resident"**—means the physical presence in **your** household with the intention to continue living there. Unmarried dependent children while temporarily away from home will be considered residents, if they intend to continue to live in **your** household.
4. **"Utility Auto"**—means an **auto** of the pick-up body, sedan delivery or panel truck type. This **auto** must have a rated load capacity of not more than 2,000 pounds.
5. **"You" or "Your"**—means the policyholder named on the Declarations Page and that policyholder's **resident** spouse.

Exclusions—What Is Not Covered

This coverage does not apply to liability for:

1. **your** insured **auto** while used to carry persons or property for a charge, or any **auto you** are driving while available for hire by the public. This exclusion does not apply to shared-expense car pools.
2. auto business operations such as repairing, servicing, testing, washing, parking, storing, or selling of **autos**. However, coverage does apply to **you, resident** relatives, partners or employees of the partnership of **you** or a **resident** relative when using **your** insured **auto**.
3. a non-owned **auto** while being used in any business or occupation of an insured person. However, coverage does apply while **you, your** chauffeur, or domestic servant are using a private passenger **auto** or trailer.
4. bodily injury to an employee of any insured person arising in the course of employment. Coverage does apply to a domestic employee who is not required to be covered by a workers' compensation law or similar law.
5. anyone other than **you**, for claims made by a co-worker injured in the course of employment.
6. bodily injury to any person related to an insured person by blood, marriage, or adoption and residing in that person's household.
7. injury to or destruction of property an insured person owns, is in charge of, or rents. However, a private residence or a garage rented by that person is covered.

8. bodily injury or property damage caused intentionally by or at the direction of any insured person.
9. bodily injury or property damage which would also be covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.

Financial Responsibility

When this policy is certified as proof under any motor vehicle financial responsibility law, this policy will comply with the provisions of that law.

Limits Of Liability

The limits shown on the Declarations Page are the maximum **we** will pay for any single **auto** accident. The limit stated for each person for bodily injury applies to all damages arising from bodily injury, sickness, disease, or death sustained by one person in any one occurrence. Subject to the limit for each person, the occurrence limit is **our** total limit of liability for all legal damages for bodily injury sustained by two or more persons in any one occurrence. For property damage, the limit applies to legal damages arising from each occurrence.

The liability limits apply to each insured **auto** as shown on the Declarations Page. The insuring of more than one person or **auto** under this policy will not increase **our** liability limits beyond the amount shown for any one **auto**, even though a separate premium is charged for each **auto**. The limits also won't be increased if **you** have other auto insurance policies that apply.

There will be no duplication of payments made under the Bodily Injury Liability and Uninsured Motorists coverages of this policy.

An **auto** and attached trailer are considered one **auto**. Also, an **auto** and a mounted camper unit, topper, cap or canopy are considered one **auto**.

If a single "each occurrence" limit is stated on the Declarations Page for Automobile Liability Insurance, this limit will be the maximum amount of **Allstate's** liability for both bodily injury and property damage arising out of any one occurrence.

If There Is Other Insurance

If an insured person is using a substitute private passenger **auto** or non-owned **auto**, **our** liability insurance will be excess over other collectible insurance. If more than one policy applies on a primary basis to an accident involving **your** insured **auto**, **we** will bear **our** proportionate share with other collectible liability insurance.

Assistance And Cooperation

When **we** ask, an insured person must cooperate with **us** in the investigation, settlement and defense of any claim or lawsuit. If **we** ask, that person must also help **us** obtain payment from anyone who may be jointly responsible.

We can't be obligated if an insured person voluntarily takes any action or makes any payments other than for covered expenses for bail bonds or first aid to others.

Action Against Allstate

No insured person may sue **us** under this coverage unless there is full compliance with all the policy terms.

If liability has been determined by judgment after trial, or by written agreement among the insured, the other person, and **us**, then whoever obtains this judgment or agreement against an insured person, may sue **us** up to the limits of this policy. However, no one has the right to join **us** in a suit to determine legal responsibility.

The bankruptcy or insolvency of an insured person or that person's estate won't relieve **us** of any obligation.

What To Do In Case Of An Auto Accident Or Claim

If an insured person has an **auto** accident, **we** must be informed promptly of all details. If an insured person is sued as the result of an **auto** accident, **we** must be informed immediately.

Section 2—Bodily Injury Outside The District Of Columbia—Coverage AO

When coverage AO is indicated on the Declarations Page, it shall apply instead of Coverage AA described in the policy. All provisions of Coverage AA shall apply, except that Coverage AO shall only apply to accidents occurring outside the boundaries of the District of Columbia.

Part II—Personal Injury Protection—Coverage VA

We will pay an injured person the following benefits in accordance with the District of Columbia Compulsory No-Fault Motor Vehicle Insurance Act, as amended (the Act). Payments to or for an **insured person** will be made only when **bodily injury** is caused by an accident arising from the use of a **motor vehicle** or **vehicle**.

1. **Medical Expenses**
Up to \$100,000 for all reasonable and necessary expenses incurred for care, recovery or rehabilitation. Only semiprivate hospital room charges will be paid unless special or intensive care is required. **We** will only pay for a product, service or accommodation if its provider is licensed or approved and complies with any applicable laws or regulations.
2. **Work Loss**
Work loss benefits are payable up to a maximum aggregate limit of \$24,000. These benefits are:
 - a) **Loss Of Income**
Up to the aggregate limit, **we** will pay 80% of loss of gross income for work which an **insured person** would have performed except for the **bodily injury**. This benefit is subject to a maximum limit of \$2,000 per month. **We** will pay a higher percentage of the gross income if the **insured person** furnishes **us** with proof that his or her income tax is less than 20% of gross income.

- b) **Replacement Services**
Up to the aggregate limit, **we** will pay up to \$50 per day for ordinary and necessary services which the **insured person** would have performed for personal or family benefit (but not for income) except for the **bodily injury**. The services must be performed within 3 years of the date of the accident.

Work loss benefits do not continue after an **insured person** dies.

3. **Funeral Expenses**
Up to \$2,000 for actual costs incurred for an **insured person's** funeral or funeral related expenses.

The amounts stated under this coverage are the most **we** will pay to or for an **insured person** as a result of any one accident regardless of the number of:

1. Claims made;
2. **Your insured autos**;
3. **Motor vehicles** or **vehicles** involved in the accident; or
4. Insurers providing Personal Injury Protection benefits.

Deductible

Any amount payable to or for an **insured person** will be reduced by the amount of the deductible **you** elect, as shown on the Declarations Page. The deductible applies only to **you** and to any **resident relative**. However, the deductible does not apply to benefits payable for emergency medical services furnished during the first 72 hours after the accident.

Definitions

1. **"Allstate", "We", "Us", or "Our"**—means the Allstate Insurance Company or Allstate Indemnity Company as indicated on the Declarations Page of the policy.
2. **"You" or "Your"**—means the policyholder named on the Declarations Page.
3. **"Bodily injury"**—means bodily harm sustained in any accident including any illness, disease or death resulting from that bodily harm.
4. **"Insured person"**—means:
 - a) **You** and any **resident relative**.
 - b) Any person while **occupying your insured auto**.
 - c) Any other person sustaining **bodily injury** in an accident within the District of Columbia in which **your insured auto** is involved.
5. **"Motor Vehicle"**—means any device propelled by an internal combustion engine, electricity or steam. However, "motor vehicle" does not mean a motorcycle, a traction engine used exclusively for drawing vehicles in fields, a road roller or a vehicle propelled only upon rails and tracks.
6. **"Occupying"**—means in, upon, getting in, on, out or off.
7. **"Resident relative"**—means **your** spouse or any person related to **you** by blood, marriage or adoption who is a resident of **your** household. This includes any other resident of **your** household under age 18 who is in **your** custody or **your** relative's custody.

8. **“Vehicle”**—means:
- a trailer as defined in the Act; or
 - an appliance moved or designed to be moved over a publicly maintained way on wheels or traction tread including draft animals and beasts of burden which is operated by power other than muscular power.
9. **“Your insured auto”**—means a **motor vehicle**:
- For which **you** are required to maintain security under the Act, and
 - To which liability coverage under this policy applies.

Exclusions—What Is Not Covered

This coverage does not apply:

- To any person injured while intentionally causing or attempting to cause injury to himself, herself or any other person.
- To any person using a **motor vehicle** or **vehicle** which that person has taken unlawfully. This exclusion does not apply if that person reasonably believed, at the time he or she first used the **motor vehicle** or **vehicle**, that he or she was entitled to take and use the **motor vehicle** or **vehicle**.
- To any person who owns a **motor vehicle** involved in the accident which does not carry the coverages required by the Act.
- To any non-resident of the District of Columbia while operating or **occupying a motor vehicle**, other than **your insured auto**, if that **motor vehicle** is not registered in the District.
- To any person who owns or operates a **vehicle** involved in the accident if no **motor vehicle** is involved in the accident.
- To any person whose injury arises out of conduct within the course of the business of repairing, servicing or otherwise maintaining **motor vehicles** or **vehicles** while on the business premises.
This exclusion does not apply if the conduct is in the course of loading or unloading a **motor vehicle** or **vehicle**.
- To any person while **occupying a motor vehicle** or **vehicle** located for use as a residence or premises.

Coordination And Non-Duplication

- Any amount payable under this coverage will be reduced by all amounts paid or payable under:
 - Social Security, except Medicaid benefits;
 - workers' compensation;
 - temporary non-occupational disability insurance that is required by a state or the District of Columbia government; or
 - any government program, except the proceeds of government life insurance.
 This does not apply if the law authorizing these benefits makes them secondary to or duplicative of Personal Injury Protection benefits.
- No person may recover duplicate Personal Injury Protection benefits for the same elements of loss.

- If an **insured person** is entitled to Personal Injury Protection under more than one policy, the maximum recovery from all policies will be no greater than the amount payable under the policy with the highest limit of benefits.

Priority Of Benefits

We will pay Personal Injury Protection benefits according to the order of priorities set forth by the Act. **We** will not pay if there is other insurance payable at a higher level of priority. The priority order is:

- The insurer of the employer, if the **insured person** is an employee or relative of an employee, and is **occupying a motor vehicle** provided or made available by the employer in the course of employment.
- The insurer of the owner or operator of a **motor vehicle** in the business of transporting passengers for hire, if the **insured person** is a passenger. This priority does not apply to the insurer of a school bus or a bus operating under a government sponsored program.
- The insurer providing benefits to the **insured person** as a named insured. If two or more policies apply under this priority and one specifically insures the **motor vehicle** or motorcycle involved in the accident, it will be the policy under which benefits are payable.
- The insurer providing benefits to the **insured person** as a **resident relative** who is not a named insured under any policy providing coverage under the Act. If two or more policies apply under this priority and one specifically insures the **motor vehicle** or motorcycle involved in the accident, it will be the policy under which benefits are payable.
- The insurer of the **motor vehicle** or motorcycle occupied by the **insured person**.
- The insurer providing Personal Injury Protection coverage on any **motor vehicle** or motorcycle involved in the accident if the **insured person** is not provided coverage under any other policy.

If two or more policies have equal priority, the insurer against which the claim is first made will process and pay the claim as if wholly responsible. After the claim is settled, the insurer may seek contribution from the other insurers providing coverage.

For the purposes of determining priorities, an unoccupied parked **motor vehicle** or motorcycle is not a **motor vehicle** or motorcycle involved in an accident unless it was parked in a manner as to create an unreasonable risk of injury.

Duties After An Accident Or Loss

If an **insured person** has an auto accident, **we** must be notified promptly of how, when and where the accident happened. Notice should also include the names and addresses of any injured persons and witnesses. **You** or any other person making claim must:

- Cooperate with **us** in the investigation or settlement of any claim.
- Submit to physical or mental examinations as often as **we** reasonably require. **We** will select the physician. **We** will pay for these exams.

3. Authorize **us** to obtain:
 - a) medical reports;
 - b) statements of earnings; and
 - c) other pertinent records.
4. Submit a written proof of claim when required by **us**.
5. Promptly send **us** copies of the legal papers if a suit is brought.
6. If **we** request, furnish **us** a sworn statement of earnings or lack of earnings:
 - a) for a reasonable time prior to the accident; and
 - b) since the accident.

Action Against Allstate

No one may sue **us** under this coverage unless there is full compliance with the terms of this policy.

Policy Period And Territory

This coverage applies only to accidents which occur during the policy period as shown on the Declarations Page and within the policy territory. The policy territory is the United States of America, its territories or possessions, or Canada.

Our Right To Recover Payment

Subject to any applicable limitations stated in the Act and applicable Regulation:

1. If **we** make a payment under this coverage and the person to or for whom payment is made has a right to recover damages from another, **we** will be subrogated to that right. That person will do:
 - a) whatever is necessary to enable **us** to exercise **our** rights; and
 - b) nothing after loss to prejudice them.
2. If **we** make a payment under this coverage and the person to or for whom payment is made recovers damages from another, that person shall:
 - a) hold in trust for **us** the proceeds of the recovery; and
 - b) reimburse **us** to the extent of **our** payment.

Assignment Of Claims To Future Benefits

An **insured person** may not assign their right to any Personal Injury Protection benefits payable in the future.

Part III—Automobile Death Indemnity Insurance—Coverage CM

Allstate will pay the benefit shown on the Declarations Page if an insured person dies as a direct result of bodily injury, sickness or infection caused by an **auto** accident. The injury must be sustained while the insured person is in, on, getting into or out of, or when struck as a pedestrian by an **auto**, trailer or semi-trailer.

Benefits will be paid only if:

1. death occurs within 90 days of the **auto** accident; or
2. death occurs within 1 year of the **auto** accident and the bodily injury has continuously prevented the insured person from performing every duty pertaining to that person's occupation.

Insured Persons

The person or persons shown as insured on the Declarations Page under Coverage CM.

Definitions

"Allstate", **"We"**, or **"Us"**—means the Allstate Insurance Company.

"Auto"—means a land motor vehicle designed for use on public roads.

Exclusions—What Is Not Covered

This coverage does not apply to death:

1. sustained in the course of an occupation by any person while:
 - a) operating, loading, unloading, assisting on, or performing any other duties related to the use of a commercial **auto**, or an **auto** hired or rented to others for a charge.
 - b) repairing or servicing **autos**, including any related duties.
2. due to suicide committed while sane or insane.
3. due to any act of war, insurrection, rebellion, or revolution.
4. sustained while in, on, getting into or out of, or when struck as a pedestrian by
 - a) a vehicle operated on rails or crawler-treads;
 - b) a vehicle or other equipment designed for use off public roads, while not on public roads; or
 - c) a vehicle when used as a residence or premises.

Payment Of Benefits; Autopsy

The benefit is payable to the deceased insured person's spouse. The spouse must be a resident of the same household as the insured person at the time of the accident. However, if the deceased is a minor, the benefit is payable to either parent. That parent must be a resident of the same household as the minor at the time of accident. In all other cases, the benefit is payable to the deceased insured person's estate.

Allstate has the right and must be given the opportunity to make an autopsy where it is not forbidden by law.

Consent Of Beneficiary

The beneficiary's consent is not required for cancellation, assignment, change of beneficiary, or any other change under this coverage.

Proof Of Claim; Medical Reports

As soon as possible, **we** must be given written proof of claim. It must include all details **we** may need to determine if benefits are payable.

We must be given authorization to obtain medical reports and copies of records.

Part IV—Automobile Disability Income Protection—Coverage CW

Allstate will pay the weekly benefit shown on the Declarations Page if an insured person sustains continuous total disability as a direct result of bodily injury, sickness or infection caused by an **auto** accident. The injury must be sustained while in, on, getting into or out of, or when struck as a pedestrian by an **auto**, trailer or semi-trailer.

Benefits will be paid only while the insured person is alive and only if the disability:

1. commences within 20 days of the date of the accident; and
2. during the first year after commencement, continuously prevents the insured person from performing all duties pertaining to that person's occupation; and
3. during the second and subsequent years after commencement, continuously prevents the insured person from engaging in any occupation or employment for wage or profit.

Insured Persons

The person or persons shown as insured on the Declarations Page under Coverage CW.

Definitions

1. **"Allstate"**, **"We"**, or **"Us"**—means the Allstate Insurance Company.
2. **"Auto"**—means a land motor vehicle designed for use on public roads.

Exclusions—What Is Not Covered

This coverage does not apply to disability:

1. sustained in the course of an occupation by any person while:
 - a) operating, loading, unloading, assisting on, or performing any other duties related to the use of a commercial **auto**, or an **auto** hired or rented to others for a charge.
 - b) repairing or servicing **autos**, including any related duties.
2. due to any attempt at suicide while sane or insane.
3. due to any act of war, insurrection, rebellion or revolution.

To Whom And When Payment Is Made

Weekly benefits are payable to the disabled insured person. Accrued weekly benefits are payable every four weeks. Any remaining balance is payable at termination of the disability period. Benefits end upon the death of the insured person.

Proof Of Claim; Medical Reports

As soon as possible, any person making claim must give **us** written proof of claim.

The injured person may be required to take physical examinations by physicians **we** choose, as often as **we** reasonably require. **We** must be given authorization to obtain medical reports and copies of records.

Part V—Uninsured Motorists Coverage—Coverage SS

We will pay all sums which an **insured person** or their legal representative is legally entitled to recover as damages from the owner or operator of an uninsured auto because of:

1. bodily injury, including sickness, disease or death; and
2. property damage, meaning injury to or destruction of:
 - a) an insured auto **you** own; and
 - b) personal property of an insured person contained in that auto. The first \$200 of property damage is not covered.

Injury must be caused by accident and arise out of the ownership, maintenance or use of an uninsured auto.

The right to benefits and the amount payable will be decided by agreement between the insured person and **Allstate**. If an agreement can't be reached, the decision will be made by arbitration.

If an insured person sues a person believed responsible for the accident without **our** written consent, **we** aren't bound by any resulting judgment.

Insured Persons

1. **You** and any **resident** relative.
2. Any person while in, on, getting into or out of an insured auto with **your** permission.
3. Any other person who is legally entitled to recover because of bodily injury to **you**, a **resident** relative, or an occupant of **your** insured auto with **your** permission.

An Insured Auto Is A Motor Vehicle:

1. described on the Declarations Page. This includes the **motor vehicle you** replace it with.
2. **you** become the owner of during the premium period. This additional **motor vehicle** will be covered if **Allstate** insures all other private passenger **motor vehicles you** own. **You** must, however, tell **us** within 60 days after **you** acquire the **motor vehicle**. **You** must pay any additional premium.
3. not owned by **you** or a **resident** relative, if being temporarily used while **your** insured auto is being serviced or repaired, or if **your** insured auto is stolen or destroyed. The **motor vehicle** must be used with the owner's permission. It can't be furnished for the regular use of **you** or any **resident** relative.

4. not owned by **you** or a **resident** relative, if being operated by **you** or **your resident** spouse with the owner's permission. The **motor vehicle** can't be furnished for the regular use of **you** or any **resident** relative.

An insured auto is not a **motor vehicle** made available for public hire by an insured person.

An Uninsured Auto Is:

1. a **motor vehicle** which has no bodily injury liability bond or insurance policy in effect at the time of the accident.
2. a **motor vehicle** covered by a bond or insurance policy which doesn't provide at least the minimum financial security requirements of the state in which **your** insured auto is principally garaged.
3. a **motor vehicle** for which the insurer denies coverage, or the insurer becomes insolvent.
4. a hit-and-run **motor vehicle** which causes bodily injury to an insured person by physical contact with the insured person or with a vehicle occupied by that person or property damage by physical contact with the damaged property. The identity of the operator and the owner of the vehicle must be unknown. The accident must be reported within 24 hours to the proper authorities. **We** must be notified within 30 days. If the insured person was occupying a vehicle at the time of the accident, **we** have a right to inspect it.

An Uninsured Auto Is Not:

1. a **motor vehicle** that is lawfully self-insured.
2. a **motor vehicle** owned by any federal, state, or local government or agency.

Definitions

1. **"Allstate", "We", "Us", or "Our"**—means the Allstate Insurance Company or Allstate Indemnity Company as shown on the Declarations Page of the policy.
2. **"Motor Vehicle"**—means a land motor vehicle or trailer other than
 - a) a vehicle or other equipment designed for use off public roads, while not on public roads,
 - b) a vehicle operated on rails or crawler-treads, or
 - c) a vehicle when used as a residence or premises.
3. **"Resident"**—means the physical presence in **your** household with the intention to continue living there. Unmarried dependent children, while temporarily away from home will be considered residents if they intend to continue to live in **your** household.

Exclusions—What Is Not Covered

This coverage does not apply to

1. any person who makes a settlement without **our** written consent.

2. an insured person while in, on, getting into or out of or when struck by an uninsured **motor vehicle** which is owned by **you** or a **resident** relative.
3. an insured person while in, on, getting into or out of a vehicle **you** own which is insured for this coverage under another policy.
4. any claim that directly or indirectly benefits any workers' compensation or disability benefits insurer. This includes a self-insurer.

Limits Of Liability

The coverage limit shown on the Declarations Page for:

1. "each person" is the total limit for all damages arising out of bodily injury to one person in any one **motor vehicle** accident.
2. "each accident" is the total limit for all damages arising out of bodily injury to two or more persons in any one **motor vehicle** accident. This limit is subject to the limit for "each person".

The limit of property damage liability stated in the declarations as applicable to "each accident" is the total limit of **Allstate's** liability for all damages arising out of injury to or destruction of all property of one or more insureds as a result of any one accident.

These limits are the maximum **Allstate** will pay for any one **motor vehicle** accident regardless of the number of:

1. claims made;
2. **motor vehicles** or persons shown on the Declarations Page; or
3. **motor vehicles** involved in the accident.

The Uninsured Motorists Coverage limits apply to each insured **motor vehicle** as shown on the Declarations Page.

With respect to property damage, this coverage shall be excess insurance over any other valid and collectible insurance against such property damage. This includes any amount paid or payable under the collision coverage of this or any other policy.

Damages payable will be reduced by

1. all amounts paid for bodily injury or property damage by the owner or operator of the uninsured auto or anyone else responsible. This includes all sums paid under the bodily injury liability coverage of this or any other auto policy.
2. all amounts payable under any workers' compensation law, disability benefits law, or similar law, Automobile Medical Payments, or any similar automobile medical payments coverage.
3. all amounts paid or payable under the Personal Injury Protection of this or any other policy.

If There Is Other Insurance

If the insured person was in, on, getting into or out of a vehicle **you** do not own which is insured for this coverage under another policy, this coverage will be excess. This means that when the insured person is legally entitled to

recover damages in excess of the other policy limit, **we** will pay up to **your** policy limit, but only after all other collectible insurance has been exhausted.

If more than one policy applies to the accident on a primary basis, the total benefits payable to any one person will not exceed the maximum benefits payable by the policy with the highest limit for uninsured motorists coverage. **We** will bear **our** proportionate share with other uninsured motorists benefits. This applies no matter how many autos or auto policies may be involved whether written by **Allstate** or another company.

Proof Of Claim; Medical Reports

As soon as possible, any person making claim must give **us** written proof of claim. It must include all details **we** may need to determine the amounts payable.

The insured person may be required to take physical or mental examinations by physicians **we** choose, as often as **we** reasonably require. **We** must be given authorization to obtain medical reports and copies of records.

Assistance And Cooperation

We may require the insured person to take proper action to preserve all rights to recover damages from anyone responsible for the bodily injury.

Trust Agreement

When **we** pay any person under this coverage:

1. **we** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from any responsible party or insurer.
2. all rights of recovery against any responsible party or insurer must be maintained and preserved for **our** benefit.
3. insured persons, if **we** ask, must take proper action in their name to recover damages from any responsible party or insurer. **We** will select the attorney. **We** will pay all related costs and fees.

We will not ask the insured person to sue the insured of an insolvent insurer.

Payment Of Loss By Allstate

Any amount due is payable to the insured person, to the parent or guardian of an injured minor, or to the spouse of any insured person who dies. However, **we** may pay any person lawfully entitled to recover the damages.

Action Against Allstate

No one may sue **us** under this coverage unless there is full compliance with all the policy terms.

If We Cannot Agree

If the insured person or **we** don't agree on that person's right to receive any damages or the amount, then at the written request of either the disagreement will be settled by arbitration. Arbitration will take place under the rules of the American Arbitration Association unless either party objects.

If either party objects, the following method of arbitration will be used instead. The insured person will select one arbitrator. **We** will select another.

The two arbitrators will select a third. If they can't agree on a third arbitrator within 30 days, the judge of the court of record in the county of jurisdiction where arbitration is pending will appoint the third arbitrator. The written decision of any two arbitrators will determine the issues. The insured person will pay the arbitrator that person selects. **We** will pay the one **we** select. The expense of the third arbitrator and all other expenses of arbitration will be shared equally. However, attorney fees and fees paid to medical and other expert witnesses are not considered arbitration expenses. These costs will be paid by the party incurring them.

Regardless of the method of arbitration, any award not exceeding the limits of the Financial Responsibility law of the District of Columbia, will be binding and may be entered as a judgment in a proper court.

Regardless of the method of arbitration, when any arbitration award exceeds the Financial Responsibility limits in the District of Columbia, either party has a right to trial on all issues in a court of competent jurisdiction. This right must be exercised within 60 days of the award. Costs, including attorney fees, are to be paid by the party incurring them.

Right To Appraisal

Both **you** and **Allstate** have a right to demand an appraisal of the loss. Each will appoint and pay a qualified appraiser. Other appraisal expenses will be shared equally. The two appraisers, or a judge of a court of record, will choose an umpire. Each appraiser will state the actual cash value and the amount of loss. If they disagree, they'll submit their differences to the umpire. A written decision by any two of these three persons will determine the amount of the loss.

Payment Of Loss By Allstate

Allstate may pay for the loss in money, or may repair or replace the damaged or stolen property. We may, at any time before the loss is paid or the property is replaced, return at our own expense any stolen property, either to you or at our option to the address shown on the Declarations Page, with payment for any resulting damage. We may take all or part of the property at the agreed or appraised value. We may settle any claim or loss either with you or the owner of the property.

Limits Of Liability

Allstate's limit of liability is the actual cash value of the property or damaged part of the property at the time of loss. The actual cash value will be reduced by the deductible for each coverage as shown on the Declarations Page. However, our liability will not exceed what it would cost to repair or replace the property or part with other of like kind and quality. The limit for loss to any covered trailer not described on the Declarations Page is \$500.

An auto and attached trailer are considered separate autos, and you must pay the deductible, if any, on each. Only one deductible will apply to an auto with a mounted camper unit. If unmounted, a separate deductible will apply to the auto and camper unit.

If There Is Other Insurance

If there is other insurance covering the loss at the time of the accident, we will pay only our share of any damages. Our share is determined by adding the limits of this insurance to the limits of all other insurance that applies on the same basis and finding the percentage of the total that our limits represent.

When this insurance covers a substitute auto or non-owned auto, we will pay only after all other collectible insurance has been exhausted.

When this insurance covers a replacement auto or additional auto, this policy won't apply if you have other collectible insurance.

When more than one coverage is applicable to the loss, you may recover under the broadest coverage but not both. However, any Coverage ZA deductible will always apply.

Action Against Allstate

No one may sue us under this coverage unless there is full compliance with all the policy terms.

Subrogation Rights

When we pay, your rights of recovery from anyone else become ours up to the amount we have paid. You must protect these rights and help us enforce them.

What You Must Do If There Is A Loss

1. As soon as possible any person making claim must give us written proof of loss. It must include all details reasonably required by us. We have the right to inspect the damaged property. We may require any person making claim to file with us a sworn proof of loss. We may also require that person to submit to examinations under oath.

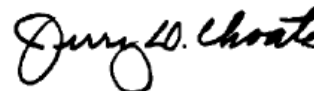

2. Protect the auto from further loss. We will pay reasonable expenses to guard against further loss. If you don't protect the auto, further loss is not covered.

3. Report all theft losses promptly to the police.

IN WITNESS WHEREOF, Allstate has caused this policy to be signed by its Secretary and its President at Northbrook, Illinois, and, if required by state law, this policy shall not be binding unless countersigned on the Declarations Page by an authorized agent of Allstate.
